## **Dinner With A Perfect Stranger**

Lack of sleep, hormone overload, and a tiny human being that requires constant attention--it all conspires to extinguish a new mom's brain. What rises in its place is a brain that's fuzzy, and focused only on the basics: food, poop, and sleep. That, my friend, is a case of momnesia. This hilarious how-to guide, full of coping tips, brain boosters, diagrams, and anecdotes, can help moms reclaim their brains. More important, Momnesia also maintains a mom's sense of humor as she leaves her car keys in the freezer, forgets her husband's name, or accidentally runs over the diaper bag (again). Momnesia is a sweet and funny gift that's perfect for celebrating baby showers and congratulating new moms. \* Momnesia is packed with small bits of baby-themed humor, tips, quizzes, cartoons, lists, and more that empathize with the ups and downs of motherhood. \* It's a great companion book to the authors' work about breastfeeding, cleverly titled *If These Boobs Could Talk*. \* It's a fact: momnesia happens. In early 2008, CNN reported a study that found 82 percent of women claimed some type of absentmindedness during pregnancy and shortly after giving birth, including memory loss and an inability to concentrate.

## **The One and Only Ivan**

From a caretaker of newborns who's had years of hands-on experience with

celebrity clients—a practical and reassuring guide to the first three months with your new baby. Are you a new or soon-to-be new mother? Are you caught between self-doubt and conflicting parenting advice coming at you from every direction? Are you unsure who to trust—your mother, sister, friends, or “the experts”? Luiza DeSouza is here to help. Her best advice? Take your time, trust your maternal instincts, and choose a course that fits your needs—and your baby’s personality. For thirty years, Luiza has been helping new mothers navigate the skills, practices, and support it takes to start a family. For her, mothering is not about programs or techniques. Rather, it is about the connection between you and your new child. And for that reason, she believes that attitude is more important than approach. All mothers are different, but the three most important qualities remain the same for everyone: patience, openness, and attentiveness. Can being patient, open, and attentive guarantee that your baby will be a good sleeper or easy to feed? Of course not! But no matter what challenges your newborn brings, these three key qualities will help you rise to meet them. Like having your very own baby nurse right at your side, *Eat, Play, Sleep* is an indispensable guide to a good start and a happy, healthy first three months. —Learn the best methods for feeding your infant —Discover the secrets of “good sleepers” —Understand the importance of a predictable routine —How to use “play” to help establish a routine —Tips for introducing bathing and massage —How to deal with crying, especially if you have a “difficult-to-calm” baby And much more!

Candace's approach to yoga, which combines old-world principles with a modern-day perspective comes from her own experience fighting back against a dangerous illness and depression. Her focus on perseverance and overcoming adversity transforms Namaslay into a powerful, motivational guide to help you live your most

authentic life. With a distinct visual format, Namaslay guides readers step by step through more than 100 yoga poses. The poses are broken down by experience level into a series of progressions and include modifications for those who can't quite achieve the full expression of a pose just yet. Full-color photos and tips on overcoming common mistakes helps people get the most out of every pose. Namaslay also features three 30-day yoga programs that focus on: de-stress, core strengthening, and back pain. You will also find specific yoga sequences that are customized for everyone from the office dweller to the endurance athlete. Written with heart, humor, and swagger, Namaslay is a book for everyone, from beginners to advanced practitioners and even the simply curious. Namaslay's high-quality, edgy yet beautiful photographs add an artful flair that puts it in a class of its own—as appropriate for a coffee table as a yoga studio!

### **The Lists of the Past**

Bridesmaids today face an average expense of more than \$3,000 when they accept the invitation to be in a bridal party. Add in the cost of travel and lodging—which is increasingly becoming necessary, with the growing popularity of destination weddings—and that \$3,000 climbs to an even higher price tag. It's hard to say no when a friend asks you to be a part of their wedding, but in this economy, most bridesmaids just don't have the money to participate—not without ending up with a handful of maxed-out credit cards and a whole lot of resentment,

anyway. In *Bridesmaid on a Budget*, Sharon Naylor—the author of multiple best-selling budgeting books for brides—offers women advice on how to beat the system. Naylor gives tips on where to find the best, most affordable dresses and accessories; planning fantastic (but low-cost) showers and bachelorette parties; giving a great wedding gift without emptying your pocketbook; minimizing the extra expenses of a destination wedding; and more. For the almost 10 million women per year who become one, *Bridesmaid on a Budget* is an indispensable guide to being a brilliant bridesmaid—without breaking the bank.

### **Lippincott's Magazine of Popular Literature and Science**

It's late summer 1793, and the streets of Philadelphia are abuzz with mosquitoes and rumors of fever. Down near the docks, many have taken ill, and the fatalities are mounting. Now they include Polly, the serving girl at the Cook Coffeehouse. But fourteen-year-old Mattie Cook doesn't get a moment to mourn the passing of her childhood playmate. New customers have overrun her family's coffee shop, located far from the mosquito-infested river, and Mattie's concerns of fever are all but overshadowed by dreams of growing her family's small business into a thriving enterprise. But when the fever begins to strike closer to home, Mattie's struggle to build a new life must give way to a new fight—the fight to stay alive.

## **Bridesmaid on a Budget**

It was supposed to be a simple mission, assessing whether a merchant in the Israeli Diamond Exchange was involved in a scheme that could embarrass Israel. But nothing is simple in the world of intelligence, as Aaron Bergman should have known. Executing the operation as a contractor, he disappears without a trace. Pike Logan and his team are tracking an American arms dealer in Tel Aviv who may or may not be attempting to sell sensitive nuclear weapons components. When Pike's team breaks up an attempt at killing Shoshana, Aaron's partner, they stumble upon much more than they expected - a conspiracy to topple a democratic African country.

## **Momnesia**

Soon to be a major motion picture! Winner of the Newbery Medal and a #1 New York Times bestseller This stirring and unforgettable novel from renowned author Katherine Applegate celebrates the transformative power of unexpected friendships. Inspired by the true story of a captive gorilla known as Ivan, this novel is told from the point of view of Ivan himself. Having spent 27 years behind the glass walls of his enclosure in a shopping mall, Ivan has grown accustomed to humans watching him. He hardly ever thinks about his life in the jungle. Instead, Ivan occupies himself with television, his friends Stella and Bob, and painting. But when he meets Ruby, a baby elephant taken from the wild, he is forced to see their home, and his art, through new eyes. The One and Only Ivan was hailed as a best book of the year by Kirkus, School Library Journal, and Amazon, demonstrating it is a true classic in the making. In the tradition of timeless stories like Charlotte's Web

and Stuart Little, Katherine Applegate blends humor and poignancy to create Ivan's unforgettable first-person narration in a story of friendship, art, and hope. An author's note depicts the differences between the fictional story and true events. Plus don't miss The One and Only Bob, Katherine Applegate's return to the world of Ivan, Bob, and Ruby, coming in 2020!

### **Hiroshima**

Teenage Gerald, who has spent years protecting his fragile half-sister from their abusive father, faces the prospect of one final confrontation before the problem can be solved.

### **7 Little Words Book 2**

The timeless, fearless, #1 New York Times bestselling memoir from the author of The Lovely Bones—a powerful account of her sexual assault at the age of eighteen and the harrowing trial that followed, now with a new afterword by the author. In a memoir hailed for its searing candor, as well as its wit, Alice Sebold reveals how her life was transformed when, as an eighteen-year-old college freshman, she was brutally raped and beaten in a park near campus. What ultimately propels this chronicle of sexual assault and its aftermath is Sebold's indomitable spirit, as she

fighters to secure her rapist's arrest and conviction and comes to terms with a relationship to the world that has forever changed. With over a million copies in print, Lucky has touched the lives of a generation of readers. Sebold illuminates the experience of trauma victims and imparts a wisdom profoundly hard-won: "You save yourself or you remain unsaved." Now reissued with a new afterword by the author, her story remains as urgent as it was when it was first published eighteen years ago.

### **Out of My Mind**

This book is beautiful plus grown and sexy. It truly speaks to the soul. Amazingly outstanding and romantic in swagger. It's class and real from beginning to end. This is your handbook to the real world. This book brings poetry to life and puts love into play. If life had lyrics this is what they would look like. Experiencing the love world and reality, a poetry collection by Patrice a.k.a. Miss Lovelycool. Words are indeed powerful, and this book takes words to a whole new level. Reality and street at its best. What are you waiting for? You can purchase the book fans are so excited about!!!!

### **Experiencing the love world & reality**

## **Forged by Fire**

Get answers to all your cooking science questions, and cook tastier, more nutritious food using fundamental principles, practical advice, and step-by-step techniques. Where does the heat come from in a chili pepper? Why is wild salmon darker than farmed? Does searing meat really "seal in" the juices? A good recipe goes a long way, but if you can master the science behind it, you'll be one step ahead. Using full-color images, stats and facts through infographics, and an engaging Q&A format to show you how to perfect your cooking, *The Science of Cooking* brings food science out of the lab and into your kitchen. Topics include meat and poultry, seafood, dairy, pulses and grains, fruits, vegetables, spices, herbs, baked goods, and more, making it perfect for perfecting everyday cooking as well as for special meals.

### **The Day They Scrambled My Brains at the Funny Factory**

Hiroshima is the story of six people--a clerk, a widowed seamstress, a physician, a Methodist minister, a young surgeon, and a German Catholic priest--who lived

through the greatest single manmade disaster in history. In vivid and indelible prose, Pulitzer Prize-winner John Hersey traces the stories of these half-dozen individuals from 8:15 a.m. on August 6, 1945, when Hiroshima was destroyed by the first atomic bomb ever dropped on a city, through the hours and days that followed. Almost four decades after the original publication of this celebrated book, Hersey went back to Hiroshima in search of the people whose stories he had told, and his account of what he discovered is now the eloquent and moving final chapter of Hiroshima.

### **Halloween Trivia**

Culled from nearly three decades of popular Jumble(R) puzzles, the wide array of subjects in this collection represent the very best of puzzles. With over 500 of the word-scramble challenges included, the book will entertain and test even the most devote puzzle buster. For more than 40 years, millions of newspaper readers have delighted in solving Jumble(R), which appears in hundreds of national papers and in these puzzle books that offer hours of challenging wordplay and fun. Each page features a series of mixed-up words coupled with a cartoon clue, and one letter from each word is used to form the answer to the puzzle.

### **Fever 1793**

### **Welcome Baby Girl**

Who hasn't been on the receiving end of one of these gems: "I think maybe we should see other people." Or, "It's not you; it's me." What about the mother of all breakup lines, "I think we should just be friends"? Finally, the recently dumped have somewhere to turn thanks to the offbeat, write-in therapy of this book. Dynamic - and satiric - author, actor, and director Josh Lewis introduces Sam and Samantha, two desperate dumpees looking to find their way away from their exes - and back into the land of the living and dating! Then, it's up to you to help the two scorned lovers weed through a jungle of post-breakup mazes, word searches, crosswords, and more. Featuring a stiff dose of sarcasm and humor, chased by a shot of bitterness, this book promises to get any sorry Sam or sad-faced Samantha out of the dumps and back into the game (. . . so they can do it all over again.)

### **Namaslay**

Sold with their own gift envelopes, these books are full of quips and quotes to brighten anyone's day. An ideal way to encourage a special someone, say thanks, or commemorate a happy event.

## **Eat, Play, Sleep**

In selecting *The Lists of the Past* as her nomination for reissue, Cheryl Strayed was moved by "the intelligent, emotional depth and breadth" of the stories, all but two of which originally appeared in *The New Yorker*. Julie Hayden's *New York* hums with eccentric observation, humor and grit. Her leisurely Connecticut countryside is fresh with tilled soil, distant lapping waves and the summer breeze. Whether describing a child astonished with new perceptions, a distraught woman walking on Fifth Avenue with her concealed liquor flask, or a pair of lovers on a country picnic, her writing is ardent and precise, placing us at the center of her characters' lives and destinies. Her masterful voice and distinctive clarity show us the often concealed ways our pain and joy turn into knowledge.
