Missing People

Fairy tales have fueled our dreams and fired our imaginations for centuries. Step inside a time machine built by a collection of today's finest storytellers, and enter a range of futures where familiar tales are reimagined in an astonishing variety of styles. Editors Andrew Carl and Chris Stevens bring you the next wave of leading writers and illustrators working alongside superstar creators like Farel Dalrymple (Pop Gun War), Ryan Ottley (Invincible), Khoi Pham (Daredevil), and Brandon Graham (King City) to deliver a reading experience that will delight generations young and old. * Ageless stories become tales for a new age!

Elephantmen Volume 3

From a "perceptive writer whose work makes us painfully aware of our human

follies and acknowledges our lovely humanity” (Audrey Niffenegger, bestselling author of *The Time Traveler’s Wife*) comes suspenseful novel about a missing girl whose disappearance rocks her community. Six years after the traumatic disappearance of Etta Messenger, it's clear that none of the members of her middle-class family have finished mourning. Gaping emotional wounds have been poorly addressed. Etta's mother, Meg, anxious to find closure and make what she can of the rest of her life, has organized a memorial service to mark the painful anniversary. Newton, Etta's erstwhile high school sweetheart, a disabled Afghanistan veteran with anger issues, uses the impending anniversary as a convenient excuse to spin out of control. Charlie, Etta's earnest blue-collar father, takes stock of his life and is reminded how he failed to protect his daughter. Her younger brother, Townes, who was the last of them to see Etta and is convinced his emotional outburst drove his sister away, has his fragile hermetic cocoon threatened by the heightened emotions of the day. On the day of the memorial, a snowstorm threatens the city, and a chance observation on a commuter train entangles Townes in a dangerous situation that recall the events surrounding Etta's loss. The characters are shaken from their mournful routines by an unrelenting chain of events, including Newton's arrest, Townes' dangerous heroics, Charlie's recognition of his own shortcomings, and Meg's shocking discovery. The action moves from the seemingly serene suburbs to the heart of a dangerous Chicago neighborhood. Will this ensemble of damaged characters pull themselves together in time, or will new stresses rip their tattered lives to shreds

Blood's A Rover

When life itself seems lunatic, who knows where madness lies? In King City, that's where! Joe is a young man with no home, no purpose, and almost no friends though he does have a very special cat. With a simple injection, Joe's cat can be anything: a weapon, a tool, or even a cuddly companion. But what - if anything - can transform Joe? Whatever it is, it can probably be found in King City, an outrageous semi-futuristic city full of spy gangs, alien porn, and reasonably priced diners. A word of caution: Avoid the meatloaf.

Ghost Town

The end of the world has happened and the insects won. When humanity came face to face with insectoid aliens from outer space intent on taking over the earth, it never occurred to anyone that they would come out the other side of the battle that followed the losers. But they did. Now, with what remains of the human race in tatters, a small band of misfits scraping a living in the remains of a city question what it means to be truly alive in a world where surviving asks everything of you, and hope is just a memory.

Multiple Warheads: Ghost Throne (Oneshot)

THE EPIC CONCLUSION TO PROPHET BEGINS HERE! A clone general goes against his Brain-Mother overlords to gain control of an alien egg. Start of the final six issue mini-series.

Prophet

Popular national radio host Julie Roys rejects both fundamentalist caricature and feminist distortion to reveal God's amazingly relevant and compelling vision for women, showing them how to redeem their feminine souls and become all God designed them to be. Christian women today feel torn between the demands of motherhood, career, and ministry—and by a church that gives them conflicting ideas of what it means to be a woman. In *Redeeming the Feminine Soul: God's Surprising Vision for Womanhood*, popular national radio host Julie Roys reveals the stunning truth that no one else is talking about: women are destroying themselves. Internalizing society's devaluation of the feminine, some women are killing their own natural impulses to pursue a feminist ideal that bears no relation to God's good design. Other women struggle to conform to a fundamentalist, feminine caricature, which requires denying their full humanity and gifting. Defying both feminists and fundamentalists, Julie Roys reveals God's true, affirming, and compelling vision for women, showing them how to reclaim what is uniquely feminine, and become healthy, balanced women of God.

Island #12

A new way forward for sustainable quality of life in cities of all sizes Strong Towns: A Bottom-Up Revolution to Build American Prosperity is a book of forward-thinking ideas that breaks with modern wisdom to present a new vision of urban

development in the United States. Presenting the foundational ideas of the Strong Towns movement he co-founded, Charles Marohn explains why cities of all sizes continue to struggle to meet their basic needs, and reveals the new paradigm that can solve this longstanding problem. Inside, you'll learn why inducing growth and development has been the conventional response to urban financial struggles—and why it just doesn't work. New development and high-risk investing don't generate enough wealth to support itself, and cities continue to struggle. Read this book to find out how cities large and small can focus on bottom-up investments to minimize risk and maximize their ability to strengthen the community financially and improve citizens' quality of life. Develop in-depth knowledge of the underlying logic behind the "traditional" search for never-ending urban growth Learn practical solutions for ameliorating financial struggles through low-risk investment and a grassroots focus Gain insights and tools that can stop the vicious cycle of budget shortfalls and unexpected downturns Become a part of the Strong Towns revolution by shifting the focus away from top-down growth toward rebuilding American prosperity Strong Towns acknowledges that there is a problem with the American approach to growth and shows community leaders a new way forward. The Strong Towns response is a revolution in how we assemble the places we live.

Perverts of the Unknown

Kill 6 Billion Demons

"In his vision Odin saw a ring, glittering and bright, a thing of great beauty and danger. And the face of a mortal man, stern and beautiful, his fair hair blowing in the wind of battle as the fire-edged sword in his hand rose and fell" So Odin, lord of the nine worlds, saw Sigurd Dragonslayer for the first time. He alone could recapture the ring of power from the cruel dragon Fafnir. In his effort to regain the ring, Odin ensnared Sigurd and the race of the Volsungs in his schemes * for if he failed, it would mean the beginning of Ragnarok, the end of all worlds Set in the savage, beautiful world of Norse legend, this is the epic quest of romance, enchantment, adventure and treachery from which Richard Wagner created his magnificent operatic cycle, The Ring of the Nibelung. William Morris said of the tale of Sigurd, "This is the great story of the North, which should be to all our race what the tale of Troy was to the Greeks."

Prophet: Earth War #1

In this breathtaking debut novel by Felix Gilman, one man embarks on a thrilling and treacherous quest for his people's lost god—in an elaborate Dickensian city that is either blessed ...or haunted. Arjun arrives in Ararat just as a magnificent winged creature swoops and sails over the city. For it is the day of the return of that long-awaited, unpredictable mystical creature: the great Bird. But does it come for good or ill? And in the service of what god? Whatever its purpose, for one inhabitant the Bird sparks a long-dormant idea: to map the mapless city and

liberate its masses with the power of knowledge. As the creature soars across the land, shifting topography, changing the course of the river, and redrawing the territories of the city's avian life, crowds cheer and guns salute in a mix of science and worship. Then comes the time for the Bird's power to be trapped—within the hull of a floating warship called Thunderer, an astounding and unprecedented weapon. The ship is now a living temple to the Bird, a gift to be used, allegedly, in the interests of all of Ararat. Hurlled into this convulsing world is Arjun, an innocent who will unwittingly unleash a dark power beyond his imagining—and become entangled in a dangerous underground movement that will forever transform Ararat. As havoc overtakes the streets, Arjun dares to test the city's moving boundaries. In this city of gods, he has come to search among them, not to hide. A tour de force of the imagination, and a brilliant tale of rebellion, Thunderer heralds the arrival of a truly gifted fantasy writer who has created a tale as rich, wondrous, and captivating as the world in which it is set. From the Hardcover edition.

The Ring of the Dark Elves

The final novel in the magisterial Underworld USA Trilogy. It's 1968. Bobby Kennedy and Martin Luther King are dead. The Mob, Howard Hughes and J Edgar Hoover are in a struggle for America's soul, drawing into their murderous conspiracies the damned and the soon-to-be damned. Wayne Tedrow Jr: parricide, assassin, dope cooker, mouthpiece for all sides, loyal to none. His journey will take him deeper into the darkness. Dwight Dolly: Hoover's enforcer and hellish conspirator in terrible crimes. As Hoover's power wanes, his destiny lurches towards Richard Nixon and self-annihilation. Don Crutchfield: a kid, a nobody, a wheelman and a private detective who stumbles upon an ungodly conspiracy from which he and the country may never recover. All three men are drawn to women on the opposite side of the political and moral spectrum; all are compromised and ripe for destruction. Blood's a Rover is an incandescent fusion of fact and fiction, and is James Ellroy's greatest masterpiece.

Pillow Fight
