Silver Bay

"A heartbreaking, finger-gnawing, and yet ultimately hopeful novel by the amazing Rene Denfeld." —Margaret Atwood, via Twitter After captivating readers in The Child Finder, Naomi—the investigator with an uncanny ability for finding missing children—returns, trading snow-covered woods for dark, gritty streets on the search for her missing sister in a city where young, homeless girls have been going missing and turning up dead. From the highly praised author of The Child Finder and The Enchanted comes The Butterfly Girl, a riveting novel that ripples with truth, exploring the depths of love and sacrifice in the face of a past that cannot be left dead and buried. A year ago, Naomi, the investigator with an uncanny ability for finding missing children, made a promise that she would not take another case until she finds the younger sister who has been missing for years. Naomi has no picture, not even a name. All she has is a vague memory of a strawberry field at night, black dirt under her bare feet as she ran for her life. The search takes her to Portland, Oregon, where scores of

homeless children wander the streets like ghosts, searching for money, food, and companionship. The sharp-eyed investigator soon discovers that young girls have been going missing for months, many later found in the dirty waters of the river. Though she does not want to get involved, Naomi is unable to resist the pull of children in need—and the fear she sees in the eyes of a twelve-year old girl named Celia. Running from an abusive stepfather and an addict mother, Celia has nothing but hope in the butterflies—her guides and guardians on the dangerous streets. She sees them all around her, tiny iridescent wisps of hope that soften the edges of this hard world and illuminate a cherished memory from her childhood—the Butterfly Museum, a place where everything is safe and nothing can hurt her. As danger creeps closer, Naomi and Celia find echoes of themselves in one another, forcing them each to consider the question: Can you still be lost even when you've been found? But will they find the answer too late?

The Last Letter from Your Lover

A New York Times Notable Book: A luminous, deeply affecting story of divorce, remarriage, and parenthood. Peter and Emma, two single parents who have found love again after failed first marriages, dream of a peaceful and happy blended family with each of their daughters under one roof. Emma's three-year-old daughter, Tess, takes to the arrangement while Amanda, Peter's sullen and unhappy seven-year-old, views it as a disaster rather than a fresh start. Over the course of this emotional powerhouse of a novel, Amanda becomes increasingly hostile and alienated—until one night she commits an act that threatens the already fragile bonds of the fledgling family. Set on the Upper East Side of Manhattan, *This Is My Daughter* is a skillful and sensitive portrayal of the challenges facing modern families from master of the contemporary novel Roxana Robinson, whose acute observations of domestic life invite comparison to John Cheever and Henry James.

People of Abandoned Character

This “authentic, generous, and heartfelt” (Mary Kay Andrews, New York Times bestselling author) novel from the New York Times bestselling author of the Beach House series is about the bonds and new beginnings that are born from disasters and how, even during the worst of circumstances—or perhaps because of them—we discover what is most important in life. Late August is a beautiful time on the Southern coast—the peach trees are ripe, the ocean is warm, and the sweet tea is icy. It’s the perfect time to enjoy the rocking chairs on the porch. But beneath the calm surface bubbles a threat: it’s also peak hurricane season. When a hurricane threatens the coasts of Florida and South Carolina, an eclectic group of evacuees flees for the farm of their friends Grace and Charles Phillips in North Carolina: the Phillips’s daughter Moira and her rescue dogs, famed equestrian Javier Angel de la Cruz, makeup artist Hannah McLain, horse breeder Gerda Klug and her daughter Elise, and island resident Cara Rutledge. Strangers to all but the Phillips, they must ride out the storm together. During the course of one of the most challenging weeks of their lives, relationships are put to the test as the evacuees are forced to confront the unresolved issues they have with themselves and with each other. But as the storm passes, they realize that what really matters isn’t what they brought with them to the mountains. Rather, it’s what they’ll take with them once they leave. “Fans of Elin Hilderbrand and Wendy Wax will enjoy the picturesque setting and heartwarming intertwined character arcs” (Booklist) and “Monroe writes gorgeously, with authority and tenderness, about the natural world and its power to inspire, transport, and to heal” (Susan Wiggs, #1 New York Times bestselling author).

The Giver of Stars

From the bestselling and award-winning author of *The Sparrow* comes “historical fiction that feels uncomfortably relevant today” (Kirkus Reviews) about “America’s Joan of Arc”—the courageous woman who started a rebellion by leading a strike against the largest copper mining company in the world. In July 1913, twenty-five-year-old Annie Clements has seen enough of the world to know that it’s unfair. She’s spent her whole life in the mining town of Calumet, Michigan, where men risk their lives for meager salaries—and have barely enough to put food on the table for their families. The women labor in the houses of the elite, and send their husbands and sons deep underground each day, dreading the fateful call of the company man telling them their loved ones aren’t coming home. So, when Annie decides to stand up for the entire town of Calumet, nearly everyone believes she may have taken on more than she is prepared to handle. Yet as Annie struggles to improve the future of her town, her husband becomes increasingly frustrated with her growing independence. She faces the threat of prison while also discovering a forbidden love. On her fierce quest for justice, Annie will see just how much she is willing to sacrifice for the families of Calumet. From one of the most versatile writers in contemporary fiction, this novel is an authentic and moving historical portrait of the lives of the crucial men and women of the early labor movement “with an important message that will resonate with contemporary readers” (Booklist).

The Women of the Copper Country

"An exciting new anthology of short fiction chosen by thirty-five of this country's most distinguished and popular fiction writers, *You've Got to Read This* offers readers an unusually intimate glimpse into how accomplished writers experience literature." "Here are stories that inspired today's leading novelists and short-story writers to embark on their own writing careers, stories that took their breath away and changed them, or the way they responded to literature, forever. Oscar Hijuelos confesses his debt to the great Argentine writer Jorge Luis Borges, whose brilliant story "The Aleph" inspired him to become a writer himself. Mary Gordon stands in awe of what James Joyce wrought in "The Dead," and wonders how writers who come after him can equal it. Robert Coover writes movingly of Angela Carter and her mysterious story "Reflections," while Kenneth A. McClane says that "Sonny's Blues" by James Baldwin literally saved his life." "Some of the stories presented here are classics, like Anton Chekhov's "Gooseberries," introduced by Eudora Welty, or Flannery O'Connor's "A Good Man Is Hard to Find," selected by Sue Miller. Some are less well known, like Lars Gustafsson's "Greatness Strikes Where It Pleases," introduced by Charles Baxter, or John Updike's "Packed Dirt, Churchgoing, a Dying Cat, a Traded Car,"

whose beauty stunned Lorrie Moore." "All were critically important to some of our finest contemporary writers - among them Annie Dillard, John Irving, Amy Tan, Louise Erdrich, Russell Banks, Jane Smiley, Bobbie Ann Mason, Tobias Wolff - and their comments about the selections offer fascinating entrances into the stories. For lovers of fiction, You've Got to Read This is a treasure trove, a dazzling collection of stories passionately and imaginatively chosen."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. The Girl You Left Behind

Now back in print for the first time since 1969, a stunning novel about childhood, marriage, and divorce by one of the most interesting minds of the twentieth century. Dream and reality overlap in *Divorcing*, a book in which divorce is not just a question of a broken marriage but names a rift that runs right through the inner and outer worlds of Sophie Blind, its brilliant but desperate protagonist. Can the rift be mended? Perhaps in the form of a novel, one that goes back from present-day New York to Sophie’s childhood in pre-World War II Budapest, that revisits the divorce between her Freudian father and her fickle mother, and finds a place for a host of further tensions and contradictions in her present life. The question that haunts *Divorcing*, however, is whether any novel can be fleet and bitter and true and light enough to gather up all the darkness of a given life. Susan Taubes’s startlingly original novel was published in 1969 but largely ignored at the time; after the author’s tragic early death, it was forgotten. Its republication presents a chance to discover a splintered, glancing, caustic, and lyrical work by a dazzlingly intense and inventive writer.
