Enrolled Agent Practice Exams for Part 1 - Individuals

The main issue that tax practitioners face is how to grow and promote their practices. In talking with tax professionals, their questions are always the same: #13; #13; "How do I build up my client base?" #13; "Are engagement letters really necessary?" #13; "How do I encourage more client referrals?" #13; "How much should I charge for services?" #13; "How do I fire a bad client?" #13; #13; This book offers real answers to all of these burning questions. #13; #13; You will read multiple interviews with established, highly profitable EAs. You will hear how other EAs keep their practices profitable and keep clients (and money) rolling in. This book covers: #13; 1. Marketing techniques for enrolled agents #13; 2. How to use the internet and social networking to boost your community profile #13; 3. How to find profitable IRS representation cases #13; 4. How to avoid deadbeat clients #13; 5. How to get lucrative referrals from other professionals #13; #13; And much more! #13; If you have the tax knowledge

and a desire to succeed in this business, this book will help you realize your own success.

U.S. Tax Guide for Aliens
