Honda 125 Scooters Service and Repair Manual 2000-2010

John Haynes

Discusses grips, calibers, loads, and the care and fitting of a holster, and looks at the keys to the fast draw and successful gunfighting

Legendary Motorcycles

Motorcycles are mythic, far more than mere transportation, but some are in a class of their own, truly legendary machines. There are the Triumphs: James Dean's, Marlon Brando's in The Wild Ones, the one Steve McQueen took over the fence in The Great Escape. There are Evel Knievel's and Elvis's Harleys, the Easy Rider Stars 'n' Stripes bike, and T. E. Lawrence's Brough Superior SS100; Von Dutch's Condor, Craig Vetter's Mystery Ship, and Mike Hailwood's Honda RC162. These are just some of the machines that have made motorcycle history, and that make this book a feast for the eyes and a fact-filled odyssey for the motorcycle aficionado. Illustrated with commissioned photographs and historical images, the book profiles the bikes--not just the models but the actual motorcycles--that have achieved legendary status in the last century. Their stories, told here in detail for the first time, make up the story of the motorcycle in American culture. See Motorbooks author Basem Wasef interviewed by Jay Leno on JayLenosGarage.com:
