The Mobil Travel Guide star ratings are a 45-year-old consumer advocacy concept originally developed following the introduction of the interstate highway system. The goal of the Guide is not to identify and rate every property in the country, but to recommend only the best in each category, ones that we would send our

customers to. We look at the stars from a consumer's point of view, rating lodgings and restaurants across North America from the perspective of the "average traveler."The Guides feature new enhanced descriptions for 2004. Listings include lodgings, restaurants, attractions, and events in established travel destinations, as well as cities and towns on the way to established travel destinations. Our new easy-to-use format makes the Guides even more indispensable to travelers. Each regional guide is organized alphabetically by state, with introductory information about the state followed by city listings in alphabetical order. For each city, the guide lists sites and attractions, lodgings, and then restaurants. One of the features that sets the Mobil Travel Guide apart from its competitors is its proprietary Mobil star rating system. Forty-five plus years of publishing experience and the oldest non-biased rating system in North America make the Mobil Travel Guide series a must-have for travelers wanting up-to-date ratings of hotels and restaurants.

American Book Publishing Record

Provides many of the answers to questions asked by journalists, industry executives, researchers and television enthusiasts about the current UK film industry. The range of information in the Handbook is unrivalled, including a summary of all new films made and released in the UK box office.

Mergent Municipal & Government Manual

Mobil Travel Guide Southern California 2005

This volume is part of a four-volume set (the others profile American emerging companies, American private companies, and global companies); and it contains information on 750 American businesses chosen mainly for their size, influence, growth, visibility, and breadth of coverage. Each entry contains two narratives--an overview of the company, its s

Haynes offers the best coverage for cars, trucks, vans, SUVs and motorcycles on the market today. Each manual contains easy to follow step-by-step instructions linked to hundreds of photographs and illustrations. Included in every manual: troubleshooting section to help identify specific problems; tips that give valuable short cuts to make the job easier and eliminate the need for special tools; notes,

cautions and warnings for the home mechanic; color spark plug diagnosis and an easy to use index.

Auto Repair For Dummies

The Mists of Avalon

New car and minivan rating guide.

Pier Memories

In Marion Zimmer Bradley's masterpiece, we see the tumult and adventures of Camelot's court through the eyes of the women who bolstered the king's rise and schemed for his fall. From their childhoods through the ultimate fulfillment of their destinies, we follow these women and the diverse cast of characters that surrounds them as the great Arthurian epic unfolds stunningly before us. As Morgaine and Gwenhwyfar struggle for control over the fate of Arthur's kingdom, as the Knights of the Round Table take on their infamous quest, as Merlin and Viviane wield their magics for the future of Old Britain, the Isle of Avalon slips further into the impenetrable mists of memory, until the fissure between old and new worlds' and

old and new religions' claims its most famous victim.

Auto Repair For Dummies, 2nd Edition (9781119543619) was previously published as Auto Repair For Dummies, 2nd Edition (9780764599026). While this version features a new Dummies cover and design, the content is the same as the prior release and should not be considered a new or updated product. The top-selling auto repair guide--400,000 copies sold--now extensively reorganized and updated Forty-eight percent of U.S. households perform at least some automobile maintenance on their own, with women now accounting for one third of this \$34 billion automotive do-it-yourself market. For new or would-be do-it-yourself mechanics, this illustrated how-to guide has long been a must and now it's even better. A complete reorganization now puts relevant repair and maintenance information directly after each automotive system overview, making it much easier

to find hands-on fix-it instructions. Author Deanna Sclar has updated systems and repair information throughout, eliminating discussions of carburetors and adding coverage of hybrid and alternative fuel vehicles. She's also revised schedules for tune-ups and oil changes, included driving tips that can save on maintenance and repair costs, and added new advice on troubleshooting problems and determining when to call in a professional mechanic. For anyone who wants to save money on car repairs and maintenance, this book is the place to start. Deanna Sclar (Long Beach, CA), an acclaimed auto repair expert and consumer advocate, has contributed to the Los Angeles Times and has been interviewed on the Today show, NBC Nightly News, and other television programs.

As Toyota skids into an ocean of problems and uncertainty continues in the U.S. automotive industry, Lemon-Aid Used Cars and Trucks 2011/2012 shows buyers how to pick the cheapest and most reliable vehicles from the past 30 years. Lemon-Aid guides are unlike any other car and truck books on the market. Phil Edmonston, Canada's automotive Dr. Phil for 40 years, pulls no punches. Like five books in one, Lemon-Aid Used Cars and Trucks is an exposé of car scams and gas consumption lies; a do-it-yourself service manual; an independent guide that covers beaters, lemons, and collectibles; an archive of secret service bulletins granting free repairs; and a legal primer that even lawyers can't beat! Phil delivers the goods on free fixes for Chrysler, Ford, and GM engine, transmission, brake, and paint defects; lets you know about Corvette and Mustang tops that fly off; gives the lowdown on Honda, Hyundai, and Toyota engines and transmissions; and provides the latest information on computer module glitches.

Completely updated every year (unlike most of the competition), Frommer's California features detailed reviews and insider info on the state's spectacular beaches, national parks, vineyards, and more. Quite simply, this is the most reliable and comprehensive California guide you can buy. Whether you're looking for a romantic B&B in the Wine Country, the hippest new restaurant in San Francisco, or the best beaches in L.A. and San Diego, Frommer's California will show you the way. The guide is personally researched by longtime residents, and it's full of their candid opinions about the best their state has to offer. They've selected the very best places to stay throughout the state: lavish golf resorts, spas, stunning B&Bs, beachfront motels, and Yosemite's best campgrounds. With Frommer's in hand, you'll see it all -- from the desert to the towering redwoods, from Hollywood to Hearst Castle, from Sea World to Big Sur. You'll even get a color fold-out map!

BFI Film Handbook 2005

The Avalon Pier was the social center of Avalon, NJ for nearly half a century. This book is a collection of the memories of the people who visited, and loved, the Avalon Pier from 1929 until 1980.
