### **Honda XL/XR/TLR125-200 1979-2003**

Read Matthew Biberman's posts on the Penguin Blog. "If you believe it is possible to fall in love with a motorcycle, you will love this book." -Jay Leno When Big Sid had a heart attack and gave up the will to live, his son Matthew Biberman panicked. Impulsively, Matthew promised his father that they would build a Vincati together. This fusion of two legendary motorcycles, the Vincent Black Shadow and the Ducati GT, a Vincati was considered near-impossible to build. But if anyone could do it, Matthew knew his father could. Big Sid was the mechanic to see about repairing Vincents for nearly sixty years. But now, Sid was old, busted up and broke. Matthew, despite sharing his dad's passion, had become a Shakespearean scholar. The two men hadn't spoken in years-but called a truce to attempt a shared dream. Zen and the Art of Motorcycle Maintenance meets Shop Class as Soulcraft, in this heartfelt memoir that shows how two very different men built a legendary motorcycle, and along the way, discovered what it means to be father and son.

This beautiful book is the foremost account of the history of Honda. The result of \$3,200 and a dream in 1948, The Honda Motor Company has become synonymous with innovation and quality and leads the world in motorcycle technology. With every passing year and each new model, the Honda name becomes even more prestigious in the motorcycling world. The world of Honda and motorcycle enthusiasts both crave a comprehensive look at these bikes and the company that produces them and this outstanding chronicle offers a truly remarkable perspective of more than fifty years of Honda's prowess.
