“This is the way legal thrillers are meant to be—compelling, intelligent, and deeply satisfying.” —Randy Singer, author of Rule of Law The police say the woman was a murderer. Emilie Wesley knows they can't be talking about her client . . . but she can't prove it. To the world it seems obvious: Kaylene Turner snapped and killed her daughter. However, attorney Emilie Wesley knows a different story. Kaylene

was a nurturer at heart looking for a way out of a controlling, abusive marriage. Kaylene's death shakes Emilie's world and her belief that she can make a difference for these women. Self-doubt plagues her, and she finds herself struggling to continue her work in the wake of tragedy. Reid Billings thought he knew his sister—right up until he learned of the manner of her death. He discovers a letter from Kaylene begging him to fight for custody of her daughters if anything should happen to her. No attorney in her right mind would take on his case, but Kaylene's letter claims Emilie Wesley will help him. Thrown together in the race to save Kinley Turner from a father who isn't all that he seems, Emilie and Reid pursue the constantly evasive truth. But if they can hang on to hope together, maybe they can save Kinley—and find a future for themselves in the process.
