### **I Love Mondays**

(Previously known as "Advanced Level Audit Risks & Tests") New revised 2017 edition of our very popular Audit exam room notes book. NEW FEATURE FOR 2017 - we have now added exam room notes on all Advanced Level Assurance areas such as internal audit, corporate governance and examination of prospective information (ISAE 3400) - this book therefore provides notes not only for statutory audit risks & tests questions but also on specialist assurance areas. Provides an alphabetical quick reference list of approximately 70 key audit test and risk areas and 14 assurance topics, based on our careful review of the ICAEW Study Manual for Corporate Reporting, the ICAEW Question Bank for Corporate Reporting and the previous "old" TI paper in Business Reporting, together with past papers and ICAEW mocks for both the evolved Advanced Level and "old" TI level. Useful as a quick reference guide to generate reminders in the exam. Reduces the time that you will need to invest in revising Audit & Assurance, which is a fundamental element of the Corporate Reporting paper, given the removal of Tax from this

evolved ACA paper - now 2 of the 3 questions in CR will have a heavy or even exclusive emphasis on Audit & Assurance so the importance of this book's information and quick reference approach has been further enhanced under the evolved ACA. This book removes the need for you to prepare your own folder notes on Audit & Assurance, leaving more time to invest in other aspects of the Advanced Level syllabus. In addition to reviewing past papers and mocks, we have carefully summarised the audit tests in the "Audit Focus" sections now included in the 2015 and later editions of the Corporate Reporting Study Manual to ensure that you have a quick reference source of tests which have been emphasised in the new Advanced Level materials (i.e. tests which the examiners appear keen for students to learn and mention but which are somewhat hidden away at the end of the financial reporting chapters of the Corporate Reporting Study Manual). All such tests are now indicated in bold in the relevant sections of our book. All 70 Audit areas and 14 Assurance topics are arranged in alphabetical order, allowing quick reference without having to remember which chapter to consult. Risks & tests are contained in the first part of the book and Assurance is split out separately into the second part of the book for ease of reference. Where relevant, cross references between Audit areas are also included, giving you reminders and hints. For a free sample, see the Samples page at [www.acasimplified.com](http://www.acasimplified.com). Look out for our other Advanced Level Exam Room Notes publications (SBM Exam Room Notes and FR Exam Room Notes) - out now on Amazon!

## **Analysis for Financial Management**

Smashing SBM contains 250+ pages of tips and tricks, based around the same approach as our successful and best-selling Cracking Case book: practical, student-focused and simple advice on what to do to pass this unusual examination. Given the relatively low number of questions in SBM (just 2) and the very open nature of the requirements, it is vital that you have a way of determining which areas are important and which issues are going to attract fewer marks. Smashing SBM sets out an effective planning methodology (which we call MAPs) which helps you identify the mark allocation and spend your time effectively. Our MAPs give direction to your answer by providing reminders on how to assess the likely mark allocation whilst also reminding you of key things to do in Q1 and Q2, based on our review of examiner comments. Smashing SBM also contains detailed reviews of the

2 real examination papers taken in 2014 with a view to understanding patterns in the question format and content, as well as the mark allocation. Smashing SBM includes detailed revision of key financial management and business strategy topics, as assessed in the real examination papers and ICAEW SBM mock exams. We have also included selected questions from our Business Strategy and Financial Management Q&A books to help you revise these areas very quickly. The book also contains detailed notes on the Specialist Audit & Assurance topics which are examinable at the Advanced Level. Our revision notes focus on areas other than statutory audit as we know that around 10% of the marks will be for these specialised areas such as internal audit, agreed upon procedures, review of prospective information and so on. Smashing SBM contains detailed revision of ethics, including various ethical frameworks, to help you achieve the 5-10% of marks available for ethics in SBM. Smashing SBM is designed to pair up with its sister publication, SBM Exam Room Notes 2015, which is due for release in May and which provides clear, alphabetically-referenced sets of notes on all key SBM topics to provide exam room reminders of mark-scoring points - perfect for avoiding exam room panic! ## **Advanced Level Financial Reporting Exam Room Notes 2018**

With an insider's view of the mind of the master, Mary Buffett and David Clark have written a simple guide for reading financial statements from Buffett's successful perspective. They clearly outline Warren Buffett's strategies in a way that will appeal to newcomers and seasoned Buffettologists alike. Inspired by the seminal work of Buffett's mentor, Benjamin Graham, this book presents Buffett's

interpretation of financial statements with anecdotes and quotes from the master investor himself. Destined to become a classic in the world of investment books, Warren Buffett and the Interpretation of Financial Statements is the perfect companion volume to The New Buffettology and The Tao of Warren Buffett.

### **Warren Buffett and the Interpretation of Financial Statements**

Our Advanced Level Financial Reporting Exam Room Notes 2018 provide an alphabetically-organised set of quick reference notes of relevance to both the Corporate Reporting and Strategic Business Management Advanced Level examinations. We have worked backwards from the model answers to all Advanced Level past papers, mock exams and Question Bank questions to summarise 80 highly examinable financial reporting areas into sets of key mark-scoring points - ideal to prevent you dropping easy marks by forgetting basic points and also helpful when attacking harder parts of the questions. In addition, as it is vital to revise brought forward knowledge from FAR as part of your preparations for the Advanced Level examinations (in many Corporate Reporting examinations, brought forward FAR knowledge is worth at least as many marks as the new Advanced Level FR topics) the book also includes key model answer points from our review of all FAR past papers, mock exams and Question Bank questions to provide useful reminders - examiner feedback is often that the brought forward knowledge of candidates is weak, losing many potentially easy marks. All content is organised in

a sensible alphabetical format so that you can very quickly find the content that you need. This organisation is more efficient than organisation by Study Manual chapter and should save you time in finding the information you require - just head to the "D" section for Deferred Tax, rather than having to remember to look in chapter 22 of the Study Manual. The book has been developed by the same authors behind our very successful BPT Exam Room Notes and SBM Exam Room Notes and is based on our trademark style of simple, clear and succinct explanations of syllabus content. Important notice: this set of Exam Room Notes has been designed as a quick reference resource to remind you of content that you should already have studied in detail based on the ICAEW Study Manual and your tuition provider's notes. You must already have studied the Advanced Level syllabus in detail before using this book - the book is in no way designed to replace the Study Manual as a learning resource. If you have invested insufficient time in learning the syllabus content then our Exam Room Notes will not be comprehensible or useful as the book only provides reminders regarding material you must already have studied. Look out for our other Advanced Level Exam Room Notes publications (SBM Exam Room Notes and Audit and Assurance Exam Room Notes)! See [www.acasimplified.com](http://www.acasimplified.com) for more information on our popular Exam Room Notes series.

## **Management and Cost Accounting**

Our SBM Exam Room Notes provide condensed summaries of over 100 key SBM topics, based on our careful review of the SBM syllabus, SBM past papers & ICAEW mocks and the topics tested under the similar Business Change paper of the previous ACA syllabus. The 2018 edition of our SBM Exam Room Notes has been fully updated for the 2018 syllabus and we have added several new sections on key syllabus updates such as cloud computing, cyber security, Digital Transformation, new content relating to Big Data, amongst other areas. We have also updated the book for the possible increased likelihood of testing of ISAE 3402 implied by the syllabus additions on IT topics. In response to the recent trend for SBM past papers to test brought forward derivatives knowledge from the Financial Management paper, the 2018 edition of our SBM Exam Room Notes also includes reminders on how to perform calculations for forwards, futures, options, Interest Rate Swaps, Forward Rate Agreements and Money Market Hedging. All topics are organised alphabetically for very quick reference under time pressure in the examination and include calculations where relevant. We also provide a list of topics organised by scenario (Acquisitions, Change, Finance, Growth etc) so that you can quickly find sets of relevant notes. Using our SBM Exam Room Notes will help you avoid a mind blank in the examination and will keep you focused on points that are more likely to score. Where relevant, we include "See also" references together with page references to give you additional areas to think about as well as a direct page reference so that you can instantly access the related information: these references can be very helpful in generating further

mark-scoring ideas and connections under time pressure. Important notice: this set of Exam Room Notes has been designed as a quick reference resource to remind you of content that you should already have studied in detail based on the ICAEW Study Manual and your tuition provider's notes. You must already have studied the Advanced Level syllabus in detail before using this book - the book is in no way designed to replace the Study Manual as a learning resource. If you have invested insufficient time in learning the syllabus content then our Exam Room Notes will not be comprehensible or useful as the book only provides reminders regarding material you must already have studied. Look out for our other Advanced Level Exam Room Notes publications (Audit and Assurance Exam Room Notes and Financial Reporting Exam Room Notes)! New 2018 edition based on the updated 2018 ICAEW Study Manual and including analysis of mark allocation in all recent past papers through to September 2017 (December 2017 markscheme not available at the time of writing). Short form question bank providing over 400 practice questions for the Professional Level Audit and Assurance exam. Designed to complement past paper practice by splitting topics and concepts into smaller and more manageable chunks which you can revise many times before the exam, helping the knowledge to sink in. Helps to build your confidence and avoid becoming overwhelmed by the large number of learning points in full exam standard questions. Instead, our Q&A tests one thing at once and therefore allows you to learn an issue properly before moving on. Questions are organised into 11 chapters, covering all aspects of the syllabus but concentrating on key exam areas such as audit testing, modifying reports, ISA and ISAE rules and audit-specific ethics issues. Analysis of distribution of marks in past papers covering the 2009 to September 2017 period to help you focus your revision on key areas (December 2017 markscheme not available at the time of

writing). Detailed questions on audit procedures and risks, a topic which regularly accounts for around 25% of a typical paper and can make or break your attempt to pass. Provides a firm basis for Advanced Level questions involving audit issues in the Corporate Reporting paper: Q&A can be reused at later stages of the ACA to revise the key areas which the examiner will assume as brought forward knowledge. All questions are designed to split topics into smaller parts, allowing you to study one thing at once and gradually build up knowledge. See [www.acasimplified.com](http://www.acasimplified.com) for more information on our Q&A technique.

### **Tax Compliance Q&a 2019**

This guide is designed to assist all those who are responsible for providing or overseeing formal education or practical experience that forms part of the initial professional development of aspiring professional accountants, or the continuing

professional development of professional accountants. It is particularly relevant to professional accountancy organizations. It is also intended for policy makers and regulators who determine which organizations are licensed to certify professional accountants and related specializations, for example, audit professionals. The purpose of the guide is to

- increase understanding of the gap between the current skills of many accountants in some regions and the skills that are relevant in increasingly digitized and globalized economies;
- convey the essential features of Competency-Based Accounting Education, Training, and Certification (CBAETC);
- provide a common reference framework for organizations pursuing CBAETC and the consultants working with them;
- assist countries in developing in-country plans and implementing in-country processes that produce accountants with higher-order skills relevant to their economy's rapidly evolving needs; and
- improve financial reporting, auditing, and regulation.

This guide complements and builds on International Education Standards (IES™) of the International Accounting Education Standards Board™ (IAESB™).

### **Audit and Assurance Q&a 2018**

Fully updated for FA 2015 and the new 2016 edition of the ICAEW Study Manual, including the new tax topics added to the 2016 BPT syllabus. This set of Exam Room Notes organises the complicated BPT syllabus into 86 separate topics, with most topics summarised in 2 pages or less. All topics have been included in

alphabetical order for quick reference. Need to know about the Capital Goods Scheme? Go straight to the C section rather than having to remember that CGS is included in chapter 8 of the Study Manual (and whichever chapter of the notes you have received from your tuition provider). We also include a large number of cross references between topics ("See also" reminders) together with the relevant page numbers so that you can quickly check the interactions between taxes to gain more marks. These reminders will also help you to generate more ideas under time pressure. Our BPT Exam Room Notes have been produced by the same tutor team responsible for our bestselling TI Audit Risks & Tests book and are based on the same principle - simple, clear and quick reference material which you can use with ease, even under exam room pressure. See [www.acasimplified.com](http://www.acasimplified.com) for more information on our materials and to download free PDF samples of our publications.

It includes a step-by-step approach to topics that students may find difficult, such as control account reconciliations and suspense accounts. There are lots of examples and questions in each chapter to help you practise the techniques.

### **Accountants' Truth**

Our Advanced Level Financial Reporting Exam Room Notes 2019 provide an alphabetically-organised set of quick reference notes of relevance to both the Corporate Reporting and Strategic Business Management Advanced Level examinations. The 2019 edition of the book has been extensively revised to allow for IFRS 9 and IFRS 15 becoming the main examinable standards on financial instruments and revenue (respectively) in the 2019 Advanced Level syllabus. We have worked backwards from the model answers to all Advanced Level past papers, Mock exams and Question Bank questions to summarise approximately 75 highly examinable financial reporting areas into sets of key mark-scoring points - ideal to prevent you dropping easy marks by forgetting basic points and also helpful when attacking harder parts of the questions. In addition, it is vital to revise brought-forward knowledge from the Professional Level paper in Financial Accounting and Reporting (FAR) as part of your preparations for the Advanced Level examinations (in many Corporate Reporting examinations, brought-forward FAR knowledge is worth at least as many marks as the new Advanced Level FR topics). Therefore, the book also includes key model answer points from our review of all FAR past papers, Mock exams and Question Bank questions to provide useful reminders - examiner feedback is often that the brought-forward knowledge of

candidates is weak, losing many potentially easy marks. All content is organised in a sensible alphabetical format so that you can very quickly find the content that you need. This organisation is more efficient than organisation by Study Manual chapter and should save you time in finding the information you require - just head to the "D" section for Deferred Tax, rather than having to remember to look in chapter 22 of the Study Manual. The book has been developed by the same authors behind our very successful BPT Exam Room Notes and SBM Exam Room Notes books and is based on our trademark style of simple, clear and succinct explanations of syllabus content with a focus on what you really need to do to get the marks as quickly as possible. Important notice: this set of Exam Room Notes has been designed as a quick reference resource to remind you of content that you should already have studied in detail based on the ICAEW Study Manual and your tuition provider's notes. You must already have studied the Advanced Level syllabus in detail before using this book - the book is in no way designed to replace the Study Manual as a learning resource. If you have invested insufficient time in learning the syllabus content then our Exam Room Notes will not be comprehensible or useful as the book only provides reminders regarding material you must already have studied. ## **Smashing Strategic Business Management: How to Pass the ACA SBM Examination 2016**

New 2019 edition based on the updated 2019 ICAEW Study Manual and including analysis of mark allocation in all recent past papers through to September 2018 (December 2018 markscheme not available at the time of writing). A large number of new questions on IFRS 9 and IFRS 15 have been added and questions on IAS 39 and IAS 18 have been deleted to allow for significant changes to the 2019 FAR syllabus. Provides over 1,100 short form questions to help you learn all aspects of the complex and detailed FAR syllabus. Designed to complement past paper practice by splitting topics and concepts into smaller and more manageable chunks which you can revise many times before the exam, helping the knowledge to sink in. Helps to build your confidence and avoid becoming overwhelmed by the large number of learning points in full exam standard questions. Instead, our Q&A tests one thing at once and therefore allows you to learn an issue properly before moving on. All questions are designed to split topics into smaller parts, allowing you to study one thing at once and gradually build up knowledge. Analysis of distribution of marks in past papers covering the 2009 to September 2018 period to help you focus your revision on key areas (December 2018 markscheme not available at the time of writing). Contains all relevant Financial Accounting and Financial Reporting questions from our previous FA and FR Q&A books for the old

syllabus, updated where necessary. We have also added many new questions for FAR. We also include a detailed introduction explaining some key revision and answering techniques for the 2 different types of FAR question (narrative or "financial reporting" style and numerical or "financial accounting" style). Provides a firm basis for Advanced Level questions involving financial reporting in the Corporate Reporting paper: Q&A can be reused at later stages of the ACA to revise the key areas which the examiner will assume as brought forward knowledge. ### **Advanced Level Financial Reporting Exam Room Notes 2017**

Smashing SBM is based around the same approach as our successful and best-selling Cracking Case book: practical, student-focused and simple advice on what to do to pass an unusual examination in which time management and examination technique are the key to success. This new 2019 edition has been fully updated for the new syllabus as well as for the key learning points raised by the 2018 ICAEW past papers. Given the relatively low number of questions in each SBM examination (just 2) and the very open nature of the requirements, it is vital that you have a way of determining which areas are important and which issues are

going to attract fewer marks. Smashing SBM sets out an effective planning methodology (which we call MAPs) that helps you predict the mark allocation of sub-parts of a question and allocate your time effectively. Our MAPs give direction to your answer by providing reminders on how to assess the likely mark allocation whilst also reminding you of key things to do in Q1 and Q2, based on our review of examiner comments. Smashing SBM also contains very detailed reviews of the 10 ICAEW past papers set to date with a view to understanding patterns in the question format and content, as well as the mark allocation. Smashing SBM includes detailed revision of key financial management and business strategy topics, as assessed in the real examination papers and ICAEW SBM Mock exams. We have also included selected questions from our Business Strategy and Financial Management Q&A books to help you revise these areas very quickly. The book also contains detailed notes on the Specialist Audit & Assurance topics which are examinable at the Advanced Level. Our revision notes focus on areas other than statutory audit as we know that around 10% of the marks will be for these specialised areas such as Internal Audit, Agreed Upon Procedures, review of prospective information and so on. Smashing SBM contains detailed revision of ethics, including various ethical frameworks, to help you achieve the 5-10% of marks available for ethics in SBM. Smashing SBM is designed to pair up with its sister publication, SBM Exam Room Notes 2019, which offers clear, alphabetically-referenced sets of notes on all key SBM topics to provide exam room reminders of mark-scoring points - perfect for avoiding exam room panic! ### **Corporate Reporting**

(Previously known as "Advanced Level Audit Risks & Tests") New revised 2018 edition of our very popular Exam Room Notes book. **RETAINED FEATURE FROM MAJOR 2017 UPDATE** - following numerous requests from students, for the 2017 edition of the book we added exam room notes on all Advanced Level Assurance areas such as internal audit, corporate governance, due diligence, examination of prospective information (ISAE 3400) and other areas - we have retained this feature for the 2018 edition of the book so our Exam Room Notes therefore provide reminders not only for statutory audit risks & tests questions but also on specialist assurance areas. Provides an alphabetical quick reference list of approximately 70 key audit test and risk areas and 14 assurance topics, based on our careful review of the ICAEW Study Manual for Corporate Reporting, the ICAEW Question Bank for Corporate Reporting and the previous "old" TI paper in Business Reporting,

together with past papers and ICAEW mocks for both the evolved Advanced Level and "old" TI level. Useful as a quick reference guide to generate reminders in the exam, reducing the time that you will need to invest in revising Audit & Assurance, which is a fundamental element of the Corporate Reporting paper - 2 of the 3 questions in CR will have a heavy or even exclusive emphasis on Audit & Assurance so the importance of this book's information and quick reference approach has been further enhanced under the evolved ACA. This book removes the need for you to prepare your own folder notes on Audit & Assurance, leaving more time to invest in other aspects of the Advanced Level syllabus. In addition to reviewing past papers and mocks, we have carefully summarised the audit tests in the "Audit Focus" sections now included in the 2015 and later editions of the Corporate Reporting Study Manual to ensure that you have a quick reference source of tests which have been emphasised in the new Advanced Level materials (i.e. tests which the examiners appear keen for students to learn and mention but which are somewhat hidden away at the end of the financial reporting chapters of the Corporate Reporting Study Manual). All such tests are now indicated in bold in the relevant sections of our book. All 70 Audit areas and 14 Assurance topics are arranged in alphabetical order, allowing quick reference without having to remember which chapter to consult. Risks & tests are contained in the first part of the book and Assurance is split out separately in the second part of the book for ease of reference. Where relevant, cross references between Audit areas are also included, giving you reminders and hints. Important notice: this set of Exam Room

Notes has been designed as a quick reference resource to remind you of content that you should already have studied in detail based on the ICAEW Study Manual and your tuition provider's notes. You must already have studied the Advanced Level syllabus in detail before using this book - the book is in no way designed to replace the Study Manual as a learning resource. If you have invested insufficient time in learning the syllabus content then our Exam Room Notes will not be comprehensible or useful as the book only provides reminders regarding material you must already have studied. Look out for our other Advanced Level Exam Room Notes publications (SBM Exam Room Notes and FR Exam Room Notes)! See [www.acasimplified.com](http://www.acasimplified.com) for more information on our popular Exam Room Notes series.

### **Financial Accounting and Reporting (IFRS) Q&a 2019**

New 2019 edition based on the updated 2019 ICAEW Study Manual and including analysis of mark allocation in all recent past papers through to September 2018 (December 2018 markscheme not available at the time of writing). Short form question bank providing over 400 practice questions for the Professional Level Financial Management exam. Designed to complement past paper practice by splitting topics and concepts into smaller and more manageable chunks which you can revise many times before the exam, helping the knowledge to sink in. Helps to build your confidence and avoid becoming overwhelmed by the large number of

learning points in full exam standard questions. Instead, our Q&A tests one thing at once and therefore allows you to learn an issue properly before moving on. Questions are organised into 10 chapters, covering all aspects of the syllabus. Analysis of distribution of marks in past papers covering the 2009 to September 2018 period to help you focus your revision on key areas (December 2018 markscheme not available at the time of writing). Questions are split into Narrative and Numerical chapters, allowing you to drill the easy narrative areas on their own - narrative questions account for 30-35% of a typical Financial Management paper. The Q&A will therefore help you to avoid any overemphasis on studying numerical topics which is typical of many failing candidates. Detailed questions on investment appraisal, capital markets and WACC, hedging and other areas. Full explanation of hedging approaches and calculations. All questions are designed to split topics into smaller parts, allowing you to study one thing at once and gradually build up knowledge. See [www.acasimplified.com](http://www.acasimplified.com) for more information on our Q&A technique.

### **ACCA Paper F3 - Financial Accounting (INT) Study Text**

Alec Reed, founder of the internationally successful Reed Employment and its sister company Reed Executive, is now in his late seventies but still a dynamic and imposing figure, with an engaging personality that conceals his shrewd flair for business. From humble beginnings, he seized every opportunity that offered, clawing his way up from working on a milk round, to drudgery as a City office boy, until he had his first big break when Gillette took him on as a management trainee. This is his remarkable story. Building on his early success with employment and recruitment agencies, he was able to develop his charitable interests - his first such venture was with drug addicts in Covent Garden in the 1960s, leading

eventually to the establishment of the Alec Reed Foundation in 1989. Since then it has donated more than 18 million to good causes, and it supports many other charities including the Royal Opera House in London. This eagerly awaited autobiography is both an enjoyable account of a richly varied life and an inspirational insight into an exceptionally successful entrepreneur's imagination.

### **Practice Note**

New revised 2016 edition of our very popular Audit Risks & Tests exam room notes book. Provides an alphabetical quick reference list of 70 key audit test and risk areas based on our careful review of the ICAEW Study Manual for Corporate Reporting, the ICAEW Question Bank for Corporate Reporting and the previous "old" TI paper in Business Reporting, together with past papers and ICAEW mocks for both the evolved Advanced Level and "old" TI level. Useful as a quick reference guide to generate reminders in the exam. Reduces the time that you will need to invest in revising Audit, which is a fundamental element of the Corporate Reporting paper, given the removal of Tax from this evolved ACA paper - now 2 of the 3 questions in CR will have a heavy or even exclusive emphasis on audit risks and tests so the importance of this book's information and quick reference approach has been further enhanced under the evolved ACA. This book removes the need for you to prepare your own folder notes on risks and tests, leaving more time to invest in other aspects of Audit or the other elements of the new Advanced Level.

In addition to reviewing past papers and mocks, we have carefully summarised the audit tests in the "Audit Focus" sections introduced in the 2015 edition of the Corporate Reporting Study Manual to ensure that you have quick reference to tests which have been emphasised in the new Advanced Level materials (i.e. tests which the examiners appear keen for students to learn and mention but which are somewhat hidden away at the end of the financial reporting chapters). All such tests are now indicated in bold in the relevant sections of our book. All 70 Audit areas are arranged in alphabetical order, allowing quick reference without having to remember which chapter to consult. Where relevant, cross references between Audit areas are also included, giving you reminders and hints. Book can also be used in preparation for Professional Level Audit & Assurance, helping you learn lists of tests for the crucial question on audit tests and procedures. ### **Strategic Business Management Exam Room Notes 2018**

Our Advanced Level Financial Reporting Exam Room Notes 2017 provide an alphabetically-organised set of quick reference notes of relevance to both the Corporate Reporting and Strategic Business Management Advanced Level examinations. We have worked backwards from the model answers to all Advanced Level past papers, mock exams and Question Bank questions to summarise 79 highly examinable financial reporting areas into sets of key mark-scoring points - ideal to prevent you dropping easy marks by forgetting basic points and also helpful when attacking harder parts of the questions. In addition, as it is vital to revise brought forward knowledge from FAR as part of your preparations for the Advanced Level examinations (in many Corporate Reporting examinations, brought forward FAR knowledge is worth at least as many marks as the new Advanced Level FR topics) the book also includes key model answer points from our review of all FAR past papers, mock exams and Question Bank questions to provide useful reminders - examiner feedback is often that the brought forward knowledge of candidates is weak, losing many potentially easy marks. All content is organised in a sensible alphabetical format so that you can very quickly find the content that you need. This organisation is more efficient than organisation by Study Manual chapter and should save you time in finding the information you require - just head to the "D" section for Deferred Tax, rather than having to remember to look in chapter 22 of the Study Manual. The book has been developed by the same authors behind our very successful BPT Exam Room Notes and SBM Exam Room Notes and is based on our trademark style of simple, clear and succinct

explanations of syllabus content. Like all our publications, our Advanced Level Financial Reporting Exam Room Notes 2017 is available with free UK delivery and is fully covered by Amazon's returns policy. Important notice: this set of Exam Room Notes has been designed as a quick reference resource to remind you of content that you should already have studied in detail based on the ICAEW Study Manual and your tuition provider's notes. You must already have studied the Advanced Level syllabus in detail before using this book - the book is in no way designed to replace the Study Manual as a learning resource and if you have invested insufficient time in learning the syllabus content then our Exam Room Notes will not be comprehensible or useful as the book only provides reminders regarding material you must already have studied.

We also include a detailed introduction explaining some key revision and answering techniques for the 2 different types of FAR question (narrative or "financial reporting" style and numerical or "financial accounting" style). Provides a firm basis for Advanced Level questions involving financial reporting in the Corporate Reporting paper: Q&A can be reused at later stages of the ACA to revise the key areas which the examiner will assume as brought forward knowledge. See [www.acasimplified.com](http://www.acasimplified.com) for more information on our Q&A technique.

Smashing SBM is based around the same approach as our successful and best-selling Cracking Case book: practical, student-focused and simple advice on what to do to pass an unusual examination in which time management and examination technique are the key to success. This new 2018 edition has been fully updated for the new syllabus and the learning points raised by the 2017 examinations. Given the relatively low number of questions in each SBM examination (just 2) and the very open nature of the requirements, it is vital that you have a way of determining which areas are important and which issues are going to attract fewer marks. Smashing SBM sets out an effective planning methodology (which we call MAPs) that helps you predict the mark allocation of sub-parts of a question and allocate your time effectively. Our MAPs give direction to your answer by providing reminders on how to assess the likely mark allocation whilst also reminding you of key things to do in Q1 and Q2, based on our review of examiner comments. Smashing SBM also contains detailed reviews of the 8 real examination papers set to date with a view to understanding patterns in the question format and content, as well as the mark allocation. Smashing SBM includes detailed revision of key financial management and business strategy topics, as assessed in the real examination papers and ICAEW SBM mock exams. We have also included selected questions from our Business Strategy and Financial Management Q&A books to help you revise these areas very quickly. The book also contains detailed notes on

the Specialist Audit & Assurance topics which are examinable at the Advanced Level. Our revision notes focus on areas other than statutory audit as we know that around 10% of the marks will be for these specialised areas such as internal audit, Agreed Upon Procedures, review of prospective information and so on. Smashing SBM contains detailed revision of ethics, including various ethical frameworks, to help you achieve the 5-10% of marks available for ethics in SBM. Smashing SBM is designed to pair up with its sister publication, SBM Exam Room Notes 2018, which provides clear, alphabetically-referenced sets of notes on all key SBM topics to provide exam room reminders of mark-scoring points - perfect for avoiding exam room panic!
