Parts of Speech Review Worksheets

'Few people understand Grammar like Craig Shriver. Best of all, no one explains it so well and so easily.' - Chief Executive of Crimestoppers and former Director of the Intelligence Corps, Mark Hallas OBE Written by a former British Army officer (also the founder of the popular website Grammar Monster), Smashing Grammar is both a go-to grammar guide and a primer for writing clear English. Smashing Grammar is divided into three sections: A-Z of Punctuation, A-Z of Grammar Essentials and A-Z of Easily Confused Words. Every entry starts with a simple explanation and some basic examples. These are followed by real-life, engaging examples, which have been painstakingly hunted down for their ability to illustrate the point. Every entry concludes with a 'Why Should I Care?' section offering great tips and advice and explaining why the grammar point matters to a writer. Imbued with 'barrack room' humour, the writing itself is entertaining and often laugh-out-loud funny, with thousands of sample quotations ranging from Groucho Marx and Homer the Simpson to Karl Marx and Homer the Greek.

Resources in Education

Offers elementary teachers advice and strategies to help them teach, apply, and understand English grammar while still adhering to state and school standards.

I and You and Don't Forget Who

This book is characterized by narrative vitality and emotional range. In Wetherell's stories a suburban retiree's assumptions about the ethos of Long Island life are challenged and dismissed by a younger generation, a young English woman achieves miracles by dancing with wounded soldiers during World War II, a tennis-mad bachelor plays an interior game as real to him

as an actual match, and a black drifter converts an Asian couple to his bleak vision of American life and finds strange kinship with them.

Common Mistakes in English

Focuses on the essentials of grammar in ready-to-use worksheets. Provides flexible lessons appropriate for small-group or whole-class work. Features extensive teacher support including objectives, strategies, and answer key.

Diagramming Sentences, Grades PK - 8

A timeless American classic and one of the most beloved children's books ever written, *Old Yeller* is a Newbery Honor Book that explores the poignant and unforgettable bond between a boy and the stray dog who becomes his loyal friend. When his father sets out on a cattle drive toward Kansas for the summer, fourteen-year-old Travis Coates is left to take care of his family and their farm. Living in Texas Hill Country during the 1860s, Travis comes to face new, unanticipated, and often perilous responsibilities in the frontier wilderness. A particular nuisance is a stray yellow dog that shows up one day and steals food from the family. But the big canine who Travis calls "Old Yeller" proves his worth by defending the family from danger. And Travis ultimately finds help and comfort in the courage and unwavering love of the dog who comes to be his very best friend. Fred Gipson's novel is an eloquently simple story that is both exciting and deeply moving. It stands alongside works like *The Adventures of Huckleberry Finn*, *Where The Red Fern Grows*, and *Shiloh* as a beloved and enduring classic of literature. Originally published in 1956 to instant acclaim, *Old Yeller* later inspired a hit film from Walt Disney. Just as *Old Yeller* inevitably makes his way into the Coates family's hearts, this book will find its own special place in readers' hearts.

Holt Handbook

Grammar and Language Workbook

This innovative grammar text is an ideal resource for writers, language students, and current and future classroom teachers who need an accessible "refresher" in a step-by-step guide to essential grammar. Rather than becoming mired in overly detailed linguistic definitions, Nancy Sullivan helps writers and students understand and apply grammatical concepts and develop the skills they need to enhance their own writing. Along with engaging discussions of both contemporary and traditional terminology, Sullivan's text provides clear explanations of the basics of English grammar and a highly practical, hands-on approach to mastering the use of language. Complementing the focus on constructing excellent sentences, every example and exercise set is contextually grounded in language themes. Teachers, students, and writers will appreciate the streamlined, easy-to-understand coverage of essential grammar, as well as the affordable price. This is an ideal textbook

for future teachers enrolled in an upper-level grammar course yet is also suitable for any writing course across disciplines where grammatical precision is important. Instructor materials accompanying the text provide teachers with activities designed for face-to-face, hybrid, and online instruction to enliven these basic grammar lessons as well as writing activities to integrate these concepts into students' own writing.

The Grammar Teacher's Activity-a-Day: 180 Ready-to-Use Lessons to Teach Grammar and Usage

Quick, daily classroom lessons for improving students' grammar and writing skills This must-have resource features 180 practical, ready-to-use grammar and usage lessons and activities—one for each day of the school year. The activities included help students in grades 5-12 to acquire, improve, and expand their grammar skills, and become more adept and confident writers. Veteran educator and best-selling author Jack Umstatter helps teachers to familiarize students with the type of grammar-related content found on standardized local, state, national, and college admissions tests. Includes ready-to-use, yet comprehensive and authoritative activities for use as sponge activities, extra homework, or regular daily lessons Reproducible lessons are designed to be non-intimidating and clear for students Other titles by Umstatter include Grammar Grabbers!, 201 Ready-to-Use Word Games for the English Classroom, Brain Games!, and Got Grammar? Tips for educators on how to best utilize each specific topic or lesson are included for easy classroom instruction.

Intermediate German

I'm Lovin' Lit Practice & Assess: Grammar, Grades 6 - 8

Updated and revised with more examples and expanded discussions, this second edition continues the aim of providing teachers with a solid understanding of the use and function of grammatical structures in American English. The book avoids jargon and presents essential grammatical structures clearly and concisely. Dr. DeCapua approaches grammar from a descriptive rather than a prescriptive standpoint, discussing differences between formal and informal language, and spoken and written English. The text draws examples from a wide variety of authentic materials to illustrate grammatical concepts. The many activities throughout the book engage users in exploring the different elements of grammar and in considering how these elements work together to form meaning. Users are encouraged to tap into their own, often subconscious, knowledge of grammar to consciously apply their knowledge to their own varied teaching settings. The text also emphasizes the importance of understanding grammar from the perspective of English language learners, an approach that allows teachers to better appreciate the difficulties these learners face. Specific areas of difficulties for learners of English
