"The Impending Crisis of the South" by Hinton Rowan Helper. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Give Me Liberty! An American History

Brinkley, American History: Connecting with the Past UPDATED AP Edition, 2017, 15e, Student Edition

Lies My Teacher Told Me

Writing from diverse locations, contributors critically examine some of the key terms in current development discourse. The reflections included here raise major questions about how we think about development itself.

The American Pageant, Advanced Placement Edition

Why is the United States the only advanced capitalist country with no labor party? This question is one of the great enduring puzzles of American political development, and it lies at the heart of a fundamental debate about the nature of American society. Tackling this debate head-on, Robin Archer puts forward a new explanation for why there is no American labor party—an explanation that suggests that much of the conventional wisdom about "American exceptionalism" is untenable. Conventional explanations rely on comparison with Europe. Archer challenges these explanations by comparing the United States with its most similar New World counterpart—Australia. This comparison is particularly revealing, not only because the United States and Australia share many fundamental historical, political, and social characteristics, but also because Australian unions established a labor party in the late nineteenth century, just when American unions, against a common backdrop of industrial defeat and depression, came closest to doing something similar. Archer examines each of the factors that could help explain the

American outcome, and his systematic comparison yields unexpected conclusions. He argues that prosperity, democracy, liberalism, and racial hostility often promoted the very changes they are said to have obstructed. And he shows that it was not these characteristics that left the United States without a labor party, but, rather, the powerful impact of repression, religion, and political sectarianism.

The Impending Crisis of the South

USAs historie indtil 1996

Over Here

The New Encyclopedia of Southern Culture

'I was born in Tuckahoe I have no accurate knowledge of my age, never having seen any authentic record containing it. By far the larger part of the slaves know as little of their ages as horses know of theirs, and it is the wish of most masters within my knowledge to keep their slaves thus ignorant.' Thus begins the autobiography of Frederick Douglass (1818-1895) who was born into slavery in Maryland and after his escape to Massachusetts in 1838 became an ardent abolitionist and campaigner for women's rights. His Narrative, which became an instant bestseller on publication in 1845, describes his life as a slave, the cruelty he suffered at the hands of his masters, his struggle to educate himself and his fight for freedom. Passionately written, often using striking biblical imagery, the Narrative came to assume epic proportions as a founding anti-slavery text in which Douglass carefully crafted both his life story and his persona. This new edition examines Douglass, the man and the myth, his complex relationship with women and the enduring power of his book. It includes extracts from Douglass's primary sources and examples of his writing on women's rights. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Testing in American Schools

Includes the "AP Advantage 3-Step Solution, 1 Platform" formula for learning.

A Century of Dishonor

Published by OpenStax College, U.S. History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race,

class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

American Slavery, as it is

We often make judgments about good and bad, right and wrong. Philosophical ethics is the critical examination of these and other concepts central to how we evaluate our own and each others' behavior and choices. This text examines some of the main threads of discussion on these topics that have developed over the last couple of millenia, mostly within the Western cultural tradition. The book is designed to be used alone or alongside a reader of historical and contemporary original sources, and is freely available in web and digital formats at <https://press.rebus.community/intro-to-phil-ethics/>. If you are adopting or adapting this book for a course, please let us know on our adoption form for the Introduction to Philosophy open textbook series: https://docs.google.com/forms/d/e/1FAIpQLSdwf2E7bRGvWefjhNZ07kgpgnNFxVxxp-iidPE5gfDBQNGBGg/viewform?usp=sf_link. Cover art by Heather Salazar; cover design by Jonathan Lashley. One of nine books in the Introduction to Philosophy open textbook serie

United States History: Preparing for the Advanced Placement Examination, 2018 Edition

Evergreen: A Guide to Writing with Readings, Compact Edition

Speech delivered in the Senate condemning the Southern expansion of slavery and the force used in compelling Kansas to be a slave state. In the course of the speech, Sumner ridicules South Carolina Senator Andrew Butler.

Principles of Microeconomics 2e

Presents a multifaceted model of understanding, which is based on the premise that people can demonstrate understanding in a variety of ways.

AP U.S. History

Known for its clear, insightful analytical narrative and balanced approach, America's History, Concise Edition is a brief, affordable text that brings America's diverse past to life. The Concise Edition features the full narrative of the parent text, select images and maps, built-in primary sources and skills-based pedagogy that gives students practice in thinking historically.

America's History: Concise Edition

The American Spirit: United States History as Seen by

Contemporaries

EVERGREEN combines carefully crafted instruction, high-interest readings, and student models with numerous sequenced practices. This two-volume EVERGREEN COMPACT provides a convenient and portable alternative for instructors who prefer smaller-trim books for their students. The Evergreen Compact instruction book contains all instruction, writing assignments, art, and readings in the regular Evergreen Ninth Edition, but the practices have been moved to the Evergreen Compact Workbook; the workbook contains all practice exercises and visual images that relate to the practices. Each book has its own Annotated Instructor's Edition that provides answers and marginal annotations, Teaching Tips, ESL Tips, and Learning Styles Tips. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Good Years: From 1900 To The First World War [Illustrated Edition]

Includes more than 25 illustrations WALTER LORD NEVER STARTS FROM SCRATCH. For months before a word of this book was written, he could be found roaming the country, ferreting out the fascinating people who helped shape these years. One week it might be Elijah Baum, who piloted Wilbur Wright to his first lodgings at Kitty Hawk the next, and old fireman who fought the flames at San Francisco the next, some militant suffragette. Even in his raids on old diaries, letters, memoirs and newspapers, Mr. Lord usually headed straight for the scene. He was as likely to be found in an attic with a flashlight as at a desk with a pencil. That's why the book is full of such fresh discoveries: secret Pinkerton reports on a famous murder, unpublished notes left by McKinley's physician, the caterer's instructions for Mrs. Astor's ball, and many other factors unknown to the participants themselves. It's his loving attention to first-hand sources that makes Mr. Lord's books so vivid for the thousands who read them. Editorial Reviews: "Informative and entertaining although The Good Years is naturally and properly selective, it still achieves something of a panoramic effect." —The New York Times "[Lord uses] a kind of literary pointillism, the arrangement of contrasting bits of fact and emotion in such a fashion that a vividly real impression of an event is conveyed to the reader." —New York Herald Tribune "[Lord had] the extraordinary ability to bring the past to life." —Jenny Lawrence, author of The Way It Was: Walter Lord on His Life and Books

The Day of Doom

Brinkley's American History, a comprehensive U.S. History program, transforms the learning experience through proven, adaptive technology helping students better grasp the issues of the past while providing instructors greater insight on student performance. Known for its clear, single voice and balanced scholarship, Brinkley asks students to think historically about the many forces shaping and re-shaping our dynamic history. Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective.

The New England Way

ACT Preparation in a Flash

“Every teacher, every student of history, every citizen should read this book. It is both a refreshing antidote to what has passed for history in our educational system and a one-volume education in itself.” —Howard Zinn A new edition of the national bestseller and American Book Award winner, with a new preface by the author Since its first publication in 1995, *Lies My Teacher Told Me* has become one of the most important—and successful—history books of our time. Having sold nearly two million copies, the book also won an American Book Award and the Oliver Cromwell Cox Award for Distinguished Anti-Racist Scholarship and was heralded on the front page of the *New York Times*. For this new edition, Loewen has added a new preface that shows how inadequate history courses in high school help produce adult Americans who think Donald Trump can solve their problems, and calls out academic historians for abandoning the concept of truth in a misguided effort to be “objective.” What started out as a survey of the twelve leading American history textbooks has ended up being what the *San Francisco Chronicle* calls “an extremely convincing plea for truth in education.” In *Lies My Teacher Told Me*, James W. Loewen brings history alive in all its complexity and ambiguity. Beginning with pre-Columbian history and ranging over characters and events as diverse as Reconstruction, Helen Keller, the first Thanksgiving, the My Lai massacre, 9/11, and the Iraq War, Loewen offers an eye-opening critique of existing textbooks, and a wonderful retelling of American history as it should—and could—be taught to American students.

the Dominion of New England

Considers the implications of America's involvement in World War I for intellectuals, minorities, politicians, and economists.

Understanding by Design

Fast Track to A 5 Preparing for the AP United States History

Study guide and review for Advanced Placement United States History for the student serious about doing well in the course. It serves as a great resource either while going through the course, or at the end of the course as a review before the AP exam. This book is directly aligned with "American Pageant" (15th Edition) so the student will do as well as possible during the course. Included are detailed outlines. The outlines link directly to each chapter and to each chapter's sub-sections, thus making it great for a student taking U.S. History and using Bailey and Kennedy's "American Pageant" as his or her main text and who strives to excel in the course. Note: this is the ebook/epub/ipad version.

The Influence of Sea Power Upon History, 1660-1783

America's History

American Pageant

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

Washington's Farewell Address to the People of the United States, 1796

This volume of The New Encyclopedia of Southern Culture reflects the dramatic increase in research on the topic of gender over the past thirty years, revealing that even the most familiar subjects take on new significance when viewed through the lens of gender. The wide range of entries explores how people have experienced, understood, and used concepts of womanhood and manhood in all sorts of obvious and subtle ways. The volume features 113 articles, 65 of which are entirely new for this edition. Thematic articles address subjects such as sexuality, respectability, and paternalism and investigate the role of gender in broader subjects, including the civil rights movement, country music, and sports. Topical entries highlight individuals such as Oprah Winfrey, the Grimke sisters, and Dale Earnhardt, as well as historical events such as the capture of Jefferson Davis in a woman's dress, the Supreme Court's decision in Loving v. Virginia, and the Memphis sanitation workers' strike, with its slogan, "I AM A MAN." Bringing together scholarship on gender and the body, sexuality, labor, race, and politics, this volume offers new ways to view big questions in southern history and culture.

Introduction to Philosophy

Perfect for students preparing to take the 2018 AP U.S. History Examination. --
Publisher's website.

Catalog of Copyright Entries. Third Series

This detailed primary source reader focuses on political, diplomatic, and social history, presenting documents that include travel literature, religious sermons, newspaper articles, court testimony, and diary entries. An ideal companion for THE AMERICAN PAGEANT, the text can be used with any U.S. history survey text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Books and Pamphlets, Including Serials and Contributions to Periodicals

Introductory Statistics is designed for the one-semester, introduction to statistics

course and is geared toward students majoring in fields other than math or engineering. This text assumes students have been exposed to intermediate algebra, and it focuses on the applications of statistical knowledge rather than the theory behind it. The foundation of this textbook is Collaborative Statistics, by Barbara Illowsky and Susan Dean. Additional topics, examples, and ample opportunities for practice have been added to each chapter. The development choices for this textbook were made with the guidance of many faculty members who are deeply involved in teaching this course. These choices led to innovations in art, terminology, and practical applications, all with a goal of increasing relevance and accessibility for students. We strove to make the discipline meaningful, so that students can draw from it a working knowledge that will enrich their future studies and help them make sense of the world around them.

Coverage and Scope Chapter 1 Sampling and Data Chapter 2 Descriptive Statistics Chapter 3 Probability Topics Chapter 4 Discrete Random Variables Chapter 5 Continuous Random Variables Chapter 6 The Normal Distribution Chapter 7 The Central Limit Theorem Chapter 8 Confidence Intervals Chapter 9 Hypothesis Testing with One Sample Chapter 10 Hypothesis Testing with Two Samples Chapter 11 The Chi-Square Distribution Chapter 12 Linear Regression and Correlation Chapter 13 F Distribution and One-Way ANOVA

Why is There No Socialism In the United States

Narrative of the Life of Frederick Douglass, an American Slave

Principles of Microeconomics 2e covers the scope and sequence of most introductory microeconomics courses. The text includes many current examples, which are handled in a politically equitable way. The outcome is a balanced approach to the theory and application of economics concepts. The second edition has been thoroughly revised to increase clarity, update data and current event impacts, and incorporate the feedback from many reviewers and adopters. The text and images in this book are grayscale. The first (previous) edition of Principles of Microeconomics via OpenStax is available via ISBN 9781680920093.

The American Pageant

Our Country

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The

authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, “Contending Voices,” offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-41); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

U.S. History

Introductory Statistics

Provides a series of comprehensive lessons for the exam's English, math, reading, essay-writing, and science sections, sharing problem-solving strategies for a range of question types while offering numerous study and time-management tips. Original.
