complicated world of government conspiracy when he takes on the challenging case of National Guard reservist Evan Scholler. Betrayal is the twelfth thriller in John Lescroart's Dismas Hardy series. Perfect for fans of John Sandford and J.J. Miller. 'A tour de force of a legal thriller Easily usurps the latest from Grisham and Turow' - Providence Journal When Dismas Hardy agrees to clean up the caseload of recently disappeared attorney Charlie Bowen, he thinks it will be easy. But one of the cases is far from small-time - the sensational clash between National Guard reservist Evan Scholler and an ex-Navy SEAL and private contractor named Ron Nolan. Two events in Iraq conspired to bring the men into fatal conflict: Nolan's relationship with Evan's girlfriend back home in the States; followed by a deadly incident in which Nolan's apparent mistake results in the death of an innocent Iraqi family as well as seven men in Evan's platoon. As the murky relationship between the U.S. government and its private contractors plays out in the personal drama of these two men, and the consequences become a desperate matter of life and death, Dismas Hardy begins to uncover a terrible and perilous truth that takes him far beyond the case and into the realm of assassination and treason. From the treacherous streets of Iraq to the courtrooms of California, Betrayal is a magnificent tour de force of pure storytelling. What readers are saying about Betrayal: 'The courtroom scenes are simply brilliant [] they kept me awake all night' 'So full of twists and turns that it was impossible to put down' 'Once again a compulsive read - kept me riveted from beginning to end'

The Rule of Law

Stephen Shore's *Uncommon Places* is indisputably a canonic body of work--a touchstone for those interested in photography and the American landscape. Remarkably, despite having been the focus of numerous shows and books, including the eponymous 1982 Aperture classic (expanded and reissued several times), this series of photographs has yet to be explored in its entirety. Over the past five years, Shore has scanned hundreds of negatives shot between 1973 and 1981. In this volume, Aperture has invited an international group of fifteen photographers, curators, authors, and cultural figures to select ten images apiece from this rarely seen cache of images. Each portfolio offers an idiosyncratic and revealing commentary on why this body of work continues to astound; how it has impacted the work of new generations of photography and the medium at large; and proposes new insight on Shore's unique vision of America as transmuted in this totemic series. Texts and image selections by Wes Anderson, Quentin Bajac, David Company, Paul Graham, Guido Guidi, Takashi Homma, An-My Lê, Michael Lesy, Hans Ulrich Obrist, Francine Prose, Ed Ruscha, Britt Salvesen, Taryn Simon, Thomas Struth, and Lynne Tillman

The Eighth Trumpet

Read Book A Certain Justice Abe Glitsky 1 John Lescroart

John Lescroart's latest spectacular New York Times bestseller explores the unexpected and shattering consequences of a one-night stand on a seemingly happily married couple—a “dark, disturbing, satisfying read” (San Francisco Chronicle) that asks us to consider how much we really know about the lives of our closest friends. Fatal is John Lescroart's most highly acclaimed and biggest selling book in recent years. As the Huffington Post raves, “Lescroart is a master storyteller as he knows how to craft a plot and how to create fully developed characters. In both of these departments, this book comes across as one of his best works.” When Kate Jameson confesses to her oldest friend, Beth Tully, that she's obsessing about a married man she just met, Beth is alarmed. As a San Francisco police detective, Beth has seen time and again the destructive repercussions of infidelity. But Kate, despite her happy marriage and two wonderful children, can't get Peter Ash out of her head and initiates one intense sexual encounter. Confident that her life can now return to normal, Kate never considers that Peter may not be so willing to move on. Six months later, Peter Ash's body washes up on a beach, and Beth is assigned the case. As the pool of suspects narrows and the mystery of who Peter Ash became during the final months of his life deepens, Beth is forced to see that the prime suspect might have been right in front of her the entire time. Fatal is fresh proof that John Lescroart is “a true master of the craft” (Associated Press) whose picture should be “printed beside the definition of ‘spellbinding’ in the dictionary” (Suspense Magazine).

Got the Look

When HMO executive Tim Markham is hit by a car during a morning jog through his exclusive San Francisco neighborhood, he has the bad luck to be transported to one of his own hospitals . . . and winds up dead in his ICU bed. But in spite of the rumors about his company's substandard care, this death appears to be a case of malice, not of malpractice—especially after Markham's entire family is gunned down in their home. Lt. Abe Glitsky has strong suspicions about a doctor with opportunity, means, and motives to spare. But working up a case against Eric Kensing might not be easy, especially when Glitsky has to rely on two bumbling rookies to gather the evidence. When defense attorney Dismas Hardy takes Kensing on as a client, both Glitsky and Hardy have to worry not only about losing the case, but about losing a best friend as well. And as the investigation leads to something bigger than they expected, they may both be in danger of losing their lives as well. . .

A woman's body is discovered dumped in the Everglades, and Abe is called upon to monitor the investigation. The FBI is tracking a killer in South Florida they call "Cutter" because his brutal methods harken back to Florida's dark past, when machete-wielding men cut sugarcane by hand in the blazing sun. Suspicion surrounds him. His closest friends, family, professional colleagues, and the media no longer trust his motives. Was

The Mercy Rule

INSTANT NEW YORK TIMES BESTSELLER In “master of the legal thriller” (Chicago Sun-Times) John Lescroart’s electrifying new novel, attorney Dismas Hardy is called to defend the least likely suspect of his career: his longtime, trusted assistant who is suddenly being charged as an accessory to murder. Dismas Hardy knows something is amiss with his trusted secretary, Phyllis. Her out-of-character behavior and sudden disappearances concern Hardy, especially when he learns that her convict brother—a man who had served twenty-five years in prison for armed robbery and attempted murder—has just been released. Things take a shocking turn when Phyllis is suddenly arrested at work for allegedly being an accessory to the murder of Hector Valdez, a coyote who’d been smuggling women into this country from El Salvador and Mexico. That is, until recently, when he was shot to death—on the very same day that Phyllis first disappeared from work. The connection between Phyllis, her brother, and Hector’s murder is not something Dismas can easily understand, but if his cherished colleague has any chance of going free, he needs to put all the pieces together—and fast. Proving that he is truly “one of the best thriller writers to come down the pike” (USA TODAY), John

Lescroart crafts yet another whip-smart, engrossing novel filled with shocking twists and turns that will keep you on your toes until the very last page.

Sunburn

From New York Times bestselling author John Lescroart, a riveting novel featuring Dismas Hardy and Abe Glitsky on the hunt for clues about a woman who has gone missing. On the evening before Thanksgiving, Hal Chase, a guard in the San Francisco County Jail, drives to the airport to pick up his step-brother for the weekend. When they return, Hal's wife, Katie, has disappeared without a clue. By the time Dismas Hardy hears about this, Katie has been missing for five days. The case strikes close to home because Katie had been seeing Hardy's wife, a marriage counselor. By this time, the original Missing Persons case has become a suspected homicide, and Hal is the prime suspect. And the lawyer he wants for his defense is none other than Hardy himself. Hardy calls on his friend, former homicide detective Abe Glitsky, to look into the case. At first it seems like the police might have it right; the Chases' marriage was fraught with problems; Hal's alibi is suspect; the life insurance policy on Katie was huge. But Glitsky's mission is to identify other possible suspects, and there proves to be no shortage of them: Patti Orosco—rich, beautiful, dangerous, and Hal's former lover; the still unknown person who had a recent affair with Katie; even Hal's own step-mother Ruth, resentful of Katie's

gatekeeping against her grandchildren. And as Glitsky probes further, he learns of an incident at the San Francisco jail, where Hal works—only one of many questionable inmate deaths that have taken place there. Then, when Katie's body is found not three blocks from the Chase home, Homicide arrests Hal and he finds himself an inmate in the very jail where he used to work, a place full of secrets he knows all too well. Against this backdrop of conspiracy and corruption, ambiguous motives and suspicious alibis, an obsessed Glitsky closes in on the elusive truth. As other deaths begin to pile up he realizes, perhaps too late, that the next victim might be himself.
