The Malykant Mysteries

"Complete with hot sex scenes, snarky double-entendres, slapstick humor, and quirky girlfriends, this comedic romp through modern-day dating checks all the romance boxes." -Kirkus Reviews
Willa Frank has one simple rule: never go on a date with anyone more than twice. Now that her business is providing the stability she's always needed, she can't afford distractions. Her two-date rule will protect her just fine until she meets smokejumper Grady Billman. After one date—one amazing, unforgettable date—Grady isn't ready to call it quits, despite his own no-attachments policy, and he's found a sneaky way around both their rules. Throwing gutter balls with pitchers of beer? Not a real date. Everyone knows bowling doesn't count. Watching a band play at a local show? They just happen to have the same great taste in music. Definitely not a date. Hiking? Nope. How can exercise be considered a date? With every "non-date" Grady suggests, his reasoning gets more ridiculous, and Willa must admit she's having fun playing along. But when their time together costs Willa two critical clients, it's clear she needs to focus on the only thing that matters—her future. And really, he should do the same. But what is she supposed to do with a future that looks gray without Grady in it? Each book in the Where There's Smoke series is STANDALONE: * The Two-Date Rule * Just a Little Bet * The Best Kept Secret

Using Art Media in Psychotherapy makes a thoughtful and contextual argument for using graphic art materials in psychotherapy, providing historical context for art materials and their uses and incorporating them with contemporary practices and theories. Written with an analytic focus, many of the psychological references nod to Jung and post-Jungian

thought with keen attention to image and to symbolic function. This book jettisons the idea of reductionist, cookbook approaches and instead provides an integrated and contextual understanding of the origins of each art form as well as an insightful use for each in its application in mental health healing practices. Using Art Media in Psychotherapy gives clinicians and students alike the tools they need to offer psychologically minded and clinically astute choices that honor their clients.

She's fae. He's human. When he accidentally follows her back into the magic realm, a deadly plot is set in motion. ****Binge-read the complete series now!**** - - - Rule: Never reveal yourself to a human. I swear I didn't break this rule. I had my glamour in place. I saved the guy's life, just as I was assigned to do. And then he looked at me. Looked at me. Rule: Never bring a human into the fae realm. Technically, this wasn't my fault either. He followed me. But the Guild doesn't see it that way. Assignment status? Failed. I'm months away from graduating top of my class, and now Nate has ruined everything. If I can get him back home without killing him, maybe I can salvage my guardian future. Except there's way more going on here than I suspected. Someone else is after Nate. Someone intent on unearthing long-forgotten secrets and immense power. Next thing I know, we're tangled up in a plot more dangerous than anything I've had to fight my way out of before. Bonus complication? I think I'm falling for Nate - - - Graduation is the least of Violet's problems in this bestselling YA fantasy series packed with dazzling magic, page-turning action, family secrets, and swoon-worthy romance. Seven Dreams

Ancient legends don't come back to life. Until they do The vast, winged draykoni once ruled the skies of the Seven Realms, uncontested and unstoppable — so the stories say. But they are only tales. Aren't they? When Llandry Sanfaer discovers a new type of jewel, her life changes forever. Wonderful and terrible, the gem exerts a strange influence over those who behold it. Soon people are dying for it, and Llandry herself becomes a target. This is only the beginning. What is this starry jewel, that no one can resist? Who is the killer that stalks the night, stealing the gems from their murdered owners? And why does the gem call so powerfully to Llandry herself? Llandry's destiny cannot be denied. A shy young woman is about to

learn that sometimes, even the most far-fetched story might prove to be the plain, simple truth. An epic tale of magic, mystery and dragons from the author of the Malykant Mysteries. Step into the dark

Ahab's Daughter

This book focuses on the multifarious aspects of 'fuzzy boundaries' in the field of discourse studies, a field that is marked by complex boundary work and a great degree of fuzziness regarding theoretical frameworks, methodologies, and the use of linguistic categories. Discourse studies is characterised by a variety of theoretical frameworks and disciplinary fields, research methodologies, and lexico-grammatical categories. The contributions in this book explore some of the nuances and implications of the fuzzy boundaries in these areas, resulting in a wide-reaching volume which will be of interest to students and scholars of discourse studies in fields including sociology, linguistics, international relations, philosophy, literary criticism and anthropology.

The Blood Race: (the Blood Race, Book 1)

'You may have noticed,' said Maut, 'that the Tree is on the move.' On the edge of the town of Kottow stands the tallest (and oddest) Tree in the land. It's a staid and solid arbour — until the Tree picks up its mighty old roots and wanders off, taking its resident band of misfits away with it. Whither goes the Tree? Not even the wizard can say. 'There is something mighty fey about all this, or my name ain't Diggory Stokey.' Far away from Kottow, a forest lies lost in the mists of a dream. There's much to mend in this hoary old wood, for the Summer's been swept from the glittering skies, and no one's keeping an eye on the Winter 'Enchanted forests,' Mudleaf spat. 'Bah. Like it's been raining magic this long age through.' The good folk of Kottow aren't used to so wayward a magic — not even Maut Fey, the one with the sunlight behind her eyes. But magic will have its way with them, whether they will or no. Summertide's waiting. Can the folk of the Tree bring it back, or will the wild magic wash them away? "If you mixed elements of the Faraway Tree, Narnia, Frozen and A Midsummer Night's Dream together, you might get something like Summertide. Maybe." — The Author 'Almond tarts for her MAJESTY!' someone else roared. 'Apple ice-wine for her majesty!' Praise for the Wonder Tales: "large helpings of wit and whimsy readers who enjoy the old-fashioned language of classic fairy tales will be pleased with this one." - Publishers Weekly on Faerie Fruit "Her faultless prose by turns ascends with the lark, leads you down secret paths like the willow-the-wisp, bewitches you into bewilderment, and sparkles with eye-bedazzling wonder" - NYT bestselling author Mercedes Lackey on Gloaming

Dark Lord of Derkholm

UnEnchanted

A sea of danger and magic. A family that can't stay clear of the water... Morgan refuses to let her twin brother suffer the same fate as their whale-obsessed father Captain Ahab. Despite her efforts to keep Nathan on dry land, her brother can't resist the siren song of the sea and rumors of untold treasures on the Island of Nightmares... Before Nathan can drop anchor and find his bounty, his crew encounters an ominous force. He's convinced the creature is somehow connected to his father's past and that one of his crew has been bitten. Could Nathan actually be on the run from a werewhale? As the dark island fast approaches, Nathan's adventure could end in a watery grave. It's up to Morgan and her father's old crewmate Ishmael to save Nathan's life. But can she possibly change the mind of a man with the same stubborn streak as Captain Ahab? Ahab's Daughter is the rollicking first novel in The Werewhale Saga, a series of fantasy adventures. If you like tenacious heroines, supernatural twists, and high seas suspense, then you'll love Ron Vitale's entertaining follow-up to Herman Melville's literary classic.

Wyrde and Wayward

'If you had not already realised it, this is a very strange house you are come to.' The Scions of the House of Werth are all born normal. It is what happens afterwards that sets them apart. It is not easy being the most supernatural family in England. Nell talks to the dead; Lord Werth is too often to be found out in the churchyard at the dead of night; and the less said about Lord Bedgberry, the better. Only Miss Gussie Werth has missed out on the family curse. She sups on chocolate, not blood; she's blissfully oblivious to spectres (except for Great-Aunt Honoria, of course); and she hasn't the smallest inclination to turn into a beast upon the full moon, and go ravening about the countryside. But there's more to the Wyrde than meets the eye. When a visit to a neighbouring family goes spectacularly, deliciously wrong, Gussie's ideas about her own nature undergo a swift and serious change. Far from being the most ordinary of the bunch, she may just prove to be the most disastrous Werth of them all Refined Regency sensibilities meet gothic comedy to delightfully absurd effect in Wyrde and Wayward, a fresh new series from the author of Modern Magick and the Malykant Mysteries.

Bessie Bell and the Goblin King

To catch a killer, send a monster But what if a monster isn't enough? Shadows gather, winter deepens, and Assevan falls farther into the dark. Pitted against monsters and men, Konrad faces deeper challenges. Darker foes. Some can rival even the Malykant's power. Pushed beyond his endurance, challenged beyond his sanity, at long last Death's Avenger might need a little help Konrad Savast returns for another chilling set of adventures in the second volume of the Malykant Mysteries.

Llandry

Draykoni do not die. Not truly. Not forever. So we thought. We have been proved wrong. A killer stalks the Off-Worlds, someone with the means and the will to extinguish even the oldest of draykon souls. But why would anybody do such a thing, and how? I am Llandry Sanfaer: shapeshifter, ambassador, colony leader. My people are dying beyond hope of revival, and it falls to me to stop it. But the killer leaves nothing behind — not a single clue. Worse, the corrupted energy of Orland has broken its confines. It's spreading. If it isn't stopped, all the Worlds could go under. With my people and my Worlds under threat, I'll need all my wits, my strength, and every ally I can muster to set things right. It's going to be a hard fight.

City of Wishes: The Complete Cinderella Story

Old Magick. New World. In the 21st century, little remains of magick save scattered, beleaguered pockets of magickal community and scholarship - and a vast, but rapidly decaying, heritage. How can any of it survive the pace of modern life? As an agent of the Society for Magickal Heritage, Cordelia "Ves" Vesper has an important job: to track down and rescue endangered magickal creatures, artefacts, books and spells wherever they are to be found. It's a duty that takes her the length and breadth of Britain, and frequently gets her into trouble. But somebody's got to keep magick alive in the modern world, and Ves is more than equal to the job. In this first adventure, Ves meets her new partner, the Waymaster Jay. Their mission? Find the source of a magickal disease that's decimating Britain's troll enclaves - and fix it. Simple in theory, tricky in practice, for the only place that might hold the information they need is the ancient and inconveniently lost enclave of Farringale The first adventure in the funny, contemporary fantasy serial Modern Magick. Mr. Drake and My Lady Silver (Tales of Aylfenhame, 4)

The first four titles in the Malykant Mysteries series. Konrad Savast is the Malykant: foremost and most secret servant of the God of Death. His job? To track down the foulest of murderers and bring them to The Malykt's Justice. No mercy. No quarter. The Rostikov Legacy: When Konrad discovers the body of a wealthy society hostess lying in the cold, mist-shrouded reaches of the Bone Forest, the pressure is on to find her killer. Can he catch the killer without revealing himself as the Malykant? The Ivanov Diamond: When three people turn up dead, their immortal souls missing, Konrad's got a strange case on his hands. And it's clear that it's got something to do with the theft of a great and valuable diamond from one of Ekamet's wealthiest citizens Myrrolen's Ghost Circus: When a corpse turns up in the middle of Myrrolena's famed circus, Konrad must uncover the weird truth behind the mysterious travelling show-and without falling foul of its enigmatic Ringmistress, Myrrolena herself. Ghostspeaker: When a wealthy young woman takes her own life, Konrad is sent to investigate. Was it suicide, or murder? Or both? To discover the truth, Konrad must navigate the combined perils of society gossip, an unregistered Ghostspeaker and a host of unquiet spirits.

The Two-Date Rule

With a claim to be the first work to document in detail the history of allelopathy, Willis's text provides an account of the concept of allelopathy as it has occurred through the course of botanical literature from the earliest recorded writings to the modern era. A great deal of information is presented here in a consolidated and accessible form for the first time. The book offers a unique insight into the historical factors which have influenced the popularity of allelopathy.

Cinderella retold: A human slave, a fae prince, and a Godmother who'll grant any wish—if you pay the price. In a world of fae, vampires and shifters, where magic is real and wishes can be bought and bargained for, Elle is on society's bottommost rung: she's human. To make matters worse, she's also a slave, bound to her stepmother by magic. Her only hope at freedom is to wish for it. But the Godmother rules the illegal wish trade, and the price she demands is steep. Elle has never been desperate enough to summon her. Until now. This collection includes all 6 episodes in the CITY OF WISHES Cinderella retelling: 1. The Memory Thief 2. The Vampire Trap 3. The Moonlight Masquerade 4. The Eternal Night 5. The Starlight Quest 6. The Everafter Wish

Wyrde and Wicked

Professor Tikaya Komitopis isn't a great beauty, a fearless warrior, or even someone who can walk and chew chicle at the same time, but her cryptography skills earn her wartime notoriety. When enemy marines show up at her family's plantation,

she expects the worst. But they're not there to kill her. They need her to decode mysterious runes, and they ask for help in the manner typical of a conquering empire: they kidnap her, threaten her family, and throw her in the brig of their fastest steamship. Her only ally is a fellow prisoner who charms her with a passion for academics as great as her own. Together, they must decipher mind-altering alchemical artifacts, deadly poison rockets, and malevolent technological constructs, all while dodging assassination attempts from a rival power determined the expedition should fail. As if the situation weren't treacherous enough, this new "ally" may turn out to be the last person Tikaya should trust. Those runes cloak more than mysteries, however, and he's the only one who can help her unravel them before their secrets destroy the world.

Using Art Media in Psychotherapy

Read four chapters of THE INQUISITION for free! A year has passed since the Tournament. Fletcher and Ignatius have been locked away in Pelt's dungeons, but now they must face trial at the hands of the Inquisition, a powerful institution controlled by those who would delight in Fletcher's downfall. The trial is haunted by ghosts from the past with shocking revelations about Fletcher's origins, but he has little time to dwell on them; the graduating students of Vocans are to be sent deep into the orc jungles to complete a dangerous mission for the king and his council. If they fail, the orcish armies will rise to power beyond anything the Empire has ever seen. The Stakes: Higher than you can imagine. Like life-and-death. Welcome to the revolution. And get ready to run.

The Faerie Guardian

To catch a killer, send a monster. There's a realm. Wreathed in ice and snow, drowning in the dark, Assevan needs a different kind of hero. There's a god. Merciless and cold, and quick to anger, the Lord of the Dead insists upon one thing only: vengeance for a murdered soul. And there's a man. A ruthless killer, Konrad is detective, judge and executioner in one. Dauntless, relentless, monstrous, he stands alone against the dark. Meet the Malykant. Justice will be served. Four cases. Four killers. Four executions. Dark fantasy and murder mystery collide in this first collection of the Malykant Mysteries.

Etymological Dictionary of Succulent Plant Names

Four years ago, somebody pinched perhaps the most valuable book in existence. Merlin's personal grimoire. And the price they're offering for its return is the kind we can't refuse, so it's Ves and Jay on the case. Except that there aren't any clues. Seriously, not even a little one. Nothing's going to solve this case but a Vesper-patented Crazy Plan, and it had better be a good one, for complications are sprouting like daisies. At least it's a straightforward mission. There's no earthly way this

one's going to turn my entire life upside down right?

Fuzzy Boundaries in Discourse Studies

A riddle in the skies. A puzzle spanning worlds. A prize, locked behind seven keys Serena Carterett leads a team of masqueraders, shapeshifters and reformed thieves. Fighting crime's their job; solving ancient mysteries, not so much. But when the seven dreams riddle lights up the skies, that's got to change. The riddle speaks of treasure; better yet, a door, protecting an unimaginably dangerous power. In the wrong hands, this power will threaten the future of the Seven Realms — and the distant past. As treasure-hunters spread across the worlds, Serena musters her band of misfits for the greatest mission of their career. To win could be everything; to lose, unthinkable. The challenge is on. Who will unlock the door?

The Memory Thief

When Lokants get involved in our worlds, it always means trouble. They're impossibly powerful, and they definitely know too much. Dangerous. Now Lokant-blooded mortals are going missing, and there's no question where the responsibility lies. But what do the Lokant sorcerers want with their half-blood descendants? On top of which, there's a Master Lokantor showing far too much interest in the realm of Orind. How the two are connected I do not know, but it's becoming imperative to find out. If they aren't stopped, these people will take our Worlds apart piece by piece until they get what they want. They've done it before. It's my job to make sure they don't do it again.

Faerie Fruit

As an agent of the Society for Magickal Heritage, Cordelia "Ves" Vesper has an important job: to track down and rescue endangered magickal creatures, artefacts, books and spells wherever they are to be found. It's a duty that takes her the length and breadth of Britain, and frequently gets her into trouble. But somebody's got to keep magick alive in the modern world, and Ves is more than equal to the job. Fresh from an involuntary crash course in the Stranger Arts, Ves has a new mystery to solve: the inexplicable reappearance of an extinct species. The Dappledok Pup has not been seen in the flesh since the eighteenth century - so how does one come to be found, weak but alive, over two hundred years later? A creature with a unique talent for sniffing out treasure, no less, and that can't be a coincidence. Where did the pup come from - and is there something sinister afoot? Aided by a talking book, a spriggan with a taste for vintage fashion and the best Waymaster in the business, nothing can stop Ves from finding out the truth. Can it?

Blood of Requiem (Epic Fantasy, Dragons, Free Fantasy Novel)

Caspar Goldstein: a rich, charming steamcar racer with a slight morality problem. Clara Koh: a smart, impoverished engineer-in-training with big dreams. He can't help getting into trouble. It's her unhappy job to get him out of it. When a mysterious substance known as black mercury arrives on the scene, Cas purloins some, because of course he does. With its power to supercharge his autocarriage, he's guaranteed to win the coveted Eisenstadt Cup. But soon he's got bigger problems, because that's not all the black mercury can do. Over confident and under prepared, Caspar makes an easy mark — and he's up against the deadliest of assassins and thieves. Can a ragtag team of drivers and engineers survive, or will this adventure end in disaster?

The Magick of Merlin

Kind-hearted but impoverished, lively but plain, Miss Sophy Landon faces a future with few prospects. In the neighbouring realm of Aylfenhame, there lives Aubranael. Disfigured among the beauteous fae, his ruined face condemns him to a life lived alone. Their meeting changes everything. For Sophy will cross the border, and find a glimmer of a future beyond. Might there be a life, and a love, for her in the realm of the fae? For Aubranael, a chance encounter with Miss Landon turns his world upside down. Armed with the temporary gift of beauty, can he hope to win her heart? Pride and Prejudice meets Beauty and the Beast in this heart-warming tale of love, hope and magic.

Black Mercury

“LOVE LIKE THIS creates a world of emotions and turmoil, describing superbly the mind of a young lady (Keira) and her struggles to balance her social life and her career. Sophie Love is a natural storyteller. LOVE LIKE THIS is very well written and edited, and I highly recommend it to the permanent library of all readers that appreciate a romance that can be savored during a weekend.” --Books and Movie Reviews (Roberto Mattos) “A very well written novel, describing the struggle of a woman to find her true identity. The author did an amazing job with the creation of the characters and her description of the environment. The romance is there, but not overdosed. Kudos to the author for this amazing start of a series that promises to be very entertaining.” --Books and Movies Reviews, Roberto Mattos (re: For Now and Forever) LOVE LIKE THIS (The Romance Chronicles—Book #1) is the debut of a new romance series by #1 bestselling author Sophie Love. Keira Swanson, 28, lands her dream job at Viatorum, a slick magazine in New York City, as an aspiring travel writer. But their culture is brutal, her boss is a monster, and she doesn't know if she can last for long. That changes when Keira, by a fluke, is handed a coveted assignment and given her big chance: to travel to Ireland for 30 days, witness the legendary Lisdoonvarna festival of love, and to debunk the myth that true love exists. Keira, cynical herself and in a rocky place with her long-term boyfriend, is all too happy to oblige. But when Keira falls in love with Ireland and meets her Irish tour guide,

who just may be the man of her dreams, she is no longer sure of anything. A whirlwind romantic comedy that is as profound as it is funny, LOVE LIKE THIS is book #1 in the debut of a dazzling new romance series that will make you laugh, cry, and will keep you turning pages late into the night—and will make you fall in love with romance all over again. Names are important elements to handle the diversity of items in daily life - persons, objects, animals, plants, etc. Without such names, it would be difficult to attach information to such items and to communicate information about them, and names are usually used without giving them much thought. This is not different for plants. When dealing with plants, however, it soon becomes apparent that the situation is somewhat more complex. Botanists use Latin names to bring order into the vast diversity, while everyday usage resorts to vernacular or "popular" names. As practical as these vernacular names are (it is not suggested that you should ask your greengrocer for a kilo gram of *Solanum tuberosum* or *Musa paradisiaca* subsp. *sapientum*), their most important drawback is the fact that they vary widely, not only from one language to another but also from country to country, even from region to region within a large country. More importantly, vernacular names in any given language are usually only available for the plants growing locally, or for plants of some special importance, such as crops and vegetables, medicinal plants, or important garden plants. For all other plants, the Latin names used by botanists and other scientists have to be employed. Such names often appear complicated or even awkward to the ears of those not accustomed to them.

Love Like This (The Romance Chronicles—Book #1)

‘When it comes to the Wyrde, there is no such thing as harmless. Every single one of us is a walking disaster.’ Winter has come to Werth Towers, and brought a deal of trouble with it. Not that any of it is the fault of Miss Gussie Werth. To be a one-woman catastrophe might be seen as a misfortune, but really, there can be no hope of a cure. What with murderous Books on the rampage, Lady Maundevyle brewing plans for Christmas, and a couple of dragons on the loose, a quiet life is not likely to be had. Still, in times of crisis, there is always Lord Felix. The disreputable old revenant might have a few odd ideas; but you’re at Werth Towers, now. The merely unusual comes as a matter of course. Welcome to the strangest family in Regency England. Find out just what Gussie did next

The Striding Spire

The Lincolnshire Wolds, 1812. When housemaid Bessie Bell is thrown out into a cold October night, her prospects could scarcely seem worse. With nowhere to go and no one to help her, how will she survive? But on the road she meets a mysterious gentleman, and her fortunes take an immediate turn for the... strange. For the nightmare horse Tatterfoal stalks the fog-drenched Wolds, and Mr. Green is determined to catch him. But why? Caught up in a dark adventure, Bessie is swept far beyond the shores of England and into Faerie Aylfenhame. Dangers untold await the unwary in the Goblinlands, though the greatest dangers of all may lie right behind her. For Tatterfoal answers only to his master, the Goblin King... From the author of The Malykant Mysteries comes a darkly delicious tale of love, magic and fairytale adventure.

Modern Magick, Volume 1

Miss Ellerby and the Ferryman (Tales of Aylfenhame, 2)

Can British magick survive? As the pace of modern life accelerates, the old ways wither and die. But to the Society for Magickal Heritage, that just isn’t good enough. The Witch: Friend to the unicorns, lover of pancakes, and wielder of potent artefacts, star agent Cordelia “Ves” Vesper will stop at nothing — okay, very little — to drag ancient magicks back out of the grave. The Waymaster: New recruit Jay Patel has some rare and powerful arts at his disposal. With a penchant for old books and motorbikes in near equal measure, he’s a force to be reckoned with. The Necromancer: Prankster Zareen Dalir may be high-spirited but she’s got a darker side. A much, much darker side. Head of the Toil and Trouble division, Zar’s the best kind of bad news. The Baron: Is Baron Alban the handsomest troll alive or forget it, yes. Yes, he is. But he’s not just a pretty face. With the powerful Troll Court at his back and a smile to slay an army, Alban’s a staunch ally. Join these four

champions, the enigmatic “Milady” of the Society, and the sentient house they call Home as they fight to keep magick alive! This new compendium brings you the first three wild adventures all in one: The Road to Farringale, Toil and Trouble, and The Striding Spire.

The History of Allelopathy

All Ion Jacobs ever wanted was to be normal. But when you're capable of killing with your very thoughts, it's hard to blend in with the crowd. Running from his past and living in fear of being discovered, Ion knows he will never be an average college student. But when Hawk, the beautiful, mysterious girl next door unearths his darkest secret, Ion's life is flipped upside-down. He's shocked to discover a whole world of people just like him -- a world in another dimension, where things like levitation, shape-shifting, and immortality are not only possible they're normal. Forced to keep more secrets than ever before, Ion struggles to control his powers in the real world while commuting between realms -- until his arch enemy starts a fight he can't escape. Now he has sealed the fate of the Dimension, severing their connection to the real world, and locking himself inside forever. But a deadly threat hidden in plain sight may cost Ion more than just his freedom -- it may cost him his life. The Blood Race is the first book in K.A.
