La Biblia de los Caídos. Tomo 2 del testamento del Gris

No todas las historias producen la misma sensación al ser narradas. Algunas son más duras que otras, como solo yo puedo saber, hasta el punto de desear que todo hubiese ocurrido de otro modo, algo que por desgracia no está en mi mano. He meditado mucho sobre la conveniencia de incluir o no las crónicas de Mad, pues la suya no es una historia fácil. Sin embargo, al final se impuso la necesidad de contribuir a algo más grande, de explicar debidamente los acontecimientos posteriores a La Biblia de los Caídos. La participación de Mad en dichos acontecimientos, aun siendo esencial, podría haber sido resumida, y tal vez yo, el cronista, habría simplificado considerablemente mi labor. Claro que, en ese caso, no sería honesto conmigo mismo... Debo formular una advertencia, no obstante. A pesar de que no sé si estas crónicas llegarán a ser leídas por alguien, ese es su propósito y, con tal fin, es preciso dar a conocer que este tomo no se puede comprender sin haber leído antes el Tomo 0 de La Biblia de los Caídos. Del mismo modo, y para no relatar de nuevo lo ya expuesto anteriormente, es necesario haber leído

también el Tomo 1 del Testamento de Sombra y el Tomo 1 del Testamento del Gris, en ese orden. Dado que no es posible comprender los actos de Mad sin saber quién es, aquí comienza su historia. Ramsey.

The Witch of Babylon

“A breathtaking new epic fantasy series. Morgan Rice does it again! This magical saga reminds me of the best of J.K. Rowling, George R.R. Martin, Rick Riordan, Christopher Paolini and J.R.R. Tolkien. I couldn't put it down!” --Allegra Skye, Bestselling author of *SAVED*

From #1 Bestselling author Morgan Rice comes the debut of a dazzling new fantasy series. *A QUEST OF HEROES (BOOK #1 IN THE SORCERER'S RING)* revolves around the epic coming of age story of one special boy, a 14 year old from a small village on the outskirts of the Kingdom of the Ring. The youngest of four, the least favorite of his father, hated by his brothers, Thorgrin senses he is different from the others. He dreams of becoming a great warrior, of joining the King's men and protecting the Ring from the hordes of creatures on the other side of the Canyon. When he comes of age and is forbidden by his father to try out for the King's Legion, he refuses to take no for an answer: he journeys out on his own, determined to force his way into King's Court and be taken seriously. But King's Court is rife with its own family dramas, power struggles, ambitions, jealousy, violence and betrayal. King MacGil must choose an heir from amongst his children, and the ancient Dynasty Sword, the source of all their power, still sits untouched, waiting for the chosen one to arrive.

Thorgrin arrives as an outsider and battles to be accepted, and to join the King's Legion. Thorgrin comes to learn he has mysterious powers he does not understand, that he has a special gift, and a special destiny. Against all odds he falls in love with the king's daughter, and as their forbidden relationship blossoms, he discovers he has powerful rivals. As he struggles to make sense of his powers, the king's sorcerer takes him under his wing and tells him of a mother he never knew, in a land far away, beyond the Canyon, beyond even the land of the Dragons. Before Thorgrin can venture out and become the warrior he yearns to be, he must complete his training. But this may be cut short, as he finds himself propelled into the center of royal plots and counterplots, ones that may threaten his love and bring him down—and the entire kingdom with him. With its sophisticated world-building and characterization, A QUEST OF HEROES is an epic tale of friends and lovers, of rivals and suitors, of knights and dragons, of intrigues and political machinations, of coming of age, of broken hearts, of deception, ambition and betrayal. It is a tale of honor and courage, of fate and destiny, of sorcery. It is a fantasy that brings us into a world we will never forget, and which will appeal to all ages and genders. It is 82,000 words. Book #2 in the series, A MARCH OF KINGS, is now available, too. "Grabbed my attention from the beginning and did not let go. This story is an amazing adventure that is fast paced and action packed from the very beginning. There is not a dull moment to be found." --Paranormal Romance Guild {regarding Turned} "Jam packed with action, romance, adventure, and suspense. Get your hands on this one and fall in love all over again."

Sanz

--vampirebooksite.com (regarding Turned) "A great plot, and this especially was the kind of book you will have trouble putting down at night. The ending was a cliffhanger that was so spectacular that you will immediately want to buy the next book, just to see what happens." --The Dallas Examiner {regarding Loved}

The Weight of Honor (Kings and Sorcerers--Book 3)

Emmeline Thistle, a dirt-scratcher's daughter, has escaped death twice-first, on the night she was born, and second, on the day her entire village was swept away by flood. Left with nothing and no one, Emmeline discovers her rare and mysterious ability-she can churn milk into chocolate, a delicacy more precious than gold. Suddenly, the most unwanted girl in Anglund finds herself desired by all. But Emmeline only wants one-Owen Oak, a dairyman's son, whose slow smiles and lingering glances once tempted her to believe she might someday be loved for herself. But others will stop at nothing to use her gift for their own gains-no matter what the cost to Emmeline. Magic and romance entwine in this fantastical world where true love and chocolate conquer all.

The Four Horsemen of the Apocalypse

El mundo cuenta con un lado oculto, una cara sobrenatural que nos susurra, que se intuye, pero que muy pocos perciben. La inmensa mayoría de las personas no es consciente de ese lado paranormal ni de sus riesgos. A veces la gente se topa con esos peligros y desespera, se atemoriza, y no sabe qué hacer ni a quién recurrir. Pero no todo está perdido. Dicen que en Madrid reposa una iglesia muy antigua, cuyo origen es desconocido. Allí, en su interior, frente a una cruz de piedra esculpida en uno de sus muros, se puede alzar una plegaria. También dicen que aquel que no tiene alma la escuchará, y si la fortuna acompaña, el ruego será atendido. Pero exigirá un elevado precio por sus servicios, uno que no todo el mundo está dispuesto a pagar. Mejor será asegurarse de que se quiere contar con él antes de recitar la plegaria. Eso es lo que dicen.

A funny and wise guide and workbook for conquering fears, from the existential to the everyday, and defeating the monster those fears can become: anxiety. This is a book about fear. But this is also a book about that monster our fear can warp into when it grows too powerful, a phenomenon we are all too familiar with.

The dead priest possessed proof of the existence of a thirteenth apostle and an epistle stating that Jesus was nothing more than an inspired prophet, not the Son of God - two things that would spell great danger for the Church. Father Nil then discovers a previously unpublished account of the origins of Christianity. It tells of the Nazoreans - a community excluded from the official Church by Peter and Paul - who appear to have thrived until the 7th century, playing an important role in the birth of Islam. While he pushes ahead with his investigation, the Pope's advisors, rival factions and secret societies are trying, by any means, to lay their hands on the priest's findings. DOWN - Pinhole is the first book of an explosive new trilogy by international bestselling author, Glenn Cooper. A cross between DANTE'S INFERNO and GAME OF THRONES, DOWN is part historical thriller and part fantasy-adventure, a thought-provoking, page-turning, epic saga that explores the consequences of evil and transports readers to a world unlike any they have ever experienced. John Camp heads up security at a world's largest super-collider tunneled around London. Scarred by his wartime experiences, he's been fighting his demons and putting his life back in order. High on his priorities is his new relationship with physicist Emily Loughy, the collider's beautiful and accomplished Scottish research director. When the collider starts up it hits its projected energy target but then inexplicably continues powering much higher. In the blink of an eye Emily disappears and a rough-looking man appears in her place. In fear and confusion the man barrels out of the lab and disappears. His identity may be the only clue to what has happened. John volunteers to embark on a mission to try and rescue Emily and when the collider is powered up again he finds himself in a strange and terrifying world, geographically identical to Earth but very different. It's a place some call Down, eternally populated by those who've committed the most unforgivable acts of evil during their lives. Here in a world with but a few glimmers of hope, kings and dukes, including infamous historical figures, battle perpetually for supremacy.
