Loose-leaf Fundamentals of Corporate Finance Alternate Edition

Corporate Finance, by Ross, Westerfield, Jaffe, and Jordan emphasizes the modern fundamentals of the theory of finance, while providing contemporary examples to make the theory come to life. The authors aim to present corporate finance as the working of a small number of integrated and powerful intuitions, rather than a collection of unrelated topics. They develop the central concepts of modern finance: arbitrage, net present value, efficient markets, agency theory, options, and the trade-off between risk and return, and use them to explain corporate finance with a balance of theory and application. The Twelfth Edition includes many exciting new research findings as well as the incorporation of the Tax Cuts and Jobs Act (TCJA) throughout the text. Connect is proven to deliver better results for students and instructors. Proven content integrates seamlessly with enhanced digital tools to create a personalized learning experience that provides students with precisely what they need, when they need it. With Connect, the educational possibilities are limitless.

before launching into any specifics. 2) A unified valuation approach—net present value (NPV) is treated as the basic concept underlying corporate finance. 3) A managerial focus—the authors emphasize the role of the financial manager as decision maker, and they stress the need for managerial input and judgment. The Tenth Edition continues the tradition of excellence that has earned Fundamentals of Corporate Finance its status as market leader. Every chapter has been updated to provide the most current examples that reflect corporate finance in today's world. The supplements package has been updated and improved, and with the enhanced Connect Finance and Excel Master, student and instructor support has never been stronger.

to predict life's hardest moments, but also to alter outcomes, overcome challenges, and defeat your fiercest adversaries. Founding Pastor of one of North America's most influential churches, Carey Nieuwhof wants to help you avoid and overcome life's seven hardest and most crippling challenges: cynicism, compromise, disconnectedness, irrelevance, pride, burnout, and emptiness. These are challenges that few of us expect but that we all experience at some point. If you have yet to confront these obstacles, Carey provides clear tools and guidelines for anticipation and avoidance. On the other hand, if you already feel stuck in a painful experience or are wrestling with one of these challenges, he provides the steps you need to find a way out and a way forward into a more powerful and vibrant future.

A Boy in Hiding: Surviving the Nazis is a poignant, true-survival story of a young boy who hid for four years underground in Holland during World War II. *A Boy in Hiding* sheds a light on the difficult road that lay ahead for Anne Frank-had she survived. This book is written from the point of view of an eight-year-old boy growing up too fast during the five years of the war. Now, sixty years later, Rubens gives a voice to the young boy, who-despite the hard times and difficulties he encountered, never lost his positive view on life.

A Boy in Hiding

Fifteen-year-old Annie Oakley is the sole supporter of her widowed mother and two siblings. An expert markswoman and independent spirit, she hunts game to sell to the local mercantile to make ends meet instead of accepting a marriage proposal that could solve all her problems. After a stunning performance in a shooting contest against the handsome and famous sharpshooter Frank Butler, Annie is offered a position in the renowned Buffalo Bill's Wild West Show. Finally, she has a chance to save the nearly foreclosed family farm and make her dreams come true. But then her Indian assistant is found dead in her tent, and Annie is dubious when the local coroner claims the death was due to natural causes. When another innocent is murdered, Annie begins to fear the deaths are related to her. And to make matters worse, her prized horse, Buck, a major part of her act, is stolen. Annie soon discovers that the solution to her problems lies buried in a padlocked Civil War trunk belonging to the show's manager, Derence LeFleur. And so, with the help of a sassy, blue-blooded reporter, Annie sets out to find her horse, solve the murders, and clear her name.

Business Week

When Morgan Carter's car breaks down 250 miles from his home, he figures his weekend plans are ruined. But things are about to get much, much worse: the country's power grid has collapsed. There is no electricity, no running water, no Internet, and no way to know when normalcy will be restored-if it ever will be. An avid survivalist, Morgan takes to the road with his prepper pack on his back. During the gruelling trek from Tallahassee to his home in Lake County, chaos threatens his every step but Morgan is hell-bent on getting home to his wife and daughters.

Inside the secret world of tennis court-siding. Brad Hutchins has been living a young bloke's dream: getting paid to travel the world and watch sport. Sitting court-side on the pro tennis circuit, he uses his phone to transmit results to a gambling syndicate, taking advantage of the time delay in TV broadcasts to beat other online punters to the big pay-offs. His stories from life on the road capture the adventures and mishaps that come with following the world's best tennis players and partying

in a new country every week. But like card counters in casinos, court-siders are despised by the tennis establishment. The more time Brad spends at tournaments, the harder it becomes for him to evade the security guards who are hell-bent on ejecting him from matches. The resulting cat-and-mouse chases will appeal to anyone who loves the roguish spirit of *The Wolf of Wall Street* or *Catch Me If You Can*. Brad Hutchins spent his youth playing sports and travelling the world, before finding his dream job as a tennis trader. Born and raised in Brisbane, he has lived and worked in the UK and Canada, and now teaches primary school students on the Gold Coast. *Game, Set, Cash!* is his first book.

Chilton's Motor Age

The true story of an ordinary woman living an extraordinary existence all over the world. “Gelman doesn’t just observe the cultures she visits, she participates in them, becoming emotionally involved in the people’s lives. This is an amazing travelogue.” —Booklist At the age of forty-eight, on the verge of a divorce, Rita Golden Gelman left an elegant life in L.A. to follow her dream of travelling the world, connecting with people in cultures all over the globe. In 1986, Rita sold her possessions and became a nomad, living in a Zapotec village in Mexico, sleeping with sea lions on the Galapagos Islands, and residing everywhere from thatched huts to regal palaces. She has observed orangutans in the rain forest of Borneo, visited trance healers and dens of black magic, and cooked with women on fires all

over the world. Rita's example encourages us all to dust off our dreams and rediscover the joy, the exuberance, and the hidden spirit that so many of us bury when we become adults.

Maybe you've thought, "Even if I could work 24 hours a day every day for months, I'd never catch up," or "If I could only clone myself--it would be so much better. No one else can do what I do." You find yourself missing deadlines, or worse, unable to respond to new customers, and opportunities are slipping through your fingers. If only sleep were optional! From the outside, everything seems to be going well, but you feel like you're struggling as a leader and need more help. Sleep is NOT optional and just working more hours won't take your company to the next level. Tandem Leadership illustrates these problems and how to solve them through the fictional character of Marcus Kinsey, a newly minted entrepreneur of a fast-growing company. Like many entrepreneurs, Marcus sees an opportunity and creates his own company to seize upon that opportunity. But he doesn't get far before he realizes that his vision and hard work alone won't make his company a success nor

give him the life he wants as an owner. Marcus learns about the Tandem Leadership process and begins to carefully craft the business and personal life he had always hoped to achieve. The "second-in-command" or #2 position, often underrated, is a cornerstone of a company's growth and success. Understanding how to add this key element to your company successfully increases the odds of making the transition from a solopreneur to a true CEO. CEOs: If you are the bottleneck at your company, Tandem Leadership is for you!
