Standard-setting represents one of the main constitutional functions of UNESCO

and an important tool for realizing the goals for which the Organization was created. In addition to conventions and recommendations, the declarations adopted by the General Conference promulgate principles and norms intended to inspire the action of Member States in specific fields of activity. This second of a two-volume work on Standard-Setting in UNESCO collects the complete texts of all UNESCO instruments. Part I of Conventions, Recommendations, Declarations and Charters adopted by UNESCO (1948-2006) contains conventions and agreements adopted by the General Conference and by intergovernmental conferences convened by UNESCO itself or jointly by UNESCO and other international organizations. Part II includes the recommendations issued by the General Conference, while Part III features all UNESCO declarations. Co-publication with the UNESCO.

These lively stories follow Rey Castaneda from sixth through eighth grade in Nuevo Penitas, Texas. One side of Rey's family lives nearby in Mexico, the other half in Texas, and Rey fits in on both sides of the border. In Nuevo Penitas, he enjoys fooling around with his pals in the barrio; at school, he's one of the "A list" kids. As Rey begins to cross the border from childhood into manhood, he turns from jokes and games to sense the meaning of work, love, poverty, and grief, and what it means to be a proud Chicano—moments that sometimes propel him to show feelings un hombre should never express. It's a new territory where Rey longs to follow the example his hardworking, loving father has set for him.
