Exceptionally strong skills training with a particular focus on speaking - that's what you get with Family and Friends.How?The clear methodology, with objectives for every lesson, and carefully staged activities support your students learning.So does the controlled 'Skills Time' program, which enables your students to continually improve their listening, speaking and literacy skills.Phonics is straightforward and fun! The progression is specially written for non-native speakers, meaning each sound is taught in a way that's easy to understand.The writing activities are very well structured and help you teach students essential sub-skills, such as punctuation, so they feel ready to do their own personalized writing in the Workbook and worksheets from the Teacher's Resource CD.The picture dictionary and wordlists at the back of the book offer students additional support for reading and writing activities.The wide variety of linked print and digital resources helps you to meet the needs of students with different learning styles and makes your lessons more engaging. The teacher's resource CD is packed full of photocopiable resources such as values worksheets, extra writing pages and cut and makeactivities.Do you need help preparing for tests?There are print-ready and editable tests with audio on the Teacher's Resource CD along with practice papers for Cambridge Young Learners English Tests which you can print and use, or customize to practice a particular language point or to suit mixed ability classes.But Family and Friends is not only about academic success - it develops the whole child too. The values syllabus helps children develop social and emotional skills

which guarantee success in the classroom and at home.

Modern American English

The course that gets students talking.

American English File, Level 5

A four-level American English course for secondary learners with outstanding print and digital resources and particular emphasis on meaningful communication and skills development. Through a comprehensive and innovative range of resources, Got it! uses hands-on language presentations to help students discover language intuitively and try out new structures. Through personalization and dialogue they explore meaning in a framework of issues which engage them. Competence in individual skills and awareness of progress and success are encouraged throughout. Available as an in-App purchase via the Oxford Learner's Bookshelf app.

Four Corners Level 1 Teacher's Edition with Assessment Audio CD/CD-ROM

English File Third Edition Pre Intermediate Student Book (Uk)

Speakout is a comprehensive General English course for young adults and adults. It features BBC content throughout and helps learners increase their confidence in all skill areas, with a strong focus on spoken and written communication.

New English File

"Just when you thought it couldn't get any better!" A new edition of the best-selling English File - the best way to get your students talking. A blend of completely new lessons, updated texts and activities, together with the refreshing and fine-tuning of some favourite lessons from New English File - English File third edition provides the right mix of language, motivation, and opportunity to get students talking. English File third edition offers more support for teachers and students. Teacher's Book provides over 100 photocopiables to save preparation time, plus extra tips and ideas. Classroom Presentation Tool brings your classroom to life with the Student's Book and Workbook, on-screen and interactive.

American English File Level 3

"Texts must be interesting enough for students to want to read them in their own language. Otherwise, how can we expect students to want to read them in English?" This is the authors' golden rule when they choose texts and topics for every level of American English File. It ensures you get material that learners will enjoy reading and will want to talk about. Texts such as "Could you live without money?" really help to generate opinion and discussion. They create a desire to communicate. Having created the desire, American English File then helps you to develop learners' communication skills. One way it does this is with a strong focus on pronunciation. Research shows that poor pronunciation is a major contributor to breakdowns in communication (Jennifer Jenkins: The Phonology of English as an International Language). American English File integrates pronunciation into every lesson - the "little and often" approach. But that's not all. The unique English File Sounds Chart puts a picture to each sound in the phonetic alphabet, so learners find it easier to remember the sounds and, ultimately, improve their pronunciation.

Be A People Person

The course that gets students talking.

American English File 3E Level 5 Workbook

Presents a collection of activities to help foreign students learn English.

English File 2

Summit helps the high-intermediate learner continue to grow through a balanced development of both fluency and

accuracy. Summit offers a unique conversational syllabus and extensive opportunities for discussion, debate, presentations, and projects as well as contextualized grammar review, expansion, and practice. Summit prepares students for academic study through development of word skills, reading and listening skills and strategies, and critical thinking. MyEnglishLab for Summit is a powerful online learning tool for personalized practice and assessment.

American English File 3e Level 4 Workbook

American English File Second Edition retains the popular methodology developed by world-renowned authors Christina Latham-Koenig and Clive Oxenden: language + motivation = opportunity. With grammar, vocabulary, and pronunciation practice in every lesson, students are equipped with a solid foundation for successful speaking. Plus - an array of digital resources provides even more choice and flexibility. Students can learn in the classroom or on the move with Online Practice. language assessment. The first goal is to explore the difference between fairness and justice in language assessment. The authors distinguish internal and external dimensions of the equitable and just treatment of individuals taking language tests which are used as gatekeeping devices to determine access to education and employment, immigrant status, citizenship, and other rights. The second goal is to show how the extent of test fairness can be demonstrated and improved using the tools of psychometrics, in particular the models collectively known as Rasch measurement. "This book will have an enormous impact on the field of language assessment. Using Rasch analysis models to explore and identify sources of unfairness, the authors make a compelling case for fairness in the design and implementation of language assessment instruments and for justice in the interpretation and use of test results. A real strength of the book is that it guides readers through analytical techniques in an accessible way." Dan Douglas, Professor Emeritus, Applied Linguistics Program, Iowa State University.
