This apocalyptic tale by the author of Frankenstein

envisioning a future world devastated by plague. Misunderstood by contemporary readers, Mary Shelley's 1826 precursor to the science fiction novel has reemerged to critical acclaim.

Frankenstein, Dracula, and Gothic Literature (Annotated)

The Lady and Her Monsters by Roseanne Motillo brings to life the fascinating times, startling science, and real-life horrors behind Mary Shelley's gothic masterpiece, Frankenstein. Montillo recounts how—at the intersection of the Romantic Age and the Industrial Revolution—Shelley's Victor Frankenstein was inspired by actual scientists of the period: curious and daring iconoclasts who were obsessed with the inner workings of the human body and how it might be reanimated after death. With true-life tales of grave robbers, ghoulish experiments, and the ultimate in macabre research—human reanimation—The Lady and Her Monsters is a brilliant exploration of the creation of Frankenstein, Mary Shelley's horror classic.

Frankenstein

FRANKENSTEIN (The Original 1818 Edition)

Frankenstein; or, The Modern Prometheus is a novel written by Mary Shelley about a creature produced by an unorthodox scientific experiment. Shelley started

writing the story when she was nineteen, and the novel was published when she was twenty-one. The first edition was published anonymously in London in 1818. Shelley's name appears on the second edition, published in France in 1823. The original 1818 'Uncensored' Edition of Frankenstein as first published anonymously in 1818. This original version is much more true to the spirit of the author's original intentions than the heavily revised 1831 edition, edited by Shelley, in part, because of pressure to make the story more conservative. Many scholars prefer the 1818 text to the more common 1831 edition. Mary Wollstonecraft Shelley (1797–1851) was an English novelist, short story writer, dramatist, essayist, biographer, and travel writer, best known for her Gothic novel Frankenstein: or, The Modern Prometheus.

The Ruins, Or, A Survey of the Revolutions of Empires

Thirty-five reproducible activities per guide reinforce basic reading and comprehension skills while teaching high-order critical thinking. Also included are teaching suggestions, background notes, summaries, and answer keys. The guide is digital; simply print the activities you need for each lesson. Timeless Classics--designed for the struggling reader and adapted to retain the integrity of the original classic. These classic novels will grab a student's attention from the first page. Included are eight pages of end-of-book activities to enhance the reading experience.

Frankenstein

After he constructs a corpse from body parts found on the street, Hadi wants the government to prepare a proper burial, but when the corpse goes missing, a series of strange murders occur and Hadi realizes he has created a monster.

Ancient Mariner

WITH BONUS MATERIAL: Pages from Victor Frankenstein's sketchbook and an excerpt from the upcoming sequel, *Such Wicked Intent*, available August 2012. Victor Frankenstein leads a charmed life. He and his twin brother, Konrad, and their beautiful cousin Elizabeth take lessons at home and spend their spare time fencing and horseback riding. Along with their friend Henry, they have explored all the hidden passageways and secret rooms of the palatial Frankenstein chateau. Except one. The Dark Library contains ancient tomes written in strange languages, and filled with forbidden knowledge. Their father makes them promise never to visit the library again, but when Konrad becomes deathly ill, Victor knows he must find the book that contains the recipe for the legendary Elixir of Life. The elixir needs only three ingredients. But impossible odds, dangerous alchemy and a bitter love triangle threaten their quest at every turn. Victor knows he must not fail. But his success depends on how far he is willing to push the boundaries of nature, science and love—and how much he is willing to sacrifice.

The Cambridge Companion to 'Frankenstein'

Places Mary Shelley's revolutionary novel in its political, philosophical and literary context. Frankenstein is one of the most popular novels from the Romantic period. This accessible study, written by a specialist in Romantic literature, examines Frankenstein within its literary and philosophical contexts. It looks closely at the range of genres from which the novel emerged, offering textual analysis of key passages from this and related texts. There is a summary of criticism on the novel, a discussion of the historical background, and a wide-ranging exploration of the literary sources. The study focuses on the moral questions that arise from the novel, investigating the range of questions that Shelley raises and offering an analysis of her answers.

Frankenstein in Baghdad

Frankenstein

Retells, in graphic novel format, Mary Shelley's classic tale of a monster, assembled by a scientist from parts of dead bodies, who develops a mind of his own as he learns to loathe himself and hate his creator.

The Lady and Her Monsters

Joseph B. Soloveitchik, the rabbi known as "The Rav" by his followers worldwide, was a leading authority on

the meaning of Jewish law and prominent force in building bridges between traditional Orthodox Judaism and the modern world. In *THE LONELY MAN OF FAITH*, a soaring, eloquent essay first published in *Tradition* magazine in 1965, Soloveitchik investigates the essential loneliness of the person of faith in our narcissistic, materially oriented, utilitarian society. In this modern classic, Soloveitchik uses the story of Adam and Eve as a springboard, interweaving insights from such important Western philosophers as Kierkegaard and Kant with innovative readings of Genesis to provide guidance for the faithful in today's world. He explains prayer as "the harbinger of moral reformation," and discusses with empathy and understanding the despair and exasperation of individuals who seek personal redemption through direct knowledge of a God who seems remote and unapproachable. He shows that while the faithful may become members of a religious community, their true home is "the abode of loneliness." In a moving personal testimony, Soloveitchik demonstrates a deep-seated commitment, intellectual courage, and integrity that people of all religions will respond to.

Frankenstein (1831 version) by Mary Shelley - Delphi Classics (Illustrated)

Mary Shelley (née Mary Wollstonecraft Godwin, often known as Mary Wollstonecraft Shelley) was a British novelist, short story writer, dramatist, essayist, biographer, travel writer, and editor of the works of her husband, Romantic poet and philosopher Percy Bysshe Shelley. She was the daughter of the political

Download Free Frankenstein Chapter Questions

philosopher William Godwin and the writer, philosopher, and feminist Mary Wollstonecraft. Mary Shelley was taken seriously as a writer in her own lifetime, though reviewers often missed the political edge to her novels. After her death, however, she was chiefly remembered only as the wife of Percy Bysshe Shelley and as the author of Frankenstein. It was not until 1989, when Emily Sunstein published her prizewinning biography *Mary Shelley: Romance and Reality*, that a full-length scholarly biography analyzing all of Shelley's letters, journals, and works within their historical context was published. The well-meaning attempts of Mary Shelley's son and daughter-in-law to "Victorianise" her memory through the censoring of letters and biographical material contributed to a perception of Mary Shelley as a more conventional, less reformist figure than her works suggest. Her own timid omissions from Percy Shelley's works and her quiet avoidance of public controversy in the later years of her life added to this impression. The eclipse of Mary Shelley's reputation as a novelist and biographer meant that, until the last thirty years, most of her works remained out of print, obstructing a larger view of her achievement. She was seen as a one-novel author, if that. In recent decades, however, the republication of almost all her writings has stimulated a new recognition of its value. Her voracious reading habits and intensive study, revealed in her journals and letters and reflected in her works, is now better appreciated. Shelley's recognition of herself as an author has also been recognized; after Percy's death, she wrote about her authorial ambitions: "I think that I can maintain myself, and there is something inspiring in the idea".

Scholars now consider Mary Shelley to be a major Romantic figure, significant for her literary achievement and her political voice as a woman and a liberal.

Flame and Shadow

Run away to the Metropolitan Museum of Art with E. L. Konigsburg's beloved classic and Newbery Medal-winning novel *From the Mixed-Up Files of Mrs. Basil E. Frankweiler*—now available in a deluxe keepsake edition! Claudia knew that she could never pull off the old-fashioned kind of running away...so she decided to run not from somewhere but to somewhere. That was how Claudia and her brother, Jamie, ended up living in the Metropolitan Museum of Art—and right in the middle of a mystery that made headlines. Celebrate the legacy of the Newbery Medal-winning classic with this special edition.

Mary Shelley: 'Frankenstein'

A thoroughly revised and updated edition of Thomas C. Foster's classic guide—a lively and entertaining introduction to literature and literary basics, including symbols, themes, and contexts—that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. *How to Read Literature Like a Professor* helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes—of the ultimate

professional reader: the college professor. What does it mean when a literary hero travels along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices, and form, Thomas C. Foster provides us with a broad overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface, and a new epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

Victor Frankenstein, the Monster and the Shadows of Technology

A Vindication of the Rights of Woman

In an era of revolutions demanding greater liberties for mankind, Mary Wollstonecraft (1759–1797) was an ardent feminist who spoke eloquently for countless women of her time.

The Year We Left Home

Sixteen original essays by leading scholars on Mary Shelley's novel provide an introduction to Frankenstein and its various critical contexts.

The Mortal Immortal

How to Read Literature Like a Professor Revised

A monster assembled by a scientist from parts of dead bodies develops a mind of his own as he learns to loathe himself and hate his creator. Shelley's suspenseful and intellectually rich gothic tale confronts some of the most important and enduring themes in all of literature-the power of human imagination, the potential hubris of science, the gulf between appearance and essence, the effects of human cruelty, the desire for revenge and the need for forgiveness, and much more.

The Lonely Man of Faith

Paratexts are those liminal devices and conventions, both within and outside the book, that form part of the complex mediation between book, author, publisher and reader: titles, forewords, epigraphs and publishers' jacket copy are part of a book's private and public history. In this first English translation of *Paratexts*, Gérard Genette shows how the special pragmatic status of paratextual declaration requires a carefully calibrated analysis of their illocutionary force. With clarity, precision and an extraordinary range of reference, *Paratexts* constitutes an encyclopedic survey of the customs and institutions as revealed in the borderlands of the text. Genette presents a global view of these liminal mediations and the logic of their relation to the reading public by studying each element as a literary function. Richard Macksey's foreword describes how the poetics of paratexts interact with more general questions of literature as a cultural institution, and situates Genette's work in contemporary literary theory.

The Letters of Mary Wollstonecraft Shelley

Tells the story of a scientist who discovers the secret of generating life from lifeless matter, and puts this knowledge to use by creating a monster being.

The Rime of the Ancient Mariner

NEW YORK TIMES BESTSELLER Executive producer and host Mike Rowe presents a delightfully entertaining, seriously fascinating collection of his favorite episodes from America's #1 short-form podcast, *The Way I Heard It*, along with a host of personal memories, ruminations, and insights. It's a captivating must-read. *The Way I Heard It* presents thirty-five mysteries "for the curious mind with a short attention span." Every one is a trueish tale about someone you know, filled with facts that you don't. Movie stars, presidents, bloody do-gooders, and villains—they're all here, waiting to shake your hand, hoping you'll remember them. Delivered with Mike's signature blend of charm, wit, and ingenuity, their stories are part of a larger mosaic—a memoir full of surprising revelations, sharp observations, and intimate, behind-the-scenes moments drawn from Mike's own remarkable life and career.

Frankenstein

In *Victor Frankenstein, the Monster and the Shadows of Technology: The Frankenstein Prophecies*, Romanyshyn asks eight questions that uncover how Mary Shelley's classic work *Frankenstein* haunts our world. Providing a uniquely interdisciplinary assessment, Romanyshyn combines Jungian theory, literary criticism and mythology to explore answers to the query at the heart of this book: who is the monster? In the first six questions, Romanyshyn explores how Victor's story and the Monster's tale linger today as the dark side of Frankenstein's quest to create a new species that would bless him as its

creator. Victor and the Monster are present in the guises of climate crises, the genocides of our "god wars," the swelling worldwide population of refugees, the loss of place in digital space, the Western obsession with eternal youth and the eclipse of the biological body in genetic and computer technologies that are redefining what it means to be human. In the book's final two questions, Romanyshyn uncovers some seeds of hope in Mary Shelley's work and explores how the Monster's tale reframes her story as a love story. This important book will be essential reading for academics and students of Jungian and post-Jungian theory, literature, philosophy and psychology, psychotherapists in practice and in training, and for all who are concerned with the political, social and cultural crises we face today.

Frankenstein Study Guide CD

A "New York Times" bestseller and a National Book Award finalist, "The Year We Left Home" chronicles the lives of the Erickson family as the children come of age in 1970's and '80's America.

Frankenstein Doesn't Plant Petunias

Frankenstein

In this groundbreaking work that sets apart fact and legend, authors Finkelstein and Silberman use significant archeological discoveries to provide historical information about biblical Israel and its

neighbors. In this iconoclastic and provocative work, leading scholars Israel Finkelstein and Neil Asher Silberman draw on recent archaeological research to present a dramatically revised portrait of ancient Israel and its neighbors. They argue that crucial evidence (or a telling lack of evidence) at digs in Israel, Egypt, Jordan, and Lebanon suggests that many of the most famous stories in the Bible—the wanderings of the patriarchs, the Exodus from Egypt, Joshua’s conquest of Canaan, and David and Solomon’s vast empire—reflect the world of the later authors rather than actual historical facts. Challenging the fundamentalist readings of the scriptures and marshaling the latest archaeological evidence to support its new vision of ancient Israel, *The Bible Unearthed* offers a fascinating and controversial perspective on when and why the Bible was written and why it possesses such great spiritual and emotional power today.

The Romantic Conflict

One of the BBC's '100 Novels That Shaped Our World' The Penguin English Library Edition of *Frankenstein* by Mary Shelley 'Never did I behold a vision so horrible as his face, of such loathsome, yet appalling hideousness' A twisted, upside-down creation myth, Mary Shelley's chilling Gothic tale lays bare the dark side of science, and the horror within us all. It tells the story of Victor Frankenstein, who plunders graveyards to create a new being from the bodies of the dead - but whose botched creature causes nothing but murder and destruction. Written after a nightmare
