All His Engines

Throughout his career, mystical troubleshooter John Constantine (Hellblazer) has faced incomprehensible horrors. So, not much scares him and he even tries to be a nice guy some of the time. Now, haunted by the ghost of his former lover, Isabella Bracknell, he must find her killer and give him Hell.

Graphic Novels: A Guide to Comic Books, Manga, and More, 2nd Edition

The very first Hellblazer collection is back in a new edition that includes John Constantine's early appearances in SWAMP THING #76-77 along with HELLBLAZER #1-9. This is the first of a series of new HELLBLAZER collections that put all his adventures in reading order, capturing Constantine at his youthful, anarchic best.

Justice League Dark Vol. 2: The Books of Magic (The New 52)

When a trail of murder and blood leads to Constantine, he is exposed and is forced to go on the run. But before long he discovers a conspiracy to harness the power of ley lines and nightmares to create a fear machine - and only Constantine stands in the way

Haunted

Occult detective John Constantine has seen many strange things in his career, but the horrors of "reality television" are a new genre. When in the "Haunted Mansion", a hot new show on TV, the house itself starts attacking the contestants, Constantine must figure out who, or what, is pulling the strings in this macabre situation, before it becomes his last investigation

Hell Eternal

In these tales from HELLBLAZER #14-22, Constantine finds himself encamped with a new-age pagan group that's tapping into their own psychic abilities - but a defense contractor is out to exploit their powers.

Hellblazer

John Constantine has been lots of things in the course of his long and lurid life-a life spent uneasily balanced on the fault line between the everyday and the supernatural. Sorcerer. Chain-smoker. Con man. Aging punk. Incurable bastard. But a knight of the bloody Round Table? That's a new one. It's not as far-fetched as it might seem, however, considering that all of England is quickly descending into

an inferno of mystical chaos. Albion is burning, and someone is breaking the bonds that have held the ancient isle together since the dawn of time. Dragon, wizard, demon-whatever you call it, the power of Merlin has risen again, and he's determined to take an immortal lifetime's worth of vengeance against God himself. There's only one man who can stop him: the legendary king whose soul is pledged to defend his realm throughout the ages. No points for guessing who the unlucky sod is that has to dig him up. Legendary talents Paul Jenkins, Sean Phillips, Charles Adlard and Warren Pleece drag comics' most notorious rogue kicking and screaming into the mists of Avalon in HELLBLAZER VOL. 11: LAST MAN STANDING, collecting the never-before-reprinted issues #108-120 of the signature VERTIGO series and featuring the character's special 10th anniversary celebration, bursting with special guests and capping off Sean Phillips's historic run on the title.

Hellblazer

John Constantine is back in London, back to his old tricks-and just in time, as things have become very dark indeed in his old stomping grounds. A small-time gang lord has found himself dealing with a big-time outbreak of supernatural weirdness and without any allies to call on and nothing left to call his own, John doesn't have much choice about taking a paycheck from one of London's worst, or accepting the help of one of the gang lord's would-be foot soldiers. But what should be an open-and-shut exorcism turns out to be nothing but and the author of this madness may

just be getting started on their terrible masterpiece! The original Constantine is back in this series from Si Spurrier (The Dreaming) and Aaron Campbell (Infidel), with nothing to his name but decades of bad memories and an unearned second chance. How, exactly, will he squander it? The Sandman Universe Presents Hellblazer (2019-) #1

After a stint in a hospital rehab, John Constantine finds the London streets very different from how he left them as a series of occult murders and mutilations demands his attention.

Shadowman by Garth Ennis & Ashley Wood

John Constantine, the dark prince of England's occult underground, knows the sooty streets of London like the back of his cigarette-toting hand. But half a world away there's a new threat rising that not even Constantine can see coming.

John Constantine, Hellblazer Vol. 13: Haunted

more grip on reality than absolutely necessary. Gasp in awe as Captain Darcy, "Doubtful" Milk, Sergeant Crumb, Corporal Geezer, Hank the Yank and the Piper give Adolf's jackbooted goons the thrashing they richly deserve

John Constantine, Hellblazer Vol. 5: Dangerous Habits (New Edition)

After spending a year and a half wandering through the darkest corners of America, John Constantine has returned home! His port of entry is Liverpool, where the decaying landscape and gentle undercurrent of despair match his frame of mind. Of course, no sooner does he set foot upon his native land than he stumbles into a small-time necromancy-and-murder ring centered on his own sister's apartment building. More worrying than this sordid little power trip is the disappearance of his niece, Gemma, who's turning out to be a bit too much like her uncle for anybody's good. In her eagerness to learn the family trade, Gemma has gone to London and fallen in with a bad crowd, and pulling her out means that Constantine will have to join the search for a distinctly nasty magical artifact-one that shouldn't fall into anyone's hands, least of all those of the man determined to find it. Critically acclaimed author Mike Carey kicks off his acclaimed run on England's legendary magus with JOHN CONSTANTINE, HELLBLAZER VOL. 16: THE WILD CARD, collecting issues #175-188 of the signature Vertigo series and

featuring the fan-favorite artistic talents of Marcelo Frusin, Steve Dillon, Lee Bermejo, Doug Alexander Gregory and Jock.

A goth. A gun. A femme fatale. A white supremacist commando wannabe. What sick twist of fate brings them all together, turning three intelligent young Brits into neo-Nazi sociopaths on the run and shot to death in heartland U.S.A.? An ugly tale of brutal obsession, Hellblazer charts this disaffected trio's spiraling descent from a sordid love triangle, through paramilitary internet intrigue, and into a conspiratorial and dangerous world from which there is no way out, alive.

Bloodlines

Jump into the opening chapter of this wickedly funny and racy modern reintroduction of John Constantine! The dead can't die again—even within the supernatural circles that surround John Constantine, some things are impossible. But when the ghosts that haunt the occult detective start being murdered, it becomes clear the rules have changed. Far worse than ordinary death, this second death means oblivion—no afterlife, no way back. To stop it, Constantine must explore the barriers between the mundane and the extraordinary: the thin places. The investigation takes the Hellblazer from New York City back home to London,

where he joins up with an old rival, now an exorcist in Her Majesty's Secret Service. Their dark, tangled history together is filled with music and magic, failed friendships and disastrous romance. But even if Constantine somehow survives the supernatural serial killer, the price involved could leave whatever's left of his soul beaten and broken. **CONSTANTINE: THE HELLBLAZER: GOING DOWN** collects the first six issues of the groundbreaking series by celebrated writers Ming Doyle (**THE KITCHEN**) and James Tynion IV (**BATMAN ETERNAL**) and acclaimed artists Riley Rossmo (**Proof**) and Vanessa Del Rey (**Hit**).

John Constantine: Hellblazer Vol. 21: The Laughing Magician

John Constantine is an unconcerned, somewhat amoral occultist with a British working-class background. He's a hero, of sorts, who manages to come out on top through a combination of luck, trickery, and genuine magical skill. The 'Original sins' collection is a loosely connected series of tales of John's early years where Constantine was at his best and at his worst, all at the same time.

John Constantine, Hellblazer: 30th Anniversary Celebration

After the events of **NO JUSTICE**, Wonder Woman guides the misfit team of Justice League Dark against enemies too fantastic for even the Justice League. Plus, what

awful things are coming through the Tree of Wonder? Dark days lie ahead in these stories from JUSTICE LEAGUE DARK #1-3 and 5-6.

Hellblazer

Features the wrenching finale of Paul Jenkins's never-before-collected run on the title, as well as Garth Ennis and John Higgins's brutal five-issue coda, "Son of Man." For a man as cynical and jaded as John Constantine, there's only one kind of torment for which he is unprepared: contentment. But the fact is (even though he recently cut off a piece of his soul and marooned it in Hell to suffer for his sins), things are actually going pretty well. He's got a new girlfriend that he hasn't yet killed or damned or driven insane; his surviving friends and family are, by all accounts, still alive and healthy; and his enemies, for the most part, are either dead or trapped in some form of eternal torment. Not a bad score, overall. Naturally, this means that it's time for everything to go up in flames. Because when you're as prolific at making enemies as John Constantine is, there's always going to be a few that you don't know about, as well as one or two heavyweights who can afford to bide their time. When the two meet, it's best to get as far away as possible—the collateral damage alone promises to be as deadly as it is indiscriminate. Collects HELLBLAZER #121-133.

Hellblazer by Garth Ennis Omnibus

The continuation of the groundbreaking, Eisner Award-winning series-including the pivotal story arcs 'A Wake' and 'Punch Line.' If you were given a chance at deadly retribution with a guarantee that the law could not touch you, would you take it? That's the opportunity that a man called Agent Graves provides, in the form of a special briefcase containing an untraceable gun and one hundred rounds of ammunition. To the damaged and downtrodden living on the fringes of society, the offer is a once-in-a-lifetime chance to even their scores. But beyond the dilemma of whether or not to pull the trigger lies a deeper and even more troubling concern: just who is making these actions possible-and why? Collects 100 BULLETS #59-80.

Adventures in the Rifle Brigade

In a grimy London torn by racism and despair, John Constantine's battles with guilt lead him to help an ex-girlfriend, now hooked on heroin and forced into prostitution. Constantine finds himself facing the wrath, not only of the girl's pimp, but also of Satan, who intends to have his revenge.
