Getting Ready for the Wedding

Sappho Jones stopped counting birthdays when she reached thirty but, even with her hazy grip on mathematics, she realises that she's on the slippery slope to the big four-oh! With the thought suddenly lodged in her mind that she's a mere cat's whisker away from becoming a single eccentric female living in a country cottage in Wales, she has the urge to do something dramatic before it's too late. The trouble is, as an adventurous woman of a certain age, Sappho's pretty much been there, done that, got the T-shirt. In fact, the only thing she hasn't tried is motherhood. And with sexy potter Nye on hand as a potential daddy - or at least donor - is it time for her to consider the biggest leap of all? It's either that or buy a cat . . . Wonderfully wry, heart-warming and life-affirming, Trisha Ashley's hilarious novel is perfect for fans of romantic comedies by Milly Johnson and Jill Mansell. And among those in this tightly knit community who show up every Sunday after church for lunch at Earl’s All-You-Can-Eat, are the lifelong friends, known locally as “The Supremes” —Clarice, facing down her longing for, chance at and fear of a great career; Barbara Jean, grappling at last with the loss of a mother whose life humiliated both of them, and Odette, reaching toward her husband through an anger of his that she does not understand. Jules Duchon was a real New Orleans vampire. Born and bred in the working-class Ninth Ward, bitten and smitten with the Big Easy. Driving through the French Quarter, stuck in a row of bumper-to-bumper cars that crept along Decatur Street like a caravan of bone-weary camels, Jules Duchon barely fit behind the steering wheel of his very big Cadillac taxicab. Even with the seat pushed all the way back. Damn, he was hungry. Jules stopped his cab, pressed the wobbly rocker switch that jerked the electric windows reluctantly to life, and stuck his head into the humid night air. “Hey, baby. You interested in some dinner?” -from Fat White Vampire Blues Vampire, nosferatu, creature of the night-whatever you call him-Jules Duchon has lived (so to speak) in New Orleans far longer than there have been drunk coeds on Bourbon Street. Weighing in at a whopping four hundred and fifty

Where To Download Chocolate Shoes And Wedding Blues Trisha Ashley

pounds, swelled up on the sweet, rich blood of people who consume the fattiest diet in the world, Jules is thankful he can't see his reflection in a mirror. When he turns into a bat, he can't get his big ol' butt off the ground. What's worse, after more than a century of being undead, he's watched his neighborhood truly go to hell—and now, a new vampire is looking to drive him out altogether. See, Jules had always been an equal opportunity kind of vampire. And while he would admit that the blood of a black woman is sweeter than the blood of a white man, Jules never drank more than his fair share of either. Enter Malice X . Young, cocky, and black, Malice warns Jules that his days of feasting on sisters and brothers are over. He tells Jules he'd better confine himself to white victims—or else face the consequences. And then, just to prove he isn't kidding, Malice burns Jules's house to the ground. With the help of Maureen, the morbidly obese, stripper-vampire who made him, and Doodlebug, an undead cross-dresser who (literally) flies in from the coast— Jules must find a way to contend with the hurdles that life throws at him . . . without getting a stake through the heart. It's enough to give a man the blues. From the Trade Paperback edition.

Charlotte—Charlie—Rhymer's husband wants a divorce. Charlie isn't sure what she wants, but after the incident with the frying pan, even she has to concede that their differences may be irreconcilable after all. Returning home to her native Yorkshire and the bosom of her family seemed like a good idea at the time. Even if Charlie's father has never quite forgiven Charlie or her siblings (Anne, Emily and Branwell) for failing to live up to their more literary (as in Bronte) namesakes. Upvale Parsonage, the family home to which Charlie has retreated, is presided over by her sister Em. Em's hobbies are composing inspirational verses, dabbling in the Ancient Black Arts, and fighting off the incursions of Father's latest mistress. When the current mistress actually moves in, family loyalties are sorely tried. Still, Charlie is determined to bounce back from disaster and strike a blow for deserted older wives everywhere. But when she meets brooding actor Mace North, she realizes that when it comes to dating for the over-forty crowd, female solidarity be damned—it's every woman for herself! The twelfth installment in the beloved, bestselling series is once again a beautiful blend of wit and wisdom, and a profoundly touching tale of the human heart. Precious Ramotswe is haunted by a dream in which she is driving her dear old white van. Grace Makutsi dreams that her 97 percent on the Botswana Secretarial College exam was a mistake. When Mma Ramotswe discovers that her van is actually still in use (and, of course, sets out to retrieve it), Mma Makutsi wonders whether her dream will turn out to be prophetic as well. They can only wait and see, but, in the meantime, one of Phuti Radiphuti's apprentices has gotten a girl pregnant and, under pressure to marry her, has run away. Naturally, it is up to Precious and Grace to help the couple work things out. In other developments, Mma Ramotswe investigates a case of rural jealousy in which cattle are being poisoned. Add to the mix Violet Sephotho's newly begun, already unstoppable run for the Botswana Parliament and the possibility that wedding bells may finally ring for Phuti Radiphuti and Grace Makutsi — whose love for each other is as great as their love for Botswana — and we have a charming and delightful tale from the inimitable Alexander McCall Smith. Grandbaby Cakes: Modern Recipes, Vintage Charm, Soulful Memories is the debut cookbook from sensational food writer, Jocelyn Delk Adams. Since founding her popular recipe blog Grandbaby Cakes in 2012, Adams has been putting fresh twists on old favorites. Adams has earned praise from critics and the adoration of bakers both young and old for her easygoing advice, rich photography, and the heartwarming memories she shares of her family's generations-old love of baking. As a child, Adams and her family would routinely embark on the ten-hour journey from their home in Chicago to Winona, Mississippi. There, she would watch her grandmother, affectionately nicknamed Big Mama, bake and develop delicious, melt-in-your-mouth desserts. From blooming tree-picked fruit to farm-raised eggs and fresh-churned butter, Big Mama used what was readily available to invent completely original treats. Adams treasured the moments when her mother, aunt, and Big Mama would bring her into the kitchen to let her dabble in the process as a rite of passage. Big Mama's recipes became the fabric of their family heritage. Grandbaby Cakes is Adams's love note to her family, thanking those who came

The House of Hopes and Dreams

From the mid-1830s through the 1850s, more than a half million people settled in Wisconsin. While traveling in ships and wagons, establishing homes, and forming new communities, these men, women, and children recorded their experiences in

letters, diaries, and newspaper articles. In their own words, they revealed their fears, joys, frustrations, and hopes for life in this new place. *The Making of Pioneer Wisconsin* provides a unique and intimate glimpse into the lives of these early settlers, as they describe what it felt like to be a teenager in a wagon heading west or an isolated young wife living far from her friends and family. Woven together with context provided by historian Michael E. Stevens, these first-person accounts form a fascinating narrative that deepens our ability to understand and empathize with Wisconsin's early pioneers.
