### **The College Board College Handbook 2000**

### **Real Frank Zappa Book**

### **Four-Year Colleges 2009**

Recounts the life and career of the inventive and controversial rock musician, and includes information on his philosophies on art, his opinions on the music industry, and his thoughts on raising children.

### **Government Reports Announcements**

For well over a half century, American Universities and Colleges has been the most comprehensive and highly respected directory of four-year institutions of higher education in the United States. A two-volume set that Choice magazine hailed as a most important resource in its November 2006 issue, this revised edition features the most up-to-date statistical data available to guide students in making a smart yet practical decision in choosing the university or college of their dreams. In

addition, the set serves as an indispensable reference source for parents, college advisors, educators, and public, academic, and high school librarians. These two volumes provide extensive information on 1,900 institutions of higher education, including all accredited colleges and universities that offer at least the baccalaureate degree. This essential resource offers pertinent, statistical data on such topics as tuition, room and board; admission requirements; financial aid; enrollments; student life; library holdings; accelerated and study abroad programs; departments and teaching staff; buildings and grounds; and degrees conferred. Volume two of the set provides four indexes, including an institutional Index, a subject accreditation index, a levels of degrees offered index, and a tabular index of summary data by state. These helpful indexes allow readers to find information easily and to make comparisons among institutions effectively. Also contained within the text are charts and tables that provide easy access to comparative data on relevant topics.

### **Journal of the Physical Society of Japan**

This is the only guide available that contains objective information on every accredited college in the United States — 2,150 four-year colleges and universities, and 1,650 two-year community colleges and technical schools. With its clearly laid-out entries and more than 40 indexes, the College Handbook 2011 is the fastest, easiest way for students to narrow a college search and compare the schools that they're interested in. • Targeted information for home-schooled students and students considering community college as an option. • Useful features for black and Hispanic students. • Tables of early decision and wait-list outcomes show information that can't be found in any other guide. • Comprehensive listings of student services, majors, athletics, on-campus activities and campus computing. • Planning calendar and worksheets help students organize their applications and stay on track. • Purchasers qualify for a \$10 discount on The Official SAT Online Course™, the only course offered by the test makers. • Updated annually by a team of editors who verify information with each college — making the College Handbook 2011 the best college reference guide.

## **Strategies for Technical Professionals**

## **The College Board College Handbook**

\*\*\*\* Produced in collaboration with the American Council on Education. Previous editions are cited in BCL3 and Guide to Reference Books. Arranged by state, some 1,900 institutions are covered, including 58 for the first time. Material comes directly from the institutions themselves in response to a questionnaire. Entries provide both the essential statistical data (tuition, room, board, admissions requirements, financial aid, enrollments) and other information important to decision making (e.g. student life, library holdings, physical plant, study abroad programs). Enhancing the institution profiles are sections on foreign students at US institutions, professional education, and the history of higher education in the US, among

other topics. Annotation copyrighted by Book News, Inc., Portland, OR
