Tchaas Academy also known as Neteru Academy, a high school for future Guardians of the Light who have special powers, but she has to go there with her cocky twin brother and the rest of her compound brothers and sisters. To make matters worse, everyone has ridiculous expectations of her all because her parents are like supernatural rock stars for saving the planet sixteen years ago. But what nobody, not even her best girlfriend Tami seems to be getting is the fact that, Sarah doesn't think she's special, doesn't want to be a demon-hunting hero, and is even afraid of the dark! So what that her mother was a Warrior Angel and her Dad used to be a Hell Council-level Vampire? Opposites attract. Go figure. As far as Sarah is concerned, all she got from the combination was a pair of fangs that lengthen at inappropriate times to embarrass her in front of her secret crush; whereas her brother, Alejandro, got the good looks and cool wings. However, what her parents' status has created is drama in her life by ensuring that the mean girls at school will make her life a living nightmare. Sarah knows her family's renowned slayer reputation will also ensure that everyone at school will assume she had it easy and should be able to do everything her famous rebel parents can do, when the heartbreaking truth is, she cant. Not by a long shot. Once at the hidden boarding school in the Appalachian Mountains, things go from bad to worse as Sarah tries to fit in. Her nightmares increase and it isn't just anxiety; her second sight is suddenly developing at a record pace. ## **Minion**

The first book in the Laura Caxton Vampire series from the author of the Monster Island trilogy. All the official reports say that vampires are dead--extinct since the late '80s, when FBI agent Arkeley defeated the last vampire in a fight that nearly killed him. But when state trooper Laura Caxton calls the FBI looking for help in the middle of the night, Arkeley is unsurprised to hear that it sounds like a vampire attack. He's been expecting such a call to come eventually. Sure, it has been years since any signs of an attack, but Arkeley knows what most people don't: there is one left. In an abandoned asylum she is rotting, plotting, and biding her time in a way that only the undead can. Laura Caxton is out of her league on this case and more than a little afraid. Arkeley made it clear there is only one way out. The worst thing is the feeling that the vampires want more than just her blood. They want her for a reason, one she can't guess; a reason her sphinxlike partner knows but won't say; a reason she has to find out-or die trying. From the Trade Paperback edition.

Rewarded for her creation, Lilith is given the daylight bite and power to make Councilmen day-walkers. Having Fallon Nuit and Sebastian able to withstand sunlight is a huge problem, especially when they are adding new master vampires at recordbreaking levels.
