Orang bilang, pertemuan pertama selalu kebetulan. Tapi, bagaimana caramu menjelaskan pertemuan-pertemuan kita selanjutnya? Apakah Tuhan campur tangan di dalamnya? Kita bukanlah dua garis yang tak sengaja bertabrakan. Sekeras apa pun usaha kita berdua, saling menjauhkan diri—dan menjauhkan hati—pada akhirnya akan bertemu kembali. Kau tak percaya takdir, aku pun tidak. Karenanya, hanya ada satu cara untuk membuktikannya. Kau, aku, dan perjalanan ini. ===== “Kocak! An all-American boyhood tale for our corrupted times, Paradise High traces one night in the lives of a rowdy,

bawdy, fun-loving bunch of high school seniors as they laugh and romp their way to the palatial marble estate of their mafia-son classmate for a party. Set in the frozen suburban hinterlands of the upper Midwest during a Christmas break snowstorm in 1997, the story captures with raucous humor and biting wit that timeless ritual of late teenagers raising a glass to the dwindling, precious moments of their youth. Irreverent, foul-mouthed, and outrageously funny, but with a wry and tender wistfulness at its heart, Paradise High is a rollicking yarn with echoes of the proverbial Last Hurrah of Summer, recounting an unforgettable evening that will leave none of its protagonists the same.

This collection of interviews demonstrates that U.S. Latinas/os of South American background have contributed pioneering work to U.S. Latina/o literature and culture in the twenty-first century. In conversation with twelve significant authors of South American descent in the United States, Juanita Heredia reveals that, through their transnational experiences, they have developed multicultural identities throughout different regions and cities across the country. However, these authors' works also exemplify a return to their heritage in South America through memory and travel, often showing

that they maintain strong cultural and literary ties across national borders. As such, they have created a new chapter in trans-American history by finding new ways of imagining South America from their formation and influences in the U.S.

There is an epigram in this book from the Phil Ochs song, "Crucifixion", about the Kennedy assassination, that states: I fear to contemplate that beneath the greatest love, lies a hurricane of hate. On February 11th 1963, the Beatles recorded "There's a Place", a dazzling, unheralded tune which was included on their electrifying debut album, Please Please Me. This song firmly laid the foundation on which a huge utopian dream of the sixties would be built. Within that dream, however, also lay the seeds of a darker vision that would emerge out of the very counterculture that the Beatles and their music helped create. Thus, even as their music attracted adoring fans, it also enticed the murderous ambitions of Charles Manson; and though the Beatles may have inspired others to form bands, their own failed hopes ultimately led to their breakup. The disillusionment with the sixties, and the hopes associated with the group, would many years later culminate in the assassination of John Lennon

and the attempted slaying of George Harrison by deranged and obsessive fans. In this incisive examination, author Kevin Courrier (*Dangerous Kitchen: the Subversive World of Zappa*, *Randy Newman's American Dreams*) examines how the Fab Four, through their astonishing music and comically rebellious personalities, created the promise of an inclusive culture built on the principles of pleasure and fulfillment. By taking us through their richly inventive catalogue, Courrier illustrates how the Beatles' startling impact on popular culture built a bond with audiences that was so strong, people today continue to either cling nostalgically to it, or struggle — and often struggle violently — to escape its influence.

It is 1970, and Angel is a desperado who despises rules and authority above all else, with the possible exception of cruelty towards women. While inhabiting a world attempting to recover from student riots, Angel who is exhausted by the sheer volume and rancor of political discourse decides to turn to his two favorite things: literature and women. As Angel chases love on the campus of Dartmouth, he finds that the most astounding movement of the sixties was not civil rights or antiwar clamor, but instead, it is the liberation of women. While attempting to merge his passions into a single orb, Angel who has somehow become a cross between an accidental playboy and literary nerds sometimes succeeds gloriously. Other times, not so much. As he moves from bedroom to classroom and classroom to bedroom, Angel smokes weed with the hope of gaining clarity. But as time goes on, Angel cannot help but wonder if he will ever be able to view the world from a woman's perspective or whether he will go down in flames as a fortuitous playboy who never determined the difference between lust and love. Angel blends sex, drugs, comedy, and literary influences into a wild brew as a

A delightful story of growing up, getting old, and every step in between, from the acclaimed author of *Man at the Helm* and *Love, Nina*. After succeeding in her quest to help her unconventional mother find a new "man at the helm," fifteen-year-old Lizzie Vogel simply wants to be a normal teenager. Just when it looks as if things have settled down, her mother goes and has another baby. On top of that, Lizzie's best friend has deserted her for the punk craze, which Lizzie finds too exhausting to commit to herself. But Lizzie soon gets more commitment than she bargained for when she takes a job as a junior nurse at Paradise Lodge, a ramshackle refuge for the elderly that has seen better days. It's no place for a teenager, much less one with as little experience emptying a bedpan as Lizzie. What begins as a way to avoid school and earn some spending money (for the finer things in life, like real coffee and beer shampoo) quickly turns into the education of a lifetime. Lizzie encounters a colorful cast of eccentric characters--including a nurse determined to turn one of the patients into a husband (and a retirement plan); an efficient but clueless nun trying to modernize the place; and Lizzie's unlikely first love--who become her surrogate family. When Paradise Lodge faces a crisis in the form of a rival nursing home with enough amenities to make even the comatose jealous, Lizzie must find a way to save her job before she loses the only place she's ever felt she belongs. A hilarious and heartfelt coming-of-age tale, *Paradise Lodge* proves that it's never too

early--or too late--to grow up.

This new edition of Southern Writers assumes its distinguished predecessor's place as the essential reference on literary artists of the American South. Broadly expanded and thoroughly revised, it boasts 604 entries-nearly double the earlier edition's-written by 264 scholars. For every figure major and minor, from the venerable and canonical to the fresh and innovative, a biographical sketch and chronological list of published works provide comprehensive, concise, up-to-date information. Here in one convenient source are the South's novelists and short story writers, poets and dramatists, memoirists and essayists, journalists, scholars, and biographers from the colonial period to the twenty-first century. What constitutes a "southern writer" is always a matter for debate. Editors Joseph M. Flora and Amber Vogel have used a generous definition that turns on having a significant connection to the region, in either a personal or literary sense. New to this volume are younger writers who have emerged in the quarter century since the dictionary's original publication, as well as older talents previously unknown or unacknowledged. For almost every writer found in the

previous edition, a new biography has been commissioned. Drawn from the very best minds on southern literature and covering the full spectrum of its practitioners, *Southern Writers* is an indispensable reference book for anyone intrigued by the subject.
