SFPE Handbook of Fire Protection Engineering | Morgan J

Revised and significantly expanded, the fifth edition of this classic work offers both new and substantially updated information. As the definitive reference on fire protection engineering, this book provides thorough treatment of the current best practices in fire protection engineering and performance-based fire safety.

Engineering Statistics 5th Edition

The book that defined the field, updated and expanded for today's organizations. Organizational Culture and Leadership is the classic reference for managers and students seeking a deeper understanding of the inter-relationship of organizational culture dynamics and leadership. Author Edgar Schein is the 'father' of organizational culture, world-renowned for his expertise and research in the
