A dying city. An ancient, forgotten accord. And two gifted men caught in a web of greed and dark magic. Despite belonging to different guilds, glass master Minel and warrior captain Falcon are friends. Their duties keep them apart, but when Minel falls ill and chooses death rather than the only known cure, nothing can keep Falcon from his side. As their friendship grows into more, old wrongs and one man's machinations threaten the floating city and leave both Minel and Falcon fighting for their lives. Can they learn to combine their gifts to save the city and its magic, or will everything they know and love perish before their eyes? Healing Glass is an LGBT fantasy adventure with its head in the clouds. If you like medieval backdrops, impressive world-building, three-dimensional characters and a touch of magic, then you'll love Jackie Keswick's socially-conscious adventure. Buy Healing Glass to visit the floating city today!

Les Misérables meets Six of Crows in this page-turning adventure as a young thief finds herself going head to head with leaders of Paris's criminal underground in the wake of the French Revolution. In the violent urban jungle of an alternate 1828 Paris, the French Revolution has failed and the city is divided between merciless royalty and nine underworld criminal guilds, known as the Court of Miracles. Eponine (Nina) Thénardier is a talented cat burglar and member of the Thieves Guild. Nina's life is midnight robberies, avoiding her father's fists, and watching over her naïve adopted sister, Cosette (Ettie). When Ettie attracts the eye of the Tiger--the ruthless lord of the Guild of Flesh--Nina is caught in a desperate race to keep the younger girl safe. Her vow takes her from the city's dark underbelly to the glittering court of Louis XVII. And it also forces Nina to make a terrible choice--protect Ettie and set off a brutal war between the guilds, or forever lose her sister to the Tiger.

The Royal Commission

New York Times best-selling author Jack Campbell's epic series, The Pillars of Reality, reaches its exciting conclusion. The Great Guilds, fearing the loss of their control of the world of Dematr, have gathered their power and joined it with the relentless legions of the Empire. The full might of that host will fall upon the fortress city of Dorcastle. If Dorcastle falls, the revolt led by Master Mechanic Mari and Mage Alain will fail, and their world will soon descend into chaos. Only Mari, believed to be the daughter of an ancient prophecy, can inspire the people and lead the defense of Dorcastle. The prophecy says she has a chance to win, but it doesn't say she will survive. Alain will stand by her, both willing to die for the other, but neither one knows if their sacrifices will mean victory. As they battle the

Imperial legions and see friends fall, Mari and Alain face their greatest challenges. And if they somehow win in the face of impossible odds, neither one can be certain what sort of world that victory will produce.
