Crash Into Me

Total control. I need it in every aspect of my life. Some would say that makes me an asshole. A freak. But as long as everything's exactly how I want it, I'm completely flexible. I'm kidding. Okay, I'm not kidding. Lacey needs someone in her life who's bigger and scarier than her demons, and she wants that man to be me. Her boss. The Viking in a suit. I hope she understands what she's getting into. This daddy isn't going to pat her on the head and tell her she's a good girl for nothing. Especially not when she's spinning out of control.

One Intimate Night

A generation past, the western realms were embroiled in endless war. Then the Destroyer came. From the blood and ashes he left behind, a tenuous alliance rose between the barbarian riders of Parsathe and the walled kingdoms of the south. That alliance is all that stands against the return of an ancient evil—until the barbarian king and queen are slain in an act of bloody betrayal. Though forbidden by the alliance council to kill the corrupt king responsible for his parents' murders, Maddek vows to avenge them, even if it costs him the Parsathean crown. But when he learns it was the king's daughter who lured his parents to their deaths, the barbarian warrior is determined to make her pay. Yet the woman Maddek captures is not what he expected. Though the last in a line of legendary warrior-queens, Yvenne is small and weak, and the sharpest weapons she wields are her mind and her tongue. Even more surprising is the marriage she proposes to unite them in their goals and to claim their thrones—because her desire for vengeance against her father burns even hotter than his own...

New York Times-bestselling Tad Williams' landmark epic fantasy saga of Osten Ard begins an exciting new cycle! "One of my favorite fantasy series." —George R. R. Martin • "Groundbreaking." —Patrick Rothfuss • "One of the great fantasy epics of all time." —Christopher Paolini Tad Williams introduced readers to the incredible fantasy world of Osten Ard in his internationally bestselling series Memory, Sorrow, and Thorn. The trilogy inspired a generation of modern fantasy writers, including George R.R. Martin, Patrick Rothfuss, and Christopher Paolini, and defined Tad Williams as one of the most important fantasy writers of our time. BOOK TWO: STONE OF FAREWELL It is a time of darkness, dread, and ultimate testing for the realm of Osten Ard, for the wild magic and terrifying minions of the undead Sithi ruler, Ineluki the Storm King, are spreading their seemingly undefeatable evil across the kingdom. With the very land blighted by the power of Ineluki's wrath, the tattered remnants of a once-proud human army flee in search of a last

sanctuary and rallying point—the Stone of Farewell, a place shrouded in mystery and ancient sorrow. An even as Prince Josua seeks to rally his scattered forces, Simon and the surviving members of the League of the Scroll are desperately struggling to discover the truth behind an almost-forgotten legend, which will take them from the fallen citadels of humans to the secret heartland of the Sithi—where near-immortals must at last decide whether to ally with the race of men in a final war against those of their own blood. After the landmark *Memory, Sorrow, and Thorn* trilogy, the epic saga of Osten Ard continues with the brand-new novel, *The Heart of What Was Lost*. Heart of Stone Volume Two Paperback

This landmark translation of Ovid was acclaimed by Ezra Pound as "the most beautiful book in the language (my opinion and I suspect it was Shakespeare's)". Ovid's deliciously witty and poignant epic starts with the creation of the world and brings together a series of ingeniously linked myths and legends in which men and women are transformed—often by love—into flowers, trees, stones, and stars. Golding's robustly vernacular version was the first major English translation and decisively influenced Shakespeare, Spenser, and the character of English Renaissance writing.

Daddy's Heart

The series readers made a New York Times and USA Today bestseller! See why

fans love Tristan and Nina and Gage and Jordan! The Heart of Stone Volume Two contains Ever After, Unforgettable, Unbreakable, and A Heart of Stone Christmas. Ever After Ever After is the story of what happens with Tristan and Nina after they say "I do." For readers who read Give In To Me and want to know if Tristan's dream of their future comes true, this novella answers that question. Unforgettable What do you do when the one you love is the one you can't have? Gage Varo had accepted being alone for what he'd done. No one else should be hurt because of him. Then one day Jordan showed up and he fell hard for the beautiful blond who made him believe in love again. But his past returned with a vengeance and forced him to make the hardest choice of his life. He never stopped loving her, though, even as he watched her move on without him. What do you do when the one you love is the one you shouldn't want? Jordan Wright thought she found real love with Gage, but it all ended one night with a phone call. Now she's got a chance to have the life she's always wanted with a man who can give her everything. All she needs to do is forget about Gage and she can be happy. The problem is she can't forget the one man who loved her unlike anyone else ever had. They'll have to put the past behind them if they ever want to have a future, but the past isn't going away that easy. Unbreakable For Gage, the past never goes away. All he's done to protect Jordan doesn't erase the failure he can't forget. But he'll have to find a way to overcome those demons that still haunt him to be the man she needs him to be or risk losing her forever. The only thing Jordan knows to be true is Gage loves her. She doesn't know why Hailey wants her dead or why a billionaire wants to help her kill her, but together with the man she loves, they'll work to unravel the mystery behind Hailey's plan. But will it be in time, or will she lose him again, this time for good? A Heart of Stone Christmas Tristan Stone has made all of Nina's dreams come true. Three beautiful children, a gorgeous home, and everything she could ever ask for is hers. But now he needs to show her that even domestic bliss can use a little surprise every so often, and what better time to do that than Christmas? Join your favorite couple and see how Tristan shows Nina just how much he loves her in A Heart of Stone Christmas.

Cutting for Stone

"The Collected Works of Leonard Wannabe" tells of the professional trials and tribulations experienced by one of today's most-talented, least-published author/songwriters, Leonard Greenberg. The first section, Remembrances of Encounters Past, recounts the author's dealings with three icons of modern American culture: Isaac Asimov, Stephen Sondheim, and Beverly Sills. The second section, Short Stories, describes three episodes of a strictly fictional nature, each with a memorable, somewhat shocking ending. The third and last section, Poems and Songs, contains the lyrics to some forty of the over 200 musical compositions that Mr. Wannabe (oops, Greenberg) has produced in the past number of years.
