Learning English as a second language can be daunting for beginners, and one of the major areas in which a lack of proficiency can surface is in essay writing.

Although it can be intimidating, this guide seeks to help allay the fears that confront students. Author Phil Rashid uses his many years of experience teaching English as a second language to show students how to construct a clearly written essay. He starts at the beginning, going through the basics of writing paragraphs, as many students lose exam marks by not adhering to the basic principles of writing. He explains the essential difference between titles and topics, the significance of the opening paragraph, and the importance of sticking to the main point of the essay. Rashid takes you through to writing a conclusion in order to wrap up your essay coherently and effectively. By following the guidelines and suggestions in *How to Write an Essay*, you can approach essay writing not with dread, but with confidence.

Writing an amazing college admission essay is easier than you think! So you're a high school senior given the task of writing a 650-word personal statement for your college application. Do you tell the story of your life, or a story from your life? Do you choose a single moment? If so, which one? The options seem endless. Lucky for you, they're not. College counselor Ethan Sawyer (aka The College Essay Guy) will show you that there are only four (really, four!) types of college admission essays. And all you have to do to figure out which type is best for you is answer two simple questions: 1. Have you experienced significant challenges in your life? 2. Do you know what you want to be or do in the future? With these questions providing the building blocks for your essay, Sawyer guides you through the rest of the process, from choosing a structure to revising your essay, and answers the big questions that have probably been keeping you up at night: How do I brag in a way that doesn't sound like bragging? and How do I make my essay, like, deep? Packed with tips, tricks, exercises, and sample essays from real students who got into their dream schools, *College Essay Essentials* is the only college essay guide to make this complicated process logical, simple, and (dare we say it?) a little bit fun.

A Visual Guide to Essay Writing

The skills required to write an essay are the same skills required to write a speech, to prepare a persuasive argument, to prove a point, or to explain an idea. If we can help our students acquire these skills as we teach "the essay," we will have

assisted them in accomplishing truly valuable life skills. Essay Writing contains easy-to-incorporate lessons along with tips for teaching specific concepts that range from pre-writing exercises to revising and editing to celebrating the final product. This down-to-earth look at the foundations of good essay writing is full of useful ideas and strategies that help students: build skills in writing on a wide range of topics; distinguish between formal and informal writing; use effective pre-writing techniques such as brainstorming, making an outline, gathering information, and evaluating the relevance of information; gain confidence as they begin to recognize what works and what doesn't. The book incorporates a wide range of innovative approaches to teaching essay writing — from how to “picture” and “act out” an essay to a winning format for a topic sentence and using scattergrams to turn brainstorming into constructive outlines. Throughout the book, assessment tools and marking keys support simple marking techniques that consider not just the final essay, but effort and time on task.
