Dodge Omni, Horizon, and Rampage, 1978-89

The Chicago Great Western Railway (CGW) was a Midwestern line that operated in Illinois, Iowa, Missouri, Minnesota, Kansas, and Nebraska for 83 years. This book provides nostalgic images and photographs of the operations, employees, locomotives, and stations of a little railroad that is now only a memory.

Covers all models of Dodge Omni, Miser 024, Rampage, Charger, Shelby Charger, Plymouth Horizon, Miser, Scamp, TC3 and Turismo.

Chilton's Chrysler Dodge/Plymouth Repair Manual 1988-1992

For many people, a well-maintained automobile is a source of pride and peace of mind. But for others, the idea of routine maintenance is daunting. How to Make Your Car Last Forever will guide you through the minefield of preventative maintenance, repair, extended warranties, and magic elixirs that claim to cure everything from oil consumption to male-pattern baldness! Author, car repair expert, and host of satellite radio show America's Car Show with Tom Torbjornsen, Tom Torbjornsen has seen it all in his 40 years in the automobile industry. Let him show you how to extend the life of your car indefinitely. In How to Make Your Car Last Forever, he explains the what, when, and why's of automotive maintenance and repairs in easy-to-understand terms. Simple how-to projects supplement the learning with step-by-step instructions that will save you time and money. While you may not want your car to last forever, Torbjornsen's advice will help you preserve it indefinitely while maximizing resale value down the road. Preventative maintenance is the key to the automotive fountain of youth. Let Tom Torbjornsen

show you the way!

Current Events

This richly illustrated encyclopedia of classic and contemporary American railroads features concise histories of 101 U.S. and Canadian railroads past and present. Illustrated with period and modern photography in both color and black and white, evocative print ads, and system maps, each profile is also accompanied by one or more fact boxes offering details on the railroads' geographic scope, hardware, and freight and passenger operations. Spanning more than a century and a half, this giant compendium of "fallen flags," Class I behemoths, classic regional carriers, and transportation icons is sure to become the go-to compendium for railfans of all stripes.

Annual report of the board of directors to the stockholders

American Motorist

By the time it was merged into the Union Pacific in 1995, the Chicago & North Western was one of the nation's oldest surviving railroads, a testament to the Midwestern stoicism with which it had gone about its business since 1859. This illustrated history chronicles how C&NW emerged from a collection of regional

carriers to become a strategic link between eastern railroads and the West. Author Tom Murray traces the railroads expansion as it extended secondary lines throughout the Midwest. He also explores C&NWs joint ownership of UP passenger trains and describes how the railroad answered challenges from regional rivals with the "400" series of passenger trains. As fascinating as the story are the hundreds of accompanying illustrations--historical photographs, archival images, route maps, and period print ads. The result is an entertaining and informative history of an iconic Midwestern railroad--a narrative that spans the decades from the 1850s to the 1990s and takes in steam and diesel motive power, freight and passenger operations, and all the key characters, events, and deals that figured in the Chicago & North Westerns rise and eventual demise.
