So You Want To Be An Entrepreneur?

Colt and Julia were secretly together for a year, and no one ever knew, not even Julia's boyfriend. Why would they-they were from two different crowds. Julia lived in her country club world and Colt . . . didn't. Then Julia dies in a car accident. Colt is devastated but can't mourn openly, and he's tormented that he may have played a part in her death. And when Julia's journal ends up in his hands, he is forced to relive their year together-just when he is trying to forget. The problem is, how do you get over someone who was never really yours to begin with?

The City of Ember

Get Your Move On! In Making Things Move: DIY Mechanisms for Inventors, Hobbyists, and Artists, you'll learn how to successfully build moving mechanisms through non-technical explanations, examples, and do-it-yourself projects--from kinetic art installations to creative toys to energy-harvesting devices. Photographs, illustrations, screen shots, and images of 3D models are included for each project. This unique resource emphasizes using off-the-shelf components, readily available materials, and accessible fabrication techniques. Simple projects give you hands-on practice applying the skills covered in each chapter, and more complex projects at the end of the book incorporate topics from multiple chapters. Turn your imaginative ideas into reality with help from this practical, inventive guide. Discover how to: Find and select materials Fasten and join parts Measure force, friction, and torque Understand mechanical and electrical power, work, and energy Create and control motion Work with bearings, couplers, gears, screws, and springs Combine simple machines for work and fun Projects include: Rube Goldberg breakfast machine Mousetrap powered car DIY motor with magnet wire Motor direction and speed control Designing and fabricating spur gears Animated creations in paper An interactive rotating platform Small

vertical axis wind turbine SADbot: the seasonally affected drawing robot Make Great Stuff! TAB, an imprint of McGraw-Hill Professional, is a leading publisher of DIY technology books for makers, hackers, and electronics hobbyists.

Polar Vortex

• Written by a critically-acclaimed natural-history author • Shares author's fun journey to understanding clouds • Written for the curious—but non-science—minded Author Maria Mudd Ruth fell in love with clouds the same way she stumbles into most passions: madly and unexpectedly. *A Sideways Look at Clouds* is the story of her quite accidental infatuation with and education about the clouds above. When she moved to the soggy Northwest a decade ago, Maria assumed that locals would know everything there was to know about clouds, in the same way they talk about salmon, tides, and the Seahawks. Yet in her first two years of living in Olympia, Washington, she never heard anyone talk about clouds—only the rain. Puzzled by this lack of cloud savvy, she decided to create a 10-question online survey and sent it to everyone she knew. Her sample size of 67 people included men and women, new friends in Olympia, family on the East Coast, outdoorsy and indoorsy types, professional scientists, and liberal arts majors like herself. The results showed that while people knew a little bit about clouds, most were like her—they had a hard time identifying clouds or remembering their names. As adults, they had lost their curiosity and sense of wonder about clouds and were, essentially, not in the habit of looking up. *A Sideways Look at Clouds* acknowledges the challenges of understanding clouds and so uses a very steep and bumpy learning curve—the author's—as its plot line. The book is structured around the ten words used in most definitions of a cloud: “a visible mass of water droplets or ice crystals suspended in the atmosphere above the earth.” A captivating story teller, Maria blends science, wonder, and humor to take the scenic route through the clouds and encourages readers to chart their own rambling, idiosyncratic course.

Just Julian

A poetry book by the author of "God Loves Hair" a bold and timely interrogation of skin.

Valmiki's Daughter

A modern-day classic. This highly acclaimed adventure series about two friends desperate to save their doomed city has captivated kids and teachers alike for almost fifteen years and has sold over 3.5 MILLION copies! The city of Ember was built as a last refuge for the human race. Two hundred years later, the great lamps that light the city are beginning to flicker. When Lina finds part of an ancient message, she's sure it holds a secret that will save the city. She and her friend Doon must race to figure out the clues before the lights go out on Ember forever! Nominated to 28 State Award Lists! An

The Book Thief

Two grieving people, a tragic fire, and one small community that won't be defeated. After losing his fiancé in a car accident, embittered contractor, Gabriel Hart, is sent to Lake County to aid in the clean-up effort after the Valley Fire burned more than one thousand homes. Local girl Sarah McKinney, struggled with a failing marriage when she was suddenly widowed with the loss of her young husband. Neither was looking for love but for Gabe and Sarah, it's attraction at first sight. Only the opportunity to meet passes them by. Second chances are fortuitous when Gabriel is working to clean the home site of a fire victim and sees Sarah again. With each having experienced unimaginable loss, the two form a bond that soon ignites into passion. But will haunting pasts, long distances, and a secret Sarah keeps stand between their true love? In this story of catastrophic loss, community support, and renewed hope, two souls try to mend their broken hearts while assisting those who lost virtually everything in the fire.

Violence

"Six minutes from now, one of us would be dead. None of us knew it was coming." So says Wes Holloway, a young presidential aide, about the day he put Ron Boyle, the chief executive's oldest friend, into the president's limousine. By the trip's end, a crazed assassin would permanently disfigure Wes and kill Boyle. Now, eight years later, Boyle has been spotted alive. Trying to figure out what really happened takes Wes back into disturbing secrets buried in Freemason history, a decade-old presidential crossword puzzle, and a two-hundred-year-old code invented by Thomas Jefferson that conceals secrets worth dying for.

Up, Down, or Sideways

An outcast teenage lesbian witch finds her coven hidden amongst the popular girls in her school, and performs some seriously badass magic in the process. Skulking near the bottom of West High's social pyramid, Sideways Pike lurks under the bleachers doing magic tricks for Coke bottles. As a witch, lesbian, and lifelong outsider, she's had a hard time making

friends. But when the three most popular girls pay her \$40 to cast a spell at their Halloween party, Sideways gets swept into a new clique. The unholy trinity are dangerous angels, sugar-coated rattlesnakes, and now-unbelievably-Sideways' best friends. Together, the four bond to form a ferocious and powerful coven. They plan parties, cast curses on dudebros, try to find Sideways a girlfriend, and elude the fundamentalist witch hunters hellbent on stealing their magic. But for Sideways, the hardest part is the whole 'having friends' thing. Who knew that balancing human interaction with supernatural peril could be so complicated? Rich with the urgency of feral youth, *The Scapegracers* explores growing up and complex female friendship with all the rage of a teenage girl. It subverts the trope of competitive mean girls and instead portrays a mercilessly supportive clique of diverse and vivid characters. It is an atmospheric, voice-driven novel of the occult, and the first of a three-book series.

Moving Forward Sideways Like a Crab

MAN BOOKER PRIZE FINALIST A New York Times, The Washington Post, NPR, Financial Times, Southern Living, The Guardian, and Kirkus Reviews Best Book of the Year Long-listed for the Gordon Burn Prize Autumn. Season of mists and mellow fruitfulness. That's what it felt like for Keats in 1819. How about Autumn 2016? Daniel is a century old. Elisabeth, born in 1984, has her eye on the future. The United Kingdom is in pieces, divided by a historic, once-in-a-generation summer. Love is won, love is lost. Hope is hand-in-hand with hopelessness. The seasons roll round, as ever. Ali Smith's new novel is a meditation on a world growing ever more bordered and exclusive, on what richness and worth are, on what harvest means. It is the first installment of her Seasonal quartet—four stand-alone books, separate yet interconnected and cyclical (as the seasons are)—and it casts an eye over our own time. Who are we? What are we made of? Shakespearean *jeu d'esprit*, Keatsian melancholy, the sheer bright energy of 1960s pop art: the centuries cast their eyes over our own history making. Here's where we're living. Here's time at its most contemporaneous and its most cyclic. From the imagination of the peerless Ali Smith comes a shape-shifting series, wide-ranging in time-scale and light-footed through histories, a story about aging and time and love and stories themselves.

The Book of Fate

When Livia Stone suddenly loses her twin brother, Jasper, she must learn to navigate her new life alone. As she faces tragedy and starts down a road toward self-destruction, Daniel enters Livia's life-at a moment when she needs it most. *Standing Sideways* is a poignant, relevant, and touching story of survival, courage, and compassion that will have readers crying, laughing, and most of all, debating the issues affecting the lives of parents and teens alike on a journey of hope and forgiveness.

Making Things Move DIY Mechanisms for Inventors, Hobbyists, and Artists

Getting shipped off to live with his uncle Race was the best thing that ever happened to fifteen-year-old Cody. Then a wreck at the speedway nearly ruined everything. Cody's making every effort to get his life back on track, but there's no escaping the nightmares that haunt him. A chance to build his own car seems like the perfect distraction until Cody realizes he'll have to live up to Race's legendary reputation as a driver. But that's the least of his worries, considering he doesn't have his dad's permission. All he has to do is the impossible: keep his uncle in the dark until he can convince his dad racing's safe. Yeah, sure. That'll be easy. Book 2 in the Full Throttle series

Pluriversal Politics

A philosopher and cultural critic discusses the diverse ways in which violence is perceived and misperceived in the world, addressing such provocative issues as whether or not capitalism, or even civilization, causes more violence than it prevents, and the inherent violence of globalization, fundamentalism, and language. Original. 30,000 first printing.

The Walking Boy

There has never been any shortage of business at the Tank, a high-profile firm in Copenhagen. There are round-table meetings to attend, circular memos to write, colleagues to indirectly undermine. But when the Tank's nefarious CEO announces a period of downsizing, everyone is exposed and the game-playing begins in deadly earnest. Top executive Frederick Breathwaite suspects his days might be numbered, and is frantically trying to ensure a foothold on the career ladder for his son Jes. Harald Jaeger, estranged from his wife and daughters, harbours desperate passions for an alarming number of women (including, dangerously, the Tank's married financial officer). Lost in his amorous fantasies, he has somehow managed to catch the CEO's eye - as a possible replacement for Breathwaite. Meanwhile the CEO's son Adam should be following in his father's alpha-male footsteps but instead is head-over-heels in puppy love with his au pair. And in a nearby shoe repair shop, Jes, who personally can't imagine anything worse than his father's corporate life, is pursuing a very different kind of future. As the city settles into autumn, a season of brittle days and foreboding nights, the impending downsizing causes a ripple effect that touches not just every employee in the Tank but their spouses, children and lovers as well. Sharp, funny but remarkably tender, *Falling Sideways* is a shrewdly observed tale of ambition and anxiety, of backstabbing and backsliding, of office politics and family affairs.

Blown Sideways Through Life

BONUS: This edition contains an A Mighty Long Way discussion guide. When fourteen-year-old Carlotta Walls walked up the stairs of Little Rock Central High School on September 25, 1957, she and eight other black students only wanted to make it to class. But the journey of the “Little Rock Nine,” as they came to be known, would lead the nation on an even longer and much more turbulent path, one that would challenge prevailing attitudes, break down barriers, and forever change the landscape of America. For Carlotta and the eight other children, simply getting through the door of this admired academic institution involved angry mobs, racist elected officials, and intervention by President Dwight D. Eisenhower, who was forced to send in the 101st Airborne to escort the Nine into the building. But entry was simply the first of many trials. Breaking her silence at last and sharing her story for the first time, Carlotta Walls has written an engrossing memoir that is a testament not only to the power of a single person to make a difference but also to the sacrifices made by families and communities that found themselves a part of history.

After the Fire

Nineteen-year-old Julian doesn't see any point to life. After years of bullying at school, he is so depressed that his single mother must stay home from work to care for him, and the only outlet for his feelings is his artwork. He sees a glimmer of hope after meeting the similarly out-of-place Romeo at a party and sharing a kiss with him. But Romeo has always identified as straight — and he hangs out with a group of guys who hurt Julian's friend Paris and harassed his cousin Ty. But Julian can't deny his attraction to Romeo, who is confused about his feelings and embarrassed by his past behaviour. As the two begin to fall in love, Julian finds strength he never knew he had, coming out from hiding behind his paintings and brokering peace between Romeo and Ty. But Romeo's old friends come after the couple, resulting in a vicious fight that puts both Julian and Romeo in the hospital. With the encouragement of Mrs. Duke, Paris's mother and Romeo's vice-principal, the two boys decide to take a stand for their right for respect. Just Julian provides insight into the struggle against homophobia, reminding LGBTQ readers that they are not alone.

Out on Main Street & Other Stories

LONGLISTED 2014 – Scotiabank Giller Prize From the author of *Cereus Blooms at Night* and *Valmiki's Daughter*, both nominated for the Scotiabank Giller Prize, comes a haunting and courageous new novel. Written in vibrant, supple prose that vividly conjures both the tropical landscape of Trinidad and the muted winter cityscape of Toronto, *Moving Forward Sideways Like a Crab* is a passionate eulogy to a beloved parent, and a nuanced, moving tale about the struggle to embrace the complex realities of love and family ties. Jonathan Lewis-Adey was nine when his parents, who were raising him in a tree-lined Toronto neighbourhood, separated and his mother, Sid, vanished from his life. It was not until he was a grown man, and a promising writer with two books to his name, that Jonathan finally reconnected with his beloved

parent—only to find, to his shock and dismay, that the woman he'd known as "Sid" had morphed into an elegant, courtly man named Sydney. In the decade following this discovery, Jonathan made regular pilgrimages from Toronto to visit Sydney, who now lived quietly in a well-appointed retreat in his native Trinidad. And on each visit, Jonathan struggled to overcome his confusion and anger at the choices Sydney had made, trying with increasing desperation to rediscover the parent he'd once adored inside this familiar stranger. As the novel opens, Jonathan has been summoned urgently to Trinidad where Sydney, now aged and dying, seems at last to offer him the gift he longs for: a winding story that moves forward sideways as it slowly peels away the layers of Sydney's life. But soon it becomes clear that when and where the story will end is up to Jonathan, and it is he who must decide what to do with Sydney's haunting legacy of love, loss, and acceptance.

Sounds Like Titanic: A Memoir

Short-listed for the Lambda Literary Award from the author of *Cereus Blooms at Night*. "A fascinating premise that gives voice to the queer-identified" (*The Globe and Mail*, Toronto). Jonathan Lewis-Adey was nine when his parents separated, and his mother, Sid, vanished entirely from his life. It is not until he is a grown man that Jonathan finally reconnects with his beloved lost parent, only to find, to his shock and dismay, that the woman he knew as "Sid" in Toronto has become an elegant man named Sydney living in his native Trinidad. For nine years, Jonathan has paid regular visits to Sydney on his island retreat, trying with quiet desperation to rediscover the parent he adored inside this familiar stranger, and to overcome his lingering confusion and anger at the choices Sydney has made. At the novel's opening, Jonathan is summoned urgently to Trinidad where Sydney, now aged and dying, seems at last to offer him the gift he longs for: a winding story that moves forward sideways as it reveals the truths of Sydney's life. But when and where the story will end is up to Jonathan, and it is he who must decide what to do with Sydney's haunting legacy of love, loss, and acceptance. "The novel's evocation of the light and sights of Trinidad, its tropical over-ripeness and the scary suddenness of night's onset, are vivid. But most vivid of all is the sensitive, wise Sid/Syd, whose tragedy is to never have been loved the way she/he deserved." —*Toronto Star* "Mootoo's character-driven novel is rich in setting and slow in pace, inviting the reader to linger over its closely observed details." —*Booklist*

Falling Over Sideways

A novel reminiscent of the works of Herman Koch and Rachel Cusk, in which a lesbian couple attempts to escape the secrets of their pasts. "A slow-burning examination of identity, gender, desire, and immigration Mootoo's subtle, thought-provoking tale stands out among stories of characters gripped by the past." --*Publishers Weekly* "Compellingly charts the complexity of human relationships, the illusions of memory, and the corrosive power of denial." --*Kirkus Reviews* "Polar

Vortex is a powerful, fraught, and inventive exploration of the impossibility of ever really knowing the people we come to love. Told in urgent, incandescent prose and effortlessly spinning in and out of time, the book is an intimate and starkly honest examination of the complexities of sexual identity, lust, shame, regret, and how we, no matter where we come from or how we identify, are at our most complicated when it comes to the whims and failings of the human heart." --Joe Meno, author of *Marvel and a Wonder* "How to know the shifting pieces of ourselves, how to acknowledge contradictory desires, as we are pulled into the maelstrom of desire and memory? Shani Mootoo's intimate new novel suspends us in the vortex between acts of betrayal and acts of love. It is a powerfully unsettling work from a brilliant artist." --Madeleine Thien, author of *Do Not Say We Have Nothing* "The past isn't even past--and the present is tense with conflicting desires and untold stories. What brings clarity to this setting is Shani Mootoo's limpid prose, clean and bracing. *Polar Vortex* is an honest, but also moving, exploration of true intimacy." --Amitava Kumar, author of *Immigrant, Montana* "What a gorgeous and thrilling novel. Beautifully crafted, with perfect form and icy-clear tone--Shani Mootoo held me under her spell until the shock and release of the last page!" --Sarah Selecky, author of *Radiant Shimmering Light* *Polar Vortex* is a seductive and tension-filled novel about Priya and Alex, a lesbian couple who left the big city to relocate to a bucolic countryside community. It seemed like a good way to leave their past behind and cement their newish, later-in-life relationship. But there's leaving the past behind--and then there's running away from awkward histories. Priya has a secret--a long-standing, on-again, off-again relationship with a man, Prakash. In Priya's mind Prakash is little more than an old friend, but in reality things are a bit complicated. Why has she never told Alex about him? Prakash has tracked Priya down in her new life, and before she realizes what she's doing, she invites him to visit. Alex is not pleased, and soon the existing cracks in their relationship widen, revealing secrets Alex herself would have preferred to keep. Into the fissure walks Prakash, whose own agenda forces all three to face the inevitable consequences of their choices.

The Scapegracers

Bringing together three generations of scholars, thinkers and activists, this book is the first to trace a genealogy of the specific contributions Indo-Caribbean women have made to Caribbean feminist epistemology and knowledge production. Challenging the centrality of India in considerations of the forms that Indo-Caribbean feminist thought and praxis have taken, the authors turn instead to the terrain of gender negotiations among Caribbean men and women within and across racial, class, religious, and political affiliations. Addressing the specific conditions which emerged within the region and highlighting the cross-racial solidarities and the challenges to narratives of purity that have been constitutive of Indo-Caribbean feminist thought, this collection connects to the broader indentureship diaspora and what can be considered post-indentureship feminist thought. Through examinations of literature, activism, art, biography, scholarship and public sphere practices, the collection highlights the complexity and richness of Indo-Caribbean engagements with feminism and social justice.

H Is for Hawk

"This book is a haunting multi-generational novel about the shifting faces of Mala - adventurer and protector, recluse and madwoman. The plot contains sexual violence and mature themes" -- Prové de l'editor.

The Psychology of Gender

"It's hard to talk clearly about investing and make sense to ordinary readers at the same time. Katsenelson gives a lucid explanation of today's markets with sound advice about how to make money while avoiding the traps that the market sets for exuberant bulls and frightened bears alike." — Thomas G. Donlan, Barron's "A thoroughly enjoyable read. Provides a clear framework for equity investing in today's 'sideways' and volatile markets useful to everyone. Clear thinking and clear writing are not often paired - well done!" — Dick Weil, CEO, Janus Capital Group "The bible for how to invest in the most tumultuous financial market environment since the Great Depression. A true guidebook for how to build wealth prudently." — David Rosenberg, Chief Economist & Strategist, Gluskin Sheff + Associates Inc. "A wonderful, grounded read for new and seasoned investors alike, Katsenelson explains in plain English why volatility and sideways markets are a stock picker's best friend." — The Motley Fool, www.Fool.com Praise for Active Value Investing "This book reads like a conversation with Vitaliy: deep, insightful, inquisitive, and civilized." — Nassim Nicholas Taleb, author of The Black Swan "Thoroughly enjoyable . . . for the thoughtful and often entertaining way in which it is delivered. . . Katsenelson takes his reader step by step into the mind of the value investor by relating, in a fictional addendum to Fiddler on the Roof, the story of Tevye's purchase of Golde, the cow. He also describes his own big-time gambling evening (he was willing to lose a maximum of \$40) and that of a half-drunken, rowdy fellow blackjack player to stress the importance of process. He then moves on to the fundamental principles of active value investing. What differentiates this book from so many others on value investing is that it describes, sometimes through the use of case studies, the thinking of a value investor. Not just his models or his metrics but his assessments. Katsenelson is an empiricist who weighs facts, looks for contraindications, and makes decisions. He makes value investing come alive. This may be a little book, but it's packed with insights for both novices and experienced investors. And it is a delight to read." —Seeking Alpha

Moving Forward Sideways Like a Crab

What is the difference between sex and gender? What is the impact of gender-role stereotypes on our lives, our relationships and the world? What does gender mean to you? The Psychology of Gender looks at our biology, history and culture to consider the impact of gender roles and stereotypes, and addresses the 'dilemmas' we have regarding gender in a post-modern world. It offers a unique perspective on gender through storytelling and explores ideas around transgender

and cisgender identities and androgyny, tackling hidden assumptions and helping us make sense of the world of gender. By examining the future of gender, *The Psychology of Gender* offers a platform for further exploration, and arrives at a new psychology of gender that emphasises relationships and helps us to understand our own gender identity and that of those around us.

Mark Z. Danielewski's House of Leaves

Een welvarende familie op Trinidad weet niet goed raad met seksualiteit.

Slobberknocker

A family relocates to a small house on Ash Tree Lane and discovers that the inside of their new home seems to be without boundaries

Even This Page Is White

Dubbed *The Ultimate Working Girl* by Newsweek, Claudia Shear takes readers on a wild adventure through the American work force in *Blown Sideways Through Life*. Have you ever held down a job for money rather than love? Put up with an impossible boss? Been told when and how often to visit the restroom, get a drink, use the phone? Struggled to remember that who you are doesn't depend on what you do? Meet Claudia Shear, a misfit from Brooklyn who grew up dreaming of adventure. Shear rode a wild wave of employment (sixty-four jobs in all) on her way to realizing her dream of becoming an actress. Before landing the starring role in the upcoming film, *Body Language*, and scoring a deal with Steven Spielberg and Jeffrey Katzenberg for her own sitcom, she worked as (among other things) a pastry chef, a nude model, a waitress (a lot), a receptionist in a whorehouse, a brunch chef on Fire Island, a proofreader on Wall Street (a lot), and an Italian translator. On the surface her life makes for a hilarious tour de resume. But underneath is a universal lesson learned about life in the workplace.

(Top 10), Publishers Weekly, Kirkus Reviews, Slate, Shelf Awareness, Book Riot, Amazon (Top 20) The instant New York Times bestseller and award-winning sensation, Helen Macdonald's story of adopting and raising one of nature's most vicious predators has soared into the hearts of millions of readers worldwide. Fierce and feral, her goshawk Mabel's temperament mirrors Helen's own state of grief after her father's death, and together raptor and human "discover the pain and beauty of being alive" (People). *H Is for Hawk* is a genre-defying debut from one of our most unique and transcendent voices.

Indo-Caribbean Feminist Thought

It's not easy being Claire. (Really.) Claire's life is a joke . . . but she's not laughing. While her friends seem to be leaping forward, she's dancing in the same place. The mean girls at school are living up to their mean name, and there's a boy, Ryder, who's just as bad, if not worse. And at home, nobody's really listening to her -- if anything, they seem to be more in on the joke than she is. Then into all of this (not-very-funny-to-Claire) comedy comes something intense and tragic -- while her dad is talking to her at the kitchen table, he falls over with a medical emergency. Suddenly the joke has become very serious -- and the only way Claire, her family, and her friends are going to get through it is if they can find a way to make it funny again.

Sideways

The 10th-anniversary edition of the No. 1 international bestseller and modern classic beloved by millions of readers *HERE IS A SMALL FACT - YOU ARE GOING TO DIE 1939*. Nazi Germany. The Little Book of Sideways Markets

A young woman leaves Appalachia for life as a classical musician—or so she thinks. When aspiring violinist Jessica Chiccehitto Hindman lands a job with a professional ensemble in New York City, she imagines she has achieved her lifelong dream. But the ensemble proves to be a sham. When the group “performs,” the microphones are never on. Instead, the music blares from a CD. The mastermind behind this scheme is a peculiar and mysterious figure known as The Composer, who is gaslighting his audiences with music that sounds suspiciously like the Titanic movie soundtrack. On tour with his chaotic ensemble, Hindman spirals into crises of identity and disillusionment as she “plays” for audiences genuinely moved by the performance, unable to differentiate real from fake. *Sounds Like Titanic* is a surreal, often hilarious coming-of-age story. Hindman writes with precise, candid prose and sharp insight into ambition and gender, especially when it comes to the difficulties young women face in a world that views them as silly, shallow, and stupid. As the story swells to a crescendo, it gives voice to the anxieties and illusions of a generation of women, and reveals the failed promises of a nation

that takes comfort in false realities.

Postdevelopment in Practice

The Wrestling Biography You've Been Waiting For! There are few people who have been in the wrestling business longer than Jim Ross. And those who have made it as long as he has (half a century to be exact) probably made enemies or burned bridges. But that's just not JR. Slobberknocker is the story of how an Oklahoman farm kid, with a vivid imagination and seemingly unattainable dreams, became "The Voice of Wrestling" to record TV audiences and millions of fans around the world. Jim opens up about his life as an only child on a working farm, who became obsessed with professional wrestling having first saw it on his grandparent's TV. Even though the wrestling business was notoriously secretive and wary of "outsiders," he somehow got a foot in the door to start a historic career, one where he held almost every job in the business?from putting up the ring to calling matches, from driving his blind, drunk boss towards revenge, to consoling two naked 600 pound brothers in the shower room after a rough match. With all those adventures and responsibilities, he's also recognized as the man who built and nurtured a once-in-a-generation talent roster that took the WWE to new heights, including "Stone Cold" Steve Austin, Brock Lesnar, and The Rock to name a few. Readers will finally get the opportunity to hear never-before-told stories about the politics, wackiness, and personalities of all the biggest stars. But this isn't just a wrestling story. It's a story about overcoming adversity and achieving your dreams, as success did not come without significant costs and unforeseen challenges to JR, including multiple bouts of severe facial paralysis called Bell's Palsy. Currently the host of the podcast The Ross Report, any fan of wrestling?from the territory days to today?will be enthralled with stories from the road and behind the scenes. Slobberknocker is the first time Ross tells his story?and you don't want to miss it!

Standing Sideways

Short-listed for the Lambda Literary Award from the author of *Cereus Blooms at Night*. "A fascinating premise that gives voice to the queer-identified" (The Globe and Mail, Toronto). Jonathan Lewis-Adey was nine when his parents separated, and his mother, Sid, vanished entirely from his life. It is not until he is a grown man that Jonathan finally reconnects with his beloved lost parent, only to find, to his shock and dismay, that the woman he knew as "Sid" in Toronto has become an elegant man named Sydney living in his native Trinidad. For nine years, Jonathan has paid regular visits to Sydney on his island retreat, trying with quiet desperation to rediscover the parent he adored inside this familiar stranger, and to overcome his lingering confusion and anger at the choices Sydney has made. At the novel's opening, Jonathan is summoned urgently to Trinidad where Sydney, now aged and dying, seems at last to offer him the gift he longs for: a winding story that moves forward sideways as it reveals the truths of Sydney's life. But when and where the story will end is

up to Jonathan, and it is he who must decide what to do with Sydney's haunting legacy of love, loss, and acceptance. "The novel's evocation of the light and sights of Trinidad, its tropical over-ripeness and the scary suddenness of night's onset, are vivid. But most vivid of all is the sensitive, wise Sid/Syd, whose tragedy is to never have been loved the way she/he deserved." —Toronto Star "Mootoo's character-driven novel is rich in setting and slow in pace, inviting the reader to linger over its closely observed details." —Booklist

Cereus Blooms at Night

The Walking Boy is a quest novel set in early eighth-century Tang Dynasty China, in the final days of the rule of the first Female Emperor Wu Zhao. The ailing hermit monk Harelip sends his disciple Baoshi on a pilgrimage from Mount Hua to Chang'an, the Western capital; Baoshi is the "walking boy" charged with locating Harelip's missing former lover Ardhanari. Baoshi lives with a secret only his Master knows, and he is filled with fears of being discovered. On his journey, Baoshi crosses paths with both commoners and imperial officials, as well as others who take delight in their queer identities; in doing so, he is released powerfully from his past shame. Lydia Kwa's novel is a book of quiet subversion, upending classical Chinese tropes with contemporary ideas around gender and feminism. Filled with psychological complexities, magic and poetic allusions to classical Chinese literature, The Walking Boy explores the intrigue of inner alchemy while exorcising the ghosts of history.

He Drown She in the Sea

Postdevelopment in Practice critically engages with recent trends in postdevelopment and critical development studies that have destabilised the concept of development, challenging its assumptions and exposing areas where it has failed in its objectives, whilst also pushing beyond theory to uncover alternatives in practice. This book reflects a rich and diverse range of experience in postdevelopment work, bringing together emerging and established contributors from across Latin America, South Asia, Europe, Australia and elsewhere, and it brings to light the multiple and innovative examples of postdevelopment practice already underway. The complexity of postdevelopment alternatives are revealed throughout the chapters, encompassing research on economy and care, art and design, pluriversality and buen vivir, the state and social movements, among others. Drawing on feminisms and political economy, postcolonial theory and critical design studies, the 'diverse economies' and 'world of the third' approaches and discussions on ontology and interdisciplinary fields such as science and technology studies, the chapters reveal how the practice of postdevelopment is already being carried out by actors in and out of development. Students, scholars and practitioners in critical development studies and those seeking to engage with postdevelopment will find this book an important guide to applying theory to practice.

A Sideways Look at Clouds

“A classic Romeo and Juliet love story” spanning decades from the World War II Caribbean to modern-day Vancouver (The Washington Post Book World). At the dawn of the Second World War on the island of Guanagaspar, Harry, the son of a widowed maid, and Rose, the daughter of his mother’s well-to-do employer, are inseparable as children. Blissfully unaware, they form a connection that knows nothing of race or class hierarchies defining their society. Then one night, after American troops occupy Guanagaspar, their deep friendship is exposed and severed. When Harry and Rose meet again in Canada years later, the gulf separating them is not so apparent. As a passion long repressed is rekindled, Rose takes it upon herself to reroute their destinies. A “transcendent tale of souls wounded by circumstance and rehabilitated by love” (Booklist, starred review), *He Drown She in the Sea* is a lyrical, sensuous, and suspenseful story about the origins of desire and the sacrifice and euphoria that come with defying the life one is born into. With a “narrative pacing verg[ing] on genius . . . The worlds revealed are lush and brilliant. The journey is delightful” (Edmonton Journal).

A Mighty Long Way

In *Up, Down, or Sideways*, Mark Sanborn, author of the bestselling book *The Fred Factor*, prepares you for life’s inevitable cycles of up and down—and, too often, sideways. We tend to be surprised when downturns hit us and treat them as the exception—and when times are good, we act as if they will never change. In this book, Mark shows us what we should always be doing to be prepared for these cycles and events in our lives in order to make the most of them. Mark tells his own story of a downturn he experienced. Then, he identifies the principles and practices that will help you discover opportunities in both good times and bad, in up and sideways years. Mark provides timely wisdom that can’t be ignored no matter where you are in your personal or professional life.

Autumn

The appeal of American Sign Language (ASL) has extended beyond the Deaf community into the mainstream—it’s even popular as a class in high school and college. You are guided through the basics of ASL with clear instruction and more than 300 illustrations. With a minimum of time and effort, you will learn to sign: the ASL alphabet; questions and common expressions; numbers, money, and time. With info on signing etiquette, communicating with people in the Deaf community, and using ASL to aid child development, this book makes signing fun for the entire family.

The Secret Year

Sideways is the story of two friends-Miles and Jack-going away together for the last time to steep themselves in everything that makes it good to be young and single: pinot, putting, and prowling bars. In the week before Jack plans to marry, the pair heads out from Los Angeles to the Santa Ynez wine country. For Jack, the tasting tour is Seven Days to D-Day, his final stretch of freedom. For Miles--who has divorced his wife, is facing an uncertain career and has lost his passion for living--the trip is a weeklong opportunity to evaluate his past, his future and himself. A raucous and surprising novel filled with wonderful details about wine, Sideways is also a thought-provoking and funny book about men, women, and human relationships.

Moving Forward Sideways Like a Crab

In *Pluriversal Politics* Arturo Escobar engages with the politics of the possible and how established notions of what is real and attainable preclude the emergence of radically alternative visions of the future. Reflecting on the experience, philosophy, and practice of indigenous and Afro-descendant activist-intellectuals and on current Latin American theoretical-political debates, Escobar chronicles the social movements mobilizing to defend their territories from large-scale extractive operations in the region. He shows how these movements engage in an ontological politics aimed at bringing about the pluriverse—a world consisting of many worlds, each with its own ontological and epistemic grounding. Such a politics, Escobar contends, is key to crafting myriad world-making stories telling of different possible futures that could bring about the profound social transformations that are needed to address planetary crises. Both a call to action and a theoretical provocation, *Pluriversal Politics* finds Escobar at his critically incisive best.
