Taking the Enlightenment and the feminist tradition to which it gave rise as its historical and philosophical coordinates, *Feminism and the Politics of Travel After*

the Enlightenment explores the coincidence of feminist vindications and travel in the late eighteenth and nineteenth centuries, the way travel's utopian dimension and feminism's utopian ideals have intermittently fed off each other in productive ways. Travel's gender politics is analyzed in the works of J.-J. Rousseau, Mary Wollstonecraft, Stéphanie-Félicité de Genlis, Germaine de Staël, Frances Burney, Flora Tristan, Suzanne Voilquin, Gustave Flaubert George Sand, Robyn Davidson, and Sara Wheeler.

Which Rights Should be Universal?

New York Times bestselling author Lynsay Sands delivers a "madcap escapade" (Publishers Weekly) in this contemporary romance about a quirky inventor and unexpected love. Shy Jane Spyrus loves gadgets. She can build anything B.L.I.S.S. needs in the international organization's fight against crime—although its agents aren't exactly lining up at her door. Some of them think her inventions are a little too . . . well, innovative. Like her shrink-wrap prophylactic constraints or her spray-on truth serum. Of course, you can't use wacky inventions to fix all your problems; Jane knows that better than anyone. Her neighbor has been kidnapped, driving that point home. She will have to team up with another human being—and Abel Andretti arrives just in time. He will help Jane find her neighbor, stop a villain, and, most of all, he will show Jane how to love the daylights out of something without batteries.

A prophetic memoir by the activist who “articulated the intellectual foundations” (The New Yorker) of the civil rights and women’s rights movements. First published posthumously in 1987, Pauli Murray’s *Song in a Weary Throat* was critically lauded, winning the Robert F. Kennedy Book Award and the Lillian Smith Book Award among other distinctions. Yet Murray’s name and extraordinary influence receded from view in the intervening years; now they are once again entering the public discourse. At last, with the republication of this “beautifully crafted” memoir, *Song in a Weary Throat* takes its rightful place among the great civil rights autobiographies of the twentieth century. In a voice that is energetic, wry, and direct, Murray tells of a childhood dramatically altered by the sudden loss of her spirited, hard-working parents. Orphaned at age four, she was sent from Baltimore to segregated Durham, North Carolina, to live with her unflappable Aunt Pauline, who, while strict, was liberal-minded in accepting the tomboy Pauli as “my little boy-girl.” In fact, throughout her life, Murray would struggle with feelings of sexual “in-betweenness”—she tried unsuccessfully to get her doctors to give her testosterone—that today we would recognize as a transgendered identity. We then follow

Murray north at the age of seventeen to New York City's Hunter College, to her embrace of Gandhi's Satyagraha—nonviolent resistance—and south again, where she experienced Jim Crow firsthand. An early Freedom Rider, she was arrested in 1940, fifteen years before Rosa Parks' disobedience, for sitting in the whites-only section of a Virginia bus. Murray's activism led to relationships with Thurgood Marshall and Eleanor Roosevelt—who respectfully referred to Murray as a “firebrand”—and propelled her to a Howard University law degree and a lifelong fight against "Jane Crow" sexism. We also read Betty Friedan's enthusiastic response to Murray's call for an NAACP for Women—the origins of NOW. Murray sets these thrilling high-water marks against the backdrop of uncertain finances, chronic fatigue, and tragic losses both private and public, as Patricia Bell-Scott's engaging introduction brings to life. Now, more than thirty years after her death in 1985, Murray—poet, memoirist, lawyer, activist, and Episcopal priest—gains long-deserved recognition through a rediscovered memoir that serves as a “powerful witness” (Brittney Cooper) to a pivotal era in the American twentieth century.
