TAEASS401

This book has been written for all leaders and aspiring leaders with responsibility for improving the quality of early years settings. It brings together current research and effective practice to provide you with the knowledge, understanding and skills you need to: motivate and get the best from your team; identify and develop your personal leadership style; clarify your vision for quality and set realistic but challenging goals; understand and manage change positively; solve problems creatively.

Keys to College Studying

BSBLDR403 Lead Team Effectiveness - Student Workbook

The introductory marketing student of today demands an increased level of interactive and innovative teaching, setting the challenge for a new teaching strategy. This book is that new strategy. The authors have completely rewritten the text to produce a revitalised introduction to the principles of marketing.

TAEDEL301

Pray in the Spirit

The National Board Certification Workbook

Increasing global competition, combined with shrinking budgets, are forcing managers to find new ways of operating. To compete successfully, companies must now use technology and resources (particularly human resources) to their full potential. Much of the research in the area of performance management has suggested that, while it has great potential to

contribute dramatically to the bottom line, it rarely works. The third edition of Managing Performance Improvement looks at why performance systems fail, and explores the tools and techniques to overcome this failure. This best selling text provides practical, specific advice to managers and students enabling them to plan for, and then manage, performance improvement.
