Divorce, Annulments, and the Catholic Church

Could You Ever Come Back to the Catholic Church?

Many people believe that the Roman Catholic Church's teaching on marriage is clear and consistent: marriage is a sacrament, the marriage contract is indissoluble, divorce and remarriage are forbidden. In this book, theologians, historians, and sociologists overhaul the church's teaching and practice on divorce and remarriage, as well as personal testimonies from a number of persons who have gone through the annulment process.

The report contained in Vol. 1 summarizes the laws and regulations enshrining the balance of power between the state and the Roman Catholic Church in all the states and principalities of Europe and in the British colonies. Lengthy appendices provide documentary and other evidence for the summaries. The Royal Commission on Ritual was appointed in 1867 to inquire into a number of contentious innovations in the ceremonial of the United Churches of England and Ireland and the two reports are contained in Vol. 2. The third and fourth reports of the Ritual Commission deal respectively with the scripture readings to be used in church services, and the rubrics of the Book of Common Prayer. -- Publisher's catalogue.

The biblical encounter between the Virgin Mary and her cousin Elizabeth, before the births of Jesus and John the Baptist, is at the heart of Gifts of the Visitation by popular speaker and syndicated columnist Denise Bossert. She uses their story to highlight nine gifts experienced by both women as they awaited the arrival of their sons and to encourage readers to develop these gifts themselves. In her debut book, speaker, columnist, and Catholic convert Denise Bossert showcases the seasons of birth, grief, newness, and challenge experienced in the hearts of Mary and Elizabeth at the Visitation and invites readers to see these times in their own lives as opportunities to let God make all things new. Within each of those seasons, nine gifts emerge—spontaneity, courage, joy, readiness, humility, adventure, hospitality, wonder and awe, and thanksgiving—equipping readers to present

Christ to the world as Mary and Elizabeth did. Bossert's encounter with Mary, which led her to Catholicism, serves as the window for discovering and exploring the gifts and helps readers look inside their own hearts to discover what the gifts of the visit between Mary and Elizabeth mean to them and how they can be Christ-bearers to others.
