Cara Salinas has been leading the small Mexican red wolf pack in Tedford County, Texas, since she was thirteen. Adam Mueller, formerly a beat cop from the toughest part of Minneapolis and now the new county sheriff, must find a way to integrate his exiled Minnesotan wolves with Cara's red wolves. Cara and Adam clash in the way only fated mates ever do--and both refuse to accept their destiny. But when a pack of vicious Sazi raptors start to feed on the wolf-children of both packs, Cara and Adam must learn to respect each other, and embrace their future together to save the future of the Texan wolves. Hailed as the "premiere authors of paranormal romance" and "true genre luminaries" by Romantic Times BOOKreviews, and winners of the 2006 Romantic Times Award for Best Werewolf Romance for Moon's Web, Cathy Clamp & C. T. Adams are back with another tale of shapeshifters, passion, and pack politics in Moon's Fury. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

"Fear deer no more! The best source I've seen on the topic!" —Tracy DiSabato-Aust, award-winning garden designer and best-selling author
Deer are one of the most common problems a gardener can face. These cute but pesky animals can

quickly devour hundreds of dollars' worth of plants. And common solutions include the use of unattractive fencing and chemicals. In *Deer-Resistant Design*, Karen Chapman offers another option—intentional design choices that result in beautiful gardens that coexist with wildlife. *Deer-Resistant Design* showcases real home gardens across North America—from a country garden in New Jersey to a hilltop hacienda in Texas—that have successfully managed the presence of deer. Each homeowner also shares their top ten deer-resistant plants, all welcome additions to a deer-challenged gardeners shopping list. A chapter on deer-resistant container gardens provides suggestions for making colorful, captivating, and imaginative containers. Lushly illustrated and filled with practical advice and inspiring design ideas, *Deer-Resistant Design* is packed with everything you need to confidently tackle this challenging problem.

Fill in the gaps of your Common Core curriculum! Each ePacket has reproducible worksheets with questions, problems, or activities that correspond to the packet's Common Core standard. Download and print the worksheets for your students to complete. Then, use the answer key at the end of the document to evaluate their progress. Look at the product code on each worksheet to discover which of our many books it came from and build your teaching library! This ePacket has 6 activities that you can use to reinforce the standard CCSS L.5.2a, b, c: Punctuation. To view the ePacket, you must have Adobe Reader installed. You can install it by going to <http://get.adobe.com/reader/>.

The Encyclopædia of Face and Form Reading

Sunset

Offers a review of literary terms, an analysis of literary passages, strategies for each question type, and seven practice tests.

Moon's Fury

Can you eat like a bear? A sleepy bear awakes in spring and goes to find food. But what is there to eat in April? In May? Follow along and eat like a bear throughout the year: fish from a stream, ants from a tree, and delicious huckleberries from a bush. Fill up your belly and prepare for the long winter ahead, when you'll snuggle into your warm den and snore like a bear once again.

The Gregg Writer

The Sunset

The Mesquakies-popularly known as the Fox, or Sac and Fox, Indians-were a large and powerful people in the Great Lakes region in the seventeenth and eighteenth centuries. Now they live on approximately 3,000 acres of communal property near Tama, Iowa, surrounded by white middle-class farmers. WOLF THAT I AM is the story of a young white academic's encounter with the Mesquakies whom he got to know while collecting folklore for his dissertation. Fred McTaggart had expected to find a dying oral culture. Instead, he found a thriving way of life based on families and clans, linking the present-

day Mesquakie Indians with previous generations, including ancestors who lived before the world was created in its present form. This encounter with a people who live ideas instead of thinking them inspired McTaggart to unlock secrets within

The General Aptitude and Abilities Series provides functional, intensive test practice and drill in the basic skills and areas common to many civil service, general aptitude or achievement examinations necessary for entrance into schools or occupations. The Evaluating Information and Evidence Passbook(R) prepares you by sharpening the skills and abilities necessary to succeed in a wide range of occupations. It provides hundreds of multiple-choice questions that include, but are not limited to: analyzing, interpreting and drawing reasonable conclusions from text, data, images or symbols; identifying trends and relationships; map reading; and more.

How Much Can a Bare Bear Bear?

This accessible, lighthearted look at language introduces homonyms and homophones. Playful rhymes and comical cartoons make both concepts memorable. Each corresponding pair of homonyms and homophones is printed in color for easy identification. At the end, readers are challenged to apply what they've learned—and they'll have fun doing so.
