Musical Questions and Quizzes

One day back in 2003, Ken Jennings and his college buddy Earl did what hundreds of thousands of people had done before: they auditioned for Jeopardy! Two years, 75 games, 2,642 correct answers, and over \$2.5 million in winnings later, Ken Jennings emerged as trivia's undisputed king. Brainiac traces his rise from anonymous computer programmer to nerd folk icon. But along the way, it also explores his newly conquered kingdom: the world of trivia itself. Jennings had always been minutiae-mad, poring over almanacs and TV Guide listings at an age when most kids are still watching Elmo and putting beans up their nose. But trivia, he has found, is centuries older than his childhood obsession with it. Whisking us from the coffeehouses of seventeenth-century London to the Internet age, Jennings chronicles the ups and downs of the trivia fad: the quiz book explosion of the Jazz Age; the rise, fall, and rise again of TV quiz shows; the nostalgic campus trivia of the 1960s; and the 1980s, when Trivial Pursuit® again made it fashionable to be a know-it-all. Jennings also investigates the shadowy demimonde of today's trivia subculture, guiding us on a tour of trivia hotspots across America. He goes head-to-head with the blowhards and diehards of the college quiz-bowl circuit, the slightly soused faithful of the Boston pub trivia scene, and the raucous participants in the annual Q&A marathon in Stevens Point, Wisconsin, "The World's Largest Trivia Contest." And, of course, he takes us behind the scenes of his improbable 75-game run on Jeopardy! But above all, Brainiac is a love letter to the useless fact. What marsupial has fingerprints that are indistinguishable from human ones? * What planet has a crater on it named after Laura Ingalls Wilder? ** What comedian had

the misfortune to be born with the name "Albert Einstein"?*** Jennings also ponders questions that are a little more philosophical: What separates trivia from meaningless facts? Is being good at trivia a mark of intelligence? And is trivia just a waste of time, or does it serve some not-so-trivial purpose after all? Uproarious, silly, engaging, and erudite, this book is an irresistible celebration of nostalgia, curiosity, and nerdy obsession—in a word, trivia. * The koala ** Venus *** Albert Brooks

QUIZ TIME HISTORY (Hindi)

One day Sophie comes home from school to find two questions in her mail: "Who are you?" and "Where does the world come from?" Before she knows it she is enrolled in a correspondence course with a mysterious philosopher. Thus begins Jostein Gaarder's unique novel, which is not only a mystery, but also a complete and entertaining history of philosophy.

Murder in the Cathedral

The Invention of Race in the European Middle Ages

Questions and answers cover animals, geography, science, and history

The Whipping Boy

Step back to an English village in 1255, where life plays out in dramatic vignettes illuminating twenty-two unforgettable characters. Winner of the Newbery Medal. Maidens, monks, and millers' sons -- in these pages, readers will meet them all. There's Hugo, the lord's nephew, forced to prove his manhood by hunting a wild boar; sharp-tongued Nelly, who supports her family by selling live eels; and the peasant's daughter, Mogg, who gets a clever lesson in how to save a cow from a greedy landlord. There's also mud-slinging Barbary (and her noble victim); Jack, the compassionate half-wit; Alice, the singing shepherdess; and many more. With a deep appreciation for the period and a grand affection for both characters and audience, Laura Amy Schlitz creates twenty-two riveting portraits and linguistic gems equally suited to silent reading or performance. Illustrated with pen-and-ink drawings by Robert Byrd -- inspired by the Munich-Nuremberg manuscript, an illuminated poem from thirteenth-century Germany -- this witty, historically accurate, and utterly human collection forms an exquisite bridge to the people and places of medieval England.

Sir Gawain and the Green Knight (A New Verse Translation)

The Door in the Wall

This riveting and authoritative USA Today and Wall Street Journal bestseller is “a much-needed, modern account of the Normans in England” (The Times, London). The Norman Conquest was the most significant military—and cultural—episode in English history. An invasion on a scale not seen since the days of the Romans, it was capped by one of the bloodiest and most decisive battles ever fought. Language, law, architecture, and even attitudes toward life itself—from the destruction of the ancient ruling class to the sudden introduction of castles and the massive rebuilding of every major church—were altered forever by the coming of the Normans. But why was this revolution so total? Reassessing original evidence, acclaimed historian and broadcaster Marc Morris goes beyond the familiar story of William the Conqueror, an upstart French duke who defeated the most powerful kingdom in Christendom. Morris explains why England was so vulnerable to attack; why the Normans possessed the military cutting edge though they were perceived as less sophisticated in some respects; and why William’s hopes of a united Anglo-Norman realm unraveled, dashed by English rebellions, Viking invasions, and the insatiable demands of his fellow conquerors. Named one of the best books of the year by the Kansas City Star, who called the work “stunning in its action and drama,” and the Providence Journal, who hailed it “meticulous and absorbing,” this USA Today and Wall Street Journal bestseller is a tale of gripping drama, epic clashes, and seismic social change.

Ken Jennings’s Trivia Almanac is the ingeniously organized book where, for a change, the all-time Jeopardy! champ gets to ask the questions—and where every day of the year will give you the chance to test your trivia mettle. For example—February 21: In 1912, on this day, Teddy Roosevelt coined the political phrase “hat in the ring,” so Ken Jennings fires off a series of “ring” questions. What two NFL quarterbacks have four Super Bowl rings each?* What rings are divided by the Cassini Division?** Also on this date, in 1981, the “goth” music scene was born in London, so here’s a quiz on black-clad icons like Darth Vader, Johnny Cash, and Zorro. Do you know the secret identities of Ivanhoe’s Black Knight*** or Men in Black’s Agent M****? In this ultimate book for trivia buffs and other assorted know-it-alls, the 365 entries feature “This Day in History” factoids, trivia quizzes, and questions categorized by Jennings as “Easy,” “Hard,” and “Yeah, Good Luck.” Topics cover every subject under the sun, from paleontology to mixology, sports feats to Bach suites, medieval popes to daytime soaps. This addictive gathering of facts, oddities, devilishly clever quizzes, and other flights of fancy will make each day a fun and intriguing new challenge. From the Hardcover edition.

Tuesdays with Morrie

Contrary to popular perceptions, the European Middle Ages were a fertile intellectual period in history. The groundwork laid by scholastic philosophers of the Middle Ages made the advancements of the Renaissance possible. Given the myriad of social and political questions confronting us today, the author sent via time machine a letter to a scholastic philosopher to obtain the medieval perspective on these pressing modern problems. This book is the response that he received. It addresses a wide range of modern issues from a medieval perspective, ranging from the political (such as questions relating to socialism, immigration, and the right to bear arms) to the deeply personal (such as abortion and transgender rights). The book is written in the same question and answer style used by the scholastics, and is well researched with over 200 citations to medieval and classical sources. World History

The story of the eventful and controversial life of Margery Kempe - wife, mother, businesswoman, pilgrim and visionary - is the earliest surviving autobiography in English. Here Kempe (c.1373-c.1440) recounts in vivid, unembarrassed detail the madness that followed the birth of the first of her fourteen children, the failure of her brewery business, her dramatic call to the spiritual life, her visions and uncontrollable tears, the struggle to convert her husband to a vow of chastity and

her pilgrimages to Europe and the Holy Land. Margery Kempe could not read or write, and dictated her remarkable story late in life. It remains an extraordinary record of human faith and a portrait of a medieval woman of unforgettable character and courage.

Medieval Answers to Modern Questions

'By nature, by instinct, by personality, people react differently and use different techniques and ways of dealing with a situation. Success in the future will come to those who see people as unique individuals, with unique talents. Rather than just selecting people with the right skills, winning organizations will be those that also focus on selecting people with the skills who are also suited by temperament to complete the task successfully. How do you discover who you really are? Who your team members really are? What role you're best adapted to play? Many systems have been devised based on the great psychologist, Carl Jung's teachings. But the best may well be a system called Kingdomality, created by Richard and Susan Silvano of Career Management International. Kingdomality links an understanding of personality - the natural/instinctive way we act and react - with role models that clearly define the whole sweep of personality types. By matching personality types to roles played by citizens in a medieval kingdom and developing a simple test - blind to issues such as gender, race, education, economic circumstance - the Silvanos have created a way of discovering who you are. By knowing your own role, and the essence of the roles of others around you, you'll understand why certain people see problems and opportunities differently. To know who you really are brings power and mastery to your life.' From the foreword by Ken Blanchard, bestselling co-author of *The One Minute Manager*

Agincourt

The Knight at Dawn

The verse dramatization of the medieval murder of Thomas Becket at Canterbury by the winner of the Nobel Prize for Literature. The Archbishop Thomas Becket speaks fatal words before he is martyred in T. S. Eliot's best-known drama, based on the murder of the Archbishop of Canterbury in 1170. Praised for its poetically masterful handling of issues of faith, politics, and the common good, T. S. Eliot's play bolstered his reputation as the most significant poet of his time. It has been performed on stage, film, and television since 1935 and was the basis for the opera *Assassinio nella Cattedrale* by the Italian composer Ildebrando Pizzetti.

Sophie's World

A special 20th anniversary edition of the beloved international bestseller that changed millions of lives Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like

Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He reconnected with Morrie in the last months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class:" lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.
