Clotho the Fate

This Goddess Girls boxed set includes books #5–8 and comes with a customized sparkly bracelet! Join Athena, Persephone, Aphrodite, and Artemis as they navigate the halls of Mount Olympus Academy—where friendships and adventures abound! This boxed set comes complete with a rhinestone “G” charm bracelet and includes Athena the Wise, Aphrodite the Diva, Artemis the Loyal, and Medusa the Mean.

The Girl Games

Goddess Girls follows four goddesses-in-training – Athena, Persephone, Aphrodite, and Artemis– as they navigate the ins and outs of divine social life at Mount Olympus Academy, where the most privileged gods and goddesses of the Greco-Roman pantheon hone their mythical skills. In each book, readers get to see how each goddess became who we know today. These much-beloved classic myths are given a modern twist and follow storylines familiar to modern tweens, from dealing with bullies (Athena and Medusa) to first crushes (Persephone and Hades). Athena the Brain follows Athena's first days at Mount Olympus Academy. She always knew she was smart and special, but she didn't realize that she was a goddess! When she's whisked away to MOA, she worries about fitting in and dealing with her dad (Zeus). Luckily, she meets the Goddess Girls and finds the best friends she's ever had. In Persephone the Phony, Persephone develops a crush on bad-boy Hades. Her mom (Ceres) doesn't approve, and neither do her friends. Persephone finds herself sneaking around to see him, but he ultimately tells her that she should tell them the truth and it's revealed that he isn't all that bad, just misunderstood! The GG support her and eventually her mom comes around too. Aphrodite the Beauty features Aphrodite, goddessgirl of love, as she deals with jealousy after giving Athena a makeover (godboys pay more attention to her!), and dealing with a crush from an unlikely place -- the nerdy Hephaestus (god of the smith).

Plus, this is the fixed format version, which will look almost identical to the print version. Additionally for devices that support audio, this ebook includes a read-along setting.

This Little Trailblazer

Little Athena finds herself on a Wizard of Oz inspired adventure in this first Little Goddess Girls story—part of the Aladdin QUIX line! After a strange and sparkly storm carries her away from home, Athena finds herself in a land filled with magic, talking animals, and incredible objects with magical powers—the land of Mount Olympus! When Athena arrives, she's greeted by the talking Owlies and is paired with very special magical sandals—sandals with powers that Medusa, a green, snake-haired girl, wants for herself! A glowing goddess (of hearth and home) named Hestia appears and warns Athena that if Medusa gets her snakes on those sandals, she'll surely use its powers to make trouble for Mount Olympus! But Athena has more important things on her mind—like going back home! Determined to find her way back, Athena heads off on an adventure through the magical landscape of Mount Olympus to try and elude Medusa—and find her way back to the mortal world once and for all with the help of the great and powerful Zeus!

There are a few rules that the all-powerful Zeus has decreed for them, including a strict no-mingling with mortals policy. After Clotho discovers letterscrolls from unhappy mortals who don't love their fates, she wishes there was a way to try and earn their respect. During a secret trip to the Immortal Marketplace—where there is always a chance to run into mortals, too!—Clotho finds herself in over her head as she gets swept up in a competition to celebrate the opening a new store. A competition where her identity as a fate could be revealed at any moment! If that weren't enough, Clotho must face up to an old mistake she made several years ago that broke one of Zeus's other rules: Never interrupt the telling of a fate. It could mess up a mortal's whole life! Can Clotho manage to untangle the mess she has made while finding a way to bring the mortals and the Fates together?
