Electronics Buying Guide

Turn your musical passion into a profitable career with this essential guide to the business and technical skills you need to succeed in the multi-billion dollar games industry. Step-by-step instructions lead you through the entire music and sound effects process - from developing the essential skills and purchasing the right equipment to keeping your clients happy. Learn everything you need to: Find the jobs. Identify your niche, implement a business and marketing plan that includes a great demo reel, and plug into the established network to find clients. Make the deals. Make the bidding and contract process work for you by knowing the standard industry terminology, understanding how to set fees, and employing non-confrontational negotiating tactics to reach sound agreements that establish acceptable boundaries for change orders, reworks, payment options, and other essentials. Create music and sound effects for games. Master the exacting specifications for composing music and creating sound effects on the various gaming platforms and systems. The companion DVD features audio and cinematic examples, demos of useful sound editing and sequencing programs, and sample business contracts.

Digital Buying Guide 2003

"If you've started on the road to creating an intranet for your company, this book will effectively guide you the rest of the way. If you're not sure whether your company should develop an intranet, Bernard will convince you to go for it." -PC World Online. The ultimate success of an intranet is measured by the value it adds to the enterprise. The Corporate Intranet, Second Edition addresses practical business concerns as well as new technologies, and helps IT professionals, corporate managers, and users get the most out of an intranet. Ryan Bernard shows you how to use your intranet to boost productivity and reduce costs for data warehouses, workgroups systems analysts and developers, corporate trainers, process improvement teams, and more. This easy-to-read overview focuses on applications, as it: * Addresses next-generation issues including advanced Java programming, push technology, and data connectivity * Shows how to improve intranets using built-in features of popular software * Helps maximize the return on your intranet investment * Explains basic intranet functions and capabilities to new users * Helps IT professionals understand the human-factors side of intranet success * Explores key management issues that can make or break an intranet. Visit the companion Web site at www.wiley.com/compbooks/bernard Visit our Web

site at www.wiley.com/compbooks The companion Web site to The Corporate Intranet, Second Edition contains demonstration versions of several intranet training products, including the author's own, and a sample plug-in "starter intranet."

The Secret Guide to Computers, 2003

CompTIA A+ Complete Study Guide

Get a comprehensive list of dropshippers (80+ suppliers) based in the United States, China and Canada for consumer electronics, computer parts & accessories and mobile accessories. The list has been carefully assembled over time with proven results. List includes names of dropshippers, location, web site address and short description of products they sell. List includes some of the most respected and dependable dropshippers with large inventories across many categories at wholesale prices. As a dropshipper, you can start a business and generate a profit for yourself with virtually no risk. You only buy and ship once a product you are advertising for sell has been sold. Generate extra income for yourself and bring added comfort for your family and you! Get the list now and start making money! *** IMPORTANT INFORMATION *** Dropshipping is a dynamic business. Information and business terms and conditions change often. As of compilation of this list, all information is accurate. However, it is your responsibility to contact dropshippers you are interested in working with to find out the requirements to create a reseller account with them. Some dropshippers require that you have a reseller permit. The list goes not guarantee any future success. The list simply connects with you businesses that offer dropshipping services across consumer products categories. Please be sure to use your own due diligence when researching your potential supplier. Look for contact numbers on the website, give them a call. Perform a whois domain name look up and see if the data matches the website information. Send the supplier an email and wait for a response. Place a small order and see how it goes. These simple steps will help you in determining whether or not you wish to proceed with a larger order or to use the supplier on a full time basis.
