The Brother of Jesus and the Lost Teachings of Christianity

A sequel to Dougy, Gracey continues the story of Gracey and her two brothers, young Aborigines in a small country town.

KJV, Reference Bible, eBook

Reveals the true role of James, the brother of Jesus, in early Christianity • Uses evidence from the canonical Gospels, apocryphal texts, and the writings of the Church Fathers to reveal the teachings of Jesus as transmitted to his chosen successor: James • Demonstrates how the core message in the teachings of Jesus is an expansion not a repudiation of the Jewish religion • Shows how James can serve as a bridge between Christianity, Judaism, and Islam James has been a subject of controversy since the founding of the Church. Evidence that Jesus had siblings contradicts Church dogma on the virgin birth, and James is also a symbol of Christian teachings that have been obscured. While Peter is traditionally thought of as the leader of the apostles and the “rock” on which Jesus built his church, Jeffrey Bütz shows that it was James who led the disciples after the crucifixion. It was James, not Peter, who guided them through the Church's first major theological crisis--Paul's interpretation of the teachings of Jesus. Using the canonical Gospels, writings of the Church Fathers, and apocryphal texts, Bütz argues that James is the most overlooked figure in the history of the Church. He shows how the core teachings of Jesus are firmly rooted in Hebraic tradition; reveals the bitter battles between James and Paul for ideological supremacy in the

early Church; and explains how Paul's interpretations, which became the foundation of the Church, are in many ways its betrayal. Bütz reveals a picture of Christianity and the true meaning of Christ's message that are sometimes at odds with established Christian doctrine and concludes that James can serve as a desperately needed missing link between Christianity, Judaism, and Islam to heal the wounds of centuries of enmity.

The Nursery Rhymes of England

When ten-year-old James' gang initiation endangers his six-year-old brother Isaac, they find the courage to say, "Thanks, but no thanks."

Amazonia

In *Drawn*, a mysterious little boy has begun appearing in the paintings of an artist who can't remember ever actually seeing him. A partially blind, disfigured agoraphobic who suffers crippling panic attacks if he even tries to leave his apartment is forced out by an unseen entity. A lonely widower begins to suffer terrifying nightmares that his long-missing, presumed-dead son is still alive and in mortal danger. A young runaway realizes that a man he thought was his traveling companion is actually his captor and a predator. The lives of four very different people, driven by different but very powerful forces, crash together as they fight to solve their individual mysteries, to defeat a brutal enemy, and to save the life of an innocent boy. Author's note: This book contains some adult language and subject matter.

Out of the Dust

Thirteen-year-old Giles, a New York City boy who feels invisible next to his talented younger sister and smart older brother, comes to the rescue when space aliens from an intergalactic realty company arrive and try to evict humans for polluting the world.

The Bones of Wolfe

"Off the coast of Brazil, a team of scientists discovers a horror like no other, an island where all life has been eradicated, consumed, and possessed by a species beyond imagination. Before they can report their discovery, a mysterious agency attacks the group, killing them all, save one: an entomologist, an expert on venomous creatures, Professor Ken Matsui from Cornell University. Strangest of all, this inexplicable threat traces back to a terrifying secret buried a century ago beneath the National Mall: a cache of bones preserved in amber"--

Drawn

A war is coming, a battle that will stretch from the prehistoric forests of the ancient past to the cutting-edge research labs of today, all to reveal a true mystery buried deep within our DNA, a mystery that will leave readers changed forever . . . In this groundbreaking masterpiece of ingenuity and intrigue that spans 50,000 years in

human history, New York Times bestselling author James Rollins takes us to mankind's next great leap. But will it mark a new chapter in our development . . . or our extinction? In the remote mountains of Croatia, an archaeologist makes a strange discovery: a subterranean Catholic chapel, hidden for centuries, holds the bones of a Neanderthal woman. In the same cavern system, elaborate primitive paintings tell the story of an immense battle between tribes of Neanderthals and monstrous shadowy figures. Who is this mysterious enemy depicted in these ancient drawings and what do the paintings mean? Before any answers could be made, the investigative team is attacked, while at the same time, a bloody assault is made upon a primate research center outside of Atlanta. How are these events connected? Who is behind these attacks? The search for the truth will take Commander Gray Pierce of Sigma Force 50,000 years into the past. As he and Sigma trace the evolution of human intelligence to its true source, they will be plunged into a cataclysmic battle for the future of humanity that stretches across the globe . . . and beyond. With the fate of our future at stake, Sigma embarks on its most harrowing odyssey ever—a breathtaking quest that will take them from ancient tunnels in Ecuador that span the breadth of South America to a millennia-old necropolis holding the bones of our ancestors. Along the way, revelations involving the lost continent of Atlantis will reveal true mysteries tied to mankind's first steps on the moon. In the end, Gray Pierce and his team will face to their greatest threat: an ancient evil, resurrected by modern genetic science, strong enough to bring about the end of man's dominance on this planet. Only this time, Sigma will falter—and the world we know will change forever.

Blood & Bones

With a bit of imagination and a heavy dose of artistic talent, Minecraft blocks can be used to build almost anything. But as you'll see, some artists are taking Minecraft building to a whole new level. Beautiful Minecraft is a compendium of stunning artwork built in Minecraft. Using millions of blocks and spending hundreds of hours, these artists have created floating steampunk cities, alien worlds, detailed classical sculptures, fantastical landscapes, architectural marvels, and more. The results are simply beautiful.

Brothers and Bones

From New York Times bestselling authors James Rollins and Rebecca Cantrell comes a dark story of murder, mystery, and a brotherhood steeped in a bloody past. As a young reporter, Arthur Crane exposed the secrets behind the Orchid Killer, a cult murderer from the late '60s whose crimes blackened the end of the Summer of Love. Half a century later, Arthur wakes to find an orchid resting on his pillow, a symbol of death from a killer connected to his estranged younger brother, Christian. To discover the horrifying truth, Arthur will risk all—even his very soul—for Christian may not be the brother that Arthur remembers... Included with this chilling story is a sneak peek at *Innocent Blood*, the second book in the Order of the Sanguines Series.

The Prettiest One

Despite spilled blood and broken bones, from the ashes Blood Fury will once again rise. Trip, son of the former president of the Blood Fury MC, is determined to resurrect his dead father's destroyed club. It'll be a long, difficult road as the new president attempts to rebuild the club from the cold ashes left behind. Bad blood and bitter memories are only some of the obstacles Trip has to overcome. The local police department, Manning Grove PD, is another, since they don't want to see their small town once again overrun by outlaw bikers. Then there's Stella, a local bar owner and a major distraction Trip doesn't need, but can't resist, even though she gives him every reason to. She's tough, she's broken, and the last thing she wants in her life is a man like him. In the end, Trip has to decide if the war is worth fighting. And if Stella is the warrior he needs battling by his side. Blood & Bones: Trip is the first book in the Blood Fury MC series. As always, this book has no cheating, no cliffhanger and has an HEA. While it's recommended to read my Brothers in Blue series first, it's not necessary.

The Demon Crown

»Danke, Wiley.« Vier Silben, die das Leben des jungen Staatsanwalts Charlie Beckham von Grund auf verändern. Denn den Spitznamen, bei dem ihn der Obdachlose in der U-Bahn nennt, kannte nur einer – sein Bruder Jake. Der investigative Journalist verschwand vor vielen Jahren spurlos. Weiß der Fremde, was damals mit ihm passierte? Ist Jake vielleicht sogar noch am Leben? Charlies Suche führt ihn in die finstersten Gassen Bostons, denn nur die skrupellosesten Männer der Stadt können ihm Antworten auf all seine Fragen geben

The River Murders

Blood & Bones

"A complex, entertaining thriller," "with a crackerjack cast, pitch-perfect dialogue and action scene posed exquisitely between menace and chaos." -- Kirkus Reviews (starred review) (named to Kirkus Reviews Best Books of 2013) Charlie Beckham is a rising star among federal prosecutors until, on the morning of the most important court day of his career, a deranged homeless man turns Charlie's life upside down with a single word. He calls Charlie by a secret nickname known by only one other person in the world--Charlie's brother Jake, who went missing thirteen years ago. Charlie has a hundred questions but the homeless man disappears before Charlie can ask a single one. So begins Charlie's search for answers, and for his brother, a search that leads him down Boston's darkest streets, into its blackest alleys, and, finally, into its criminal underworld. But if Charlie wants answers he'll have to get them from some of the most feared and ruthless people in the city. Author's note: This book contains some adult language and violence.

Brothers in Blue

"Gripping...a first-rate nail biter." —Tampa Tribune James Rollins—the author of The Doomsday Key, The Last Oracle, The Judas Strain, Black Order, and other pulse-

pounding, New York Times bestsellers—carries readers into the heart of darkness in his classic thriller, *Amazonia*. Lincoln Child, New York Times bestselling co-author (with Douglas Preston) of *Cemetery Dance* and other Agent Pendergast thrillers, raves, “*Amazonia* grabs you by the throat and refuses to let go until the very last page is turned.”

KJV, The King James Study Bible, Ebook, Full-Color Edition

Revenge isn't always sweet, but it sure can be satisfying. Sig never wanted to return to Manning Grove since it didn't hold any good memories. Growing up a part of the Blood Fury MC ended up being a disaster and screwed up his life, which led to him spending most of it in and out of jail. But now he's not only back, he's sitting at the table as VP next to Trip, his half-brother who has resurrected the MC from the ashes. Still bitter about what went down twenty years ago, he's now trying to move past it and stay out of jail for good. Until he finds a beaten and abused woman running through the woods, trying to escape her captors. Now all he can think about is revenge on the Shirley Clan, a group of sovereign citizens who follow no laws but their own. And if he isn't careful, he might end up right back where he vowed to never go again. Behind bars. Note: *Blood & Bones: Sig* is the second book in the Blood Fury MC series. As always, this book has no cheating, no cliffhanger and has an HEA. It's recommended to read this series in order.

The Heart of the Matter

Never trust a blackmailer. Vermont's promising young governor, Andrew Kane, is at another public meet-and-greet when a stranger from the crowd slips him a cell phone and whispers, "Keep this with you. You're going to need it after the arrest." Hours later, Andrew's brother, Tyler, is taken into custody--framed for the brutal murder of a young woman--and Andrew discovers there is only one way to free him: answer the mysterious phone and agree to a blackmailer's demands. All the governor has to do to make it all go away is compromise everything he stands for and grant a full pardon to a convicted felon. With no better option, he complies. Which is his first mistake because the stranger isn't through with him. He has another little condition. Then another. And another. And Andrew has no choice but to play along until he can find a way out of this personal and political nightmare. But he isn't prepared for what he will face, or how far he will have to go to save his brother and keep his family together.

Brothers

During a crowded service at a cathedral in Germany, armed intruders in monks' robes unleash a nightmare of blood and destruction. But the killers have not come for gold; they seek a more valuable prize: the bones of the Magi who once paid homage to a newborn savior . . . a treasure that could reshape the world. With the Vatican in turmoil, SIGMA Force leaps into action. An elite team of scientific and Special Forces operatives under the command of Grayson Pierce and accompanied by Lieutenant Rachel Verona of Rome's carabinieri, they are pursuing a deadly mystery that weaves through sites of the Seven Wonders of the World and ends at the doorstep of an ancient, mystical, and terrifying secret order. For there are

those with dark plans for the stolen sacred remains that will alter the future of humankind . . . when science and religion unite to unleash a horror not seen since the beginning of time.

Dear Edward

NEW YORK TIMES BESTSELLER • #ReadWithJenna Book Club Pick as Featured on Today • A “dazzling” novel that “will break your heart and put it back together again” (J. Courtney Sullivan, bestselling author of *Saints for All Occasions*) about a young boy who must learn to go on after surviving tragedy “A reading experience that leaves you profoundly altered for the better . . . Don’t miss this one.”—Jodi Picoult, bestselling author of *Small Great Things* and *A Spark of Light* What does it mean not just to survive, but to truly live? One summer morning, twelve-year-old Edward Adler, his beloved older brother, his parents, and 183 other passengers board a flight in Newark headed for Los Angeles. Among them are a Wall Street wunderkind, a young woman coming to terms with an unexpected pregnancy, an injured veteran returning from Afghanistan, a business tycoon, and a free-spirited woman running away from her controlling husband. Halfway across the country, the plane crashes. Edward is the sole survivor. Edward’s story captures the attention of the nation, but he struggles to find a place in a world without his family. He continues to feel that a part of himself has been left in the sky, forever tied to the plane and all of his fellow passengers. But then he makes an unexpected discovery—one that will lead him to the answers of some of life’s most profound questions: When you’ve lost everything, how do you find the strength to put one foot in front of the other? How do you learn to feel safe again? How do you find meaning in your life? *Dear Edward* is at once a transcendent coming-of-age story, a multidimensional portrait of an unforgettable cast of characters, and a breathtaking illustration of all the ways a broken heart learns to love again. Praise for *Dear Edward* “*Dear Edward* made me think, nod in recognition, care about its characters, and cry, and you can’t ask more of a novel than that.”—Emma Donoghue, New York Times bestselling author of *Room* “Weaving past and present into a profoundly beautiful, page-turning story of mystery, loss, and wonder, *Dear Edward* is a meditation on survival, but more important, it is about carving a life worth living. It is about love and hope and caring for others, and all the transitory moments that bind us together.”—Hannah Tinti, author of *The Twelve Lives of Samuel Hawley* and *The Good Thief*

Unrestricted Access

Meet the men of Manning Grove, three small-town cops and brothers, who meet the women who will change the rest of their lives. This is Marc's story Officer Marc Bryson doesn't believe women should be in law enforcement. Ever. When his older brother, Max, is promoted to the small town's police chief the first thing he does is hire a woman fresh out of the academy. Then makes Marc her Field Training Officer. Determined to follow in her late father's footsteps, Leah Grant has the moxie to break any glass ceiling that stands in the way from becoming a police officer. Even if that means proving to her coach—who only wants her in his bed and not in the field—she's worthy of being a permanent member of the force. Working in a man's world, Leah challenges Marc's misconceptions about women in the line of duty. But as they struggle to separate their work life from their undeniable

chemistry, things continue to steam up and get a little kinky. These two officers of the law must toe the line after being caught red-handed. In the end, can Leah prove to Marc that she is good as backup as well as in bed?

KJV, Holy Bible, eBook

Jesus: His Story in Stone is a reflection on still-existing stone objects that Jesus would have known, seen, or even touched. Each of the seventy short chapters is accompanied by a photograph taken on location in Israel. Arranged chronologically, the one-page meditations compose a portrait of Christ as seen through the significant stones in His life, from the cave where He was born to the rock of Calvary. While packed with historical and archaeological detail, the book's main thrust is devotional, leading the reader both spiritually and physically closer to Jesus.

Blood Brothers

In the newest Wolfe-family adventure from James Carlos Blake, Rudy and Frank Wolfe are engaging in routine miscellaneous business—some legitimate and some less so—for their family when they stumble upon a stash of high-quality pornographic films in a raid. The plot thickens when their Aunt Catalina, the family matriarch aged 115, recognizes a resemblance to her long-lost sister in one of the young performers. Catalina tasks the boys with tracking the girl down, however improbable a connection may be. This proves to be no simple task. Soon, Rudy and Frank find themselves moving away from world of porn and towards the upper echelons of the Sinaloa drug cartel, where the mysterious woman has become a particular favorite of the head narco. For their aunt, the woman, and themselves, Frank and Rudy must find a way to extract her from the cartel. A tropical storm threatens their plan but their widespread and steadfast family stands ready to assist them every deadly mile of the way. Ever daring and innovative, and assisted by the family's ready resources, the Wolfe brothers must run the highest risks in order to achieve the mission assigned them by the Grande Dame.

A Blood Thing

Pastors and church leaders stand ready to meet the needs of their flocks. And Thomas Nelson's beautiful and durable KJV Minister's Bible is here to help. With sermons, readings, outlines, prayers, and more, this Bible is a one-stop resource, offering direction for weddings, funerals, communion and baptism services, confirmations, dedications, and a variety of other pastoral care situations. Features include: Complete text of the timeless King James Version, perfect for all devotional and worship settings A comprehensive collection of pastoral resources, located between the Testaments--prayers, sermons, outlines, and more

Resurrecting the Brother of Jesus

Jameson O'Rourke owns the primo tattoo shop in town, one he's worked hard to build. And in his industry, he's the current 'it' boy, the reigning King of Ink. His career is on fire, so hot television has even come calling. And as a result, the town

bad-boy has now become the town's favored son. Ava Hightower needs his face on her flyers, if she is to have any hope of her charity gala and bachelor auction being a success. Unfortunately, they get along like oil and water. He's a hardheaded, controlling jerk, and she's already had one run-in with the man. Asking him, of all people, for help is the last thing she wants to do. Not exactly a match made in heaven. Jameson doesn't think too highly of Miss Hightower, either. To him, she's just an uptight, stuck-up know-it-all; a little Miss Goody-two-shoes. Not in a million years was she the type that he'd have anything to do with. Unfortunately she is also on the city council, and therefore has the ability to screw with his business. He needed her help once before, and she shot him down. Now the tables are turned, and she needs his help. Well, my, my, sweetheart, karma can be a cold-hearted bitch. But, hey, maybe he could work this to his advantage. You scratch my back, I'll scratch yours, and all that crap. So they cut a deal. One he has no intention of ever having to fulfill, because he plans to make it impossible for her to keep her end of it. She thought she could outlast him. Guess again, sweet thing. She may be a stubborn woman, but she's met her match. And he has no intention of letting her win this game. Be warned, sweetheart, because the King of Ink has plans to push your limits in ways you've never imagined. This new series from Nicole James, author of the Evil Dead MC Series biker romance is a new addition to the bad boy romance genre with her hot, alpha, dominant men. It's bad boy romance in the tradition of Kristen Ashley, Joanna Wylde and Madeline Sheehan.

Kingdom of Bones

Brothers in Blue: Max

When Caitlin Sommers finds herself alone in a deserted parking lot with blood on her clothes and no memory of the past few months, it seems like one of the nightmares that have tormented her for years but it's all too real. Desperate to learn the truth about where she's been and what has happened to her but terrified of what she may find, Caitlin embarks on a search for answers. Her journey takes her from the safe suburban world she knows to a seedy town she's never heard of, where a terrible truth from her past lies hidden--a truth she can't quite remember yet can't completely forget.

The Bone Labyrinth

Meet the men of Manning Grove, three small-town cops and brothers, who meet the women who will change the rest of their lives. This is Max's story Big city party-girl Amanda Barber has been spoiled most of her life. But life for Amanda suddenly becomes a major challenge: adapting to small-town life, dealing with her special needs brother, and constantly butting heads with a frustrating local cop. As a police officer and former Marine, "responsibility" is Max Bryson's middle name. Never having been in a serious relationship, he has no plans for one in the near future. He likes being his own man. And even if he were interested in a serious relationship, he certainly wouldn't choose someone so immature and irresponsible as Amanda. But no matter how hard he tries, he can't get sexy Amanda out of his head or his heart. Watching her mature in front of his eyes, his protectiveness towards her only strengthens. Bossy and possessive aren't the only words Amanda uses to describe this frustrating cop. She can't deny just looking at the man makes her tremble. But she's done with having anyone control her and this man isn't going to be any different. Or is he? Note: This is a full-length novel and can be read as a standalone. No cliffhangers and it has an HEA.

Blackamundo!

"I hold this book to be the most important expression which the present age has found; it is a book to which we are all indebted, and from which none of us can escape." T.S. Eliot Ulysses depicts a day in Leopold Bloom's life, broken into episodes analogous to Homer's Odyssey and related in rich, varied styles. Joyce's novel is celebrated for its depth of learning, earthy humor, literary allusions and piercing insight into the human heart. First published in Paris in 1922 Ulysses was not published in the United States until 1934. Immediately recognized as an extraordinary work that both echoed the history of English literature and took it in new, unheralded directions, Joyce's book was controversial. Its widespread release was initially slowed by censors nitpicking a few passages. The novel is challenging, in that it is an uncommon reader who will perceive all that Joyce has put into his pages upon first reading, but it is uniquely rewarding for anyone willing to follow where the author leads. Far more than a learned exercise in literary skill, Ulysses displays a sense of humor that ranges from delicate to roguish as well as sequences of striking beauty and emotion. Chief among the latter must be the novel's climactic stream of consciousness step into the mind of the protagonist's wife, Molly Bloom, whose open-hearted acceptance of life and love is among the most memorable and moving passages in English literature. With an eye-catching new cover, and professionally typeset manuscript, this edition of Ulysses is both modern and readable.

Map of Bones

Enjoy the beauty and poetry of the King James Version Bible in this intuitive, searchable eBook edition. The font is crisp and clear, and readability is great on both E-Ink® screens and color screens. With fast page turns and a numbered footnoting system that allows you to easily jump from Bible text to footnote and back again, as well as a "How to Use This Bible" page, navigating the King James Version Bible has never been easier. Read the Bible on your device just as if you were reading a physical book. Make the King James Version eBook one of your favorite reads today.

Jameson

From #1 New York Times bestselling author James Rollins, the latest riveting, deeply imaginative thriller in the Sigma Force series, told with his trademark blend of cutting-edge science, historical mystery, and pulse-pounding action. It begins in Africa . . . A United Nations relief team in a small village in the Congo makes an alarming discovery. An unknown force is leveling the evolutionary playing field. Men, women, and children have been reduced to a dull, catatonic state. The environment surrounding them--plants and animals--has grown more cunning and predatory, evolving at an exponential pace. The insidious phenomenon is spreading from a cursed site in the jungle -- known to locals as the Kingdom of Bones --and sweeping across Africa, threatening the rest of the world. What has made the biosphere run amok? Is it a natural event? Or more terrifyingly, did someone engineer it? Commander Gray Pierce and Sigma Force are prepared for the extraordinary and have kept the world safe, vigilance for which they have paid a tragic personal price. Yet, even these brilliant and seasoned scientific warriors do not understand what is behind this frightening development--or know how to stop it. As they race to find answers, the members of Sigma quickly realize they have become the prey. To head off global catastrophe, Sigma Force must risk their lives to uncover the shattering secret at the heart of the African continent--a truth that will illuminate who we are as a species and where we may be headed . . . sooner than we know. Mother Nature--red in tooth and claw--is turning against humankind, propelling the entire world into the Kingdom of Bones.

A Very Stable Genius

Acclaimed author Karen Hesse's Newbery Medal-winning novel-in-verse explores the life of fourteen-year-old Billie Jo growing up in the dust bowls of Oklahoma.

Beautiful Minecraft

Experience the exciting breadth of #1 New York Times bestselling author James Rollins's wild imagination and adventurous spirit in this anthology of his short masterworks, including a new full-length novella featuring Captain Tucker Wayne and his military war dog, Kane, as well as eleven previously published short stories, gathered together for the first time. In this breathtaking collection of short fiction, his first ever anthology, James Rollins brings together twelve thrilling stories that dig a little deeper into his creative stomping grounds and open vistas into new landscapes and characters. At the center of Unrestricted Access is the never-before-published novella "Sun Dogs." While trekking through the Sonora desert, a

gunshot thrusts Tucker and Kane into an adventure that challenges their considerable skills. The discovery of secrets known only to the native tribes of Arizona threatens to unleash an ancient force that could irreparably alter the future. It also forces Tucker to make a terrible choice that will shatter his relationship with his soul-bonded companion Kane. As these partners learn, nothing remains buried forever and old debts must be paid, no matter the cost. Other stories—each with an introduction by James Rollins—are just as compelling, offering broader insight into this acclaimed master’s fictional universes, including: “The Pit”: a young dog is kidnapped and brutalized into becoming the bloody champion of a dog-fighting ring. But can this tortured monster find redemption and a path back to the boy who first raised him with love and compassion? “Tagger”: A pair of teenage street artists must protect San Francisco from a demon who has been seeking revenge for centuries. “The Devil’s Bones”: In this jungle adventure—the first joint story from Rollins and Steve Berry—Commander Gray Pierce and Cotton Malone must work together using their unique skills to survive a deadly threat. The stories “The Midnight Watch,” “The Skeleton Key,” “Tracker,” and “Kowalski’s in Love” shine light into some of Sigma Force’s secrets. Who were these characters before they were recruited by Sigma? What solo adventures did they experience? How do these short adventures tie into the larger Sigma universe? Rollins offers some clues. And rounding out this collection are a pair of entertaining stories “Blood Brothers” and “City of Screams” that complement The Order of the Sanguines series. Filled with adventure, intrigue, history, and speculative science, *Unrestricted Access* demonstrates Rollins’s remarkable creative powers and is a must-have collection for his many fans.

You Can't Have My Planet

Washington Post national investigative reporter Carol Leonnig and White House bureau chief Philip Rucker, both Pulitzer Prize winners, provide the definitive insider narrative of Donald Trump's unique presidency with shocking new reporting and insight into its implications. "I alone can fix it." So went Donald J. Trump's march to the presidency on July 21, 2016, when he accepted the Republican presidential nomination in Cleveland, promising to restore what he described as a fallen nation. Yet over the subsequent years, as he has undertaken the actual work of the commander in chief, it has been hard to see beyond the daily chaos of scandal, investigation, and constant bluster. It would be all too easy to mistake Trump's first term for one of pure and uninhibited chaos, but there were patterns to his behavior and that of his associates. The universal value of the Trump administration is loyalty - not to the country, but to the president himself - and Trump's North Star has been the perpetuation of his own power, even when it meant imperiling our shaky and mistrustful democracy. Leonnig and Rucker, with deep and unmatched sources throughout Washington, D.C., tell of rages and frenzies but also moments of courage and perseverance. Relying on scores of exclusive new interviews with some of the most senior members of the Trump administration and other firsthand witnesses, the authors reveal the forty-fifth president up close, taking readers inside Robert Mueller's Russia investigation as well as the president's own hap-hazard but ultimately successful legal defense. Here for the first time certain officials who have felt honor-bound not to publicly criticize a sitting president or to divulge what they witnessed in a position of trust tell the truth for the benefit of history. This peerless and gripping narrative reveals

President Trump at his most unvarnished and exposes how decision making in his administration has been driven by a reflexive logic of self-preservation and self-aggrandizement - but a logic nonetheless. This is the story of how an unparalleled president has scrambled to survive and tested the strength of America's democracy and its common heart as a nation.

Gracey

Here is a tapestry of stories about the complex and unique relationship that exists between brothers. In this book, some of our finest authors take an unvarnished look at how brothers admire and admonish, revere and revile, connect and compete, love and war with each other. With hearts and minds wide open, and, in some cases, with laugh-out-loud humor, the writers tackle a topic that is as old as the Bible and yet has been, heretofore, overlooked. Contributors range in age from twenty-four to eighty-four, and their stories from comic to tragic. Table of Contents:Foreword ("Frank McCourt").Civil War ("Benjamin and Fred Cheever").Missing Parts ("David Kaczynski").The Sensations of Jim ("David Maraniss").My Brother, Life (with Apologies to Pasternak) ("Phillip Lopate").Secrets and Bones ("Mikal Gilmore").We Were Men ("Richard Ford").American Beauty ("Ethan Canin").Doing Time ("John Edgar Wideman").My Brother's a Keeper ("Chris Bohjalian").Headlock ("Daniel Menaker").A Drinking Life ("Pete Hamill").You Can't Kill the Rooster ("David Sedaris").Heavy Lifting ("Geoffrey Wolff").A Brother's Story ("Tobias Wolff").Documents ("Charles D'Ambrosio").Get Away from Me ("Jim Shepard").The Scarlet Ibis ("James Hurst").The Roberts Boys ("Steven V. Roberts").A Death in the Family ("Dominick Dunne").Jambon Dreams ("Floyd Skloot").Imagining Robert ("Jay Neugeboren").King of the Cleveland Beatniks ("Herbert Gold").The Accident ("Gregory Orr").Sacraments of Reconciliation ("Jerald Walker").Chang and Eng ("Darin Strauss").Brothers on Brotherhood ("Nathaniel Rich and Simon Rich").About the Editor and Contributors.Acknowledgments.Sources and Permissions.

Brothers and Bones - Blutige Lügen

The King James Study Bible, Full-Color Edition is the most complete and comprehensive KJV study Bible available. Comprehensive book introductions, doctrinal articles, study notes, commentaries, personality profiles, word studies, and archaeological insights will help you experience the riches of God's Word. The full-color design, Holy Land images, classic works of art, charts, and maps further enhance your Bible reading experience. With all these features, plus special subject indexes, Christ's words in red, and an extensive concordance, no other KJV Bible offers more to students of the Holy Bible. Features include: Time-honored KJV Bible text Center-column references with translation notes Beautiful full-color pages and features Hundreds of full-color maps, images, and charts 5,700 authoritative and time-tested study notes Over 100 archaeological notes Over 100 Personality Profiles highlighting important figures in Scripture More than 200 notes on important Christian doctrines Book introductions and outlines Indexes and word-study concordance

An assistant police commissioner in a West African coastal town lets passion overrule his honor

Jesus: His Story in Stone

Sometimes figuring out the truth means going to the point of no return. For Mitchum, returning isn't something he concerns himself with. **HIDDEN:** Rejected by the Navy SEALs, Mitchum is content to be his small town's unofficial private eye, until his beloved 14-year-old cousin is abducted. Now he'll call on every lethal skill to track her down – but nothing is what it seems **MALICIOUS:** Mitchum's brother has been charged with murder. Nathaniel swears he didn't kill anyone, but word on the street is that he was involved with the victim's wife. Now, Navy SEAL dropout Mitchum will break every rule to expose the truth – even if it destroys the people he loves. **MALEVOLENT:** Mitchum has never been more desperate. One by one his loved ones have become victims of carefully staged attacks. There's only one way to stop the ruthless mastermind intent on destroying everyone around him – to go on the most dangerous hunt of his life.

KJV, Minister's Bible, Ebook

In 2002 a burial box of skeletal remains purchased anonymously from the black market was identified as the ossuary of James, the brother of Jesus. Transformed by the media into a religious and historical relic overnight, the artifact made its way to the Royal Ontario Museum in Toronto, where 100,000 people congregated to experience what had been prematurely and hyperbolically billed as the closest tactile connection to Jesus yet unearthed. Within a few months, however, the ossuary was revealed to be a forgery. *Resurrecting the Brother of Jesus* offers a critical evaluation of the popular and scholarly reception of the James Ossuary as it emerged from the dimness of the antiquities black market to become a Protestant relic in the media's custody. The volume brings together experts in Jewish archaeology, early Christianity, American religious history, and pilgrimage to explore the theory and practice couched in the debate about the object's authenticity. Contributors explore the ways in which the varying popular and scholarly responses to the ossuary phenomenon inform the presumption of religious meaning; how religious categories are created, vetted, and used for various purposes; and whether the history of pious frauds in America can help to illuminate this international episode. *Resurrecting the Brother of Jesus* also contributes to discussions about the construction of religious studies as an academic discipline and the role of scholars as public interpreters of discoveries with religious significance. AUTHOR'S NOTE: All proceeds relating to **BLACKAMUNDO!** (net of essential fees) will be directed toward reading for children whose circumstances have robbed them of the intellectual nourishment that all children need. America must recapture

and revive the spirit and practices of Booker T. Washington, according to a longtime educator/adviser who places Frederick Douglass and Martin Luther King, Jr. alongside BTW at the pinnacle of America's greatest heroes. Prof. T-Bone laments that educators, MassMedia and various politicians have convinced generations of America's most vulnerable minds that they are hated by America because of their ethnicity, and believes new approaches to early-life reading and Affirmative Action would spark a resumed push for Racial Reconciliation. Just as Booker T. Washington urged assimilation, cooperation and personal diligence as he educated a race of Americans for the first time, we must revive his spirit, once again "lift the veil of ignorance," and in so doing, abolish the New Slavery. A lifelong integrationist, Prof. T-Bone draws on his unique mix of educational life experiences for his insights into race and culture. Prof. T-Bone promotes simple steps that would ensure an immediate improvement in America's police-community relations. His views on political correctness and ethnic humor are sure to inspire a lively conversation, and his "BLACKAMUNDO Race Cards" contains an impressive mix of his past and present Black American heroes. Prof. T-Bone exudes great confidence that a more perfect union is close within our reach as America follows her heroes' ideals and leadership examples. See the BLACKAMUNDO! Table of Contents below: TABLE OF CONTENTSABOUT THE TITLETrue story of the strange nocturnal emission that produced BLACKAMUNDO!
INTRODUCTION/ACKNOWLEDGMENTSModern-day "Diogenes Quixote" engages in a humble self-analysis, self-diagnosis, self-deprecation, and paying the proper respects.CHAPTER 1--WHY I HAVE WRITTEN THIS BOOKBecause, as the Chambers Brothers crooned, "I Can't Stand It!" CHAPTER 2--THE WONDROUS JOURNEY: ALWAYS LEARNING!A lifetime outside the mainstream, never minding his own business, dancing like nobody's watching.CHAPTER 3--WHAT I WANT: RACIAL RECONCILIATIONA wave bringing real hope, change and reconciliation is coming, rooted in a revitalized educational approach. Reading is the answer.CHAPTER 4--THE "N-WORD": NO ETHNIC EQUIVALENTIs it a misguided hypocrisy? Disingenuous wordplay? Or a legitimate distinction with a difference?CHAPTER 5--WHAT IS A HERO?Prof. T-Bone's heroes have lived righteously, and have found life's truths that set us free.CHAPTER 6--AT THE PINNACLE: AMERICA'S GREATEST HEROESFor these are jolly good fellows; that, nobody can deny. They peer down from the mountaintop.CHAPTER 7--PROF. T-BONE'S "DECK OF RACE CARDS": OTHER HEROES, PAST AND PRESENTSome of Prof. T-Bone's "Race Cards" have come and gone; others are scaling the mountain.CHAPTER 8--WALLY: MY HERO AND GREATEST INFLUENCEThe vessel from which flowed Prof. T-Bone's being, his ethos and his destiny.CHAPTER 9--WHERE DO WE GO FROM HERE?A delusion of great therapeutic value? Or, a \$billion idea that funds reading centers from sea to shining sea? Could we abolish the New Slavery--together? Fellow Americans, let's take matters into our own hands, turn this movement into reality, and create reading centers throughout the land.
