The Educational Times, and Journal of the College of Preceptors

An equal parts haunting and hilarious deep-dive review of history's most notorious and cold-blooded serial killers, from the creators of the award-winning Last Podcast on the Left Since its first show in 2010, The Last Podcast on the Left has barreled headlong into all things horror, as hosts Henry Zebrowski, Ben Kissel, and Marcus Parks cover subjects spanning Jeffrey Dahmer, werewolves, Jonestown, and supernatural phenomena. Deeply researched but with a morbidly humorous bent, the podcast has earned a dedicated and aptly cultlike following for its unique take on all things macabre. In their first book, the guys take a deep dive into history's most infamous serial killers, from Ted Bundy to John Wayne Gacy, exploring their origin stories, haunting habits, and perverse predilections. Featuring newly developed content alongside updated fan favorites, each profile is an exhaustive examination of the darker side of human existence. With appropriately creepy four-color illustrations throughout and a gift-worthy paper over board format, The Last Book on the Left will satisfy the bloodlust of readers everywhere.

Surveys the extant work of Aeschylus, Sophokles, Euripides, Aristophanes, and Menander, and includes entries on 'lost' playwrights. Examines contextual issues such as the origins of dramatic art forms; the conventions of the festivals and the theater; drama's relationship with the worship of Dionysos; political dimensions of drama; and how to read and watch Greek drama. Includes single-page synopses of every surviving ancient Greek play.
