HOUSE- AND PET-SITTERS How to be a House- and Pet-Sitter provides anyone looking to move into this line of work with a comprehensive guideline on how to make sure you can become a first-class sitter and therefore the person that a home-owner will want to take on, and will contact first to care for their home and precious animals. The book covers many possible scenarios - some almost beyond belief - that can and do happen to sitters and home-owners. There are also suggestions on ways that you can improve your knowledge and position as a house- and pet-sitter to ensure you are successful in what you do and to help you achieve the best and most lucrative opportunities as well as those that appeal to you the most. It covers everything from a two-hour sit to a six-plus month sit, from one tiny animal to more than twenty five plus a bed and breakfast business, as

well as everything in between. This is a book that will become an invaluable resource for anyone wanting to move into this fascinating and fun line of work, work that may provide you with opportunities to live in fantastic mansions, to travel the world, to see places you never thought you could. HOME-OWNERS Not only is this book perfect for those people who would like to take up the occupation of a house- and pet-sitter, it is also a brilliant guide for those home-owners who need a sitter to care for their homes and their beloved pets while they go away for a relaxing holiday, business trip, hospital admission or any other reason they may have for being absent from their home. Finding good and reliable sitters is a minefield for home-owners who are handing over their house keys to a complete stranger, then walking away. By knowing what to look for in a sitter, by knowing where and how to find the good ones, the home-owner is reducing the not-inconsiderable risks of employing someone who may cause endless problems, loss and damage, as well as situations that may well be life-threatening to the pets.

This coloring book is completely unique. Every image here came from someone's photo of their pet. That photo was then turned into line art and a border put around it that is exclusive to each pet's page. Then the pet's name is added, which can also be colored in. The result is a totally personalized experience for each person and their pet. Something you can't find anywhere else. It's such a thrill to see you own pet featured in a full size coloring book. Kids and grandkids get so excited when they see their pet in a book, and love sharing it with their friends. And after they color it in, it's just as exciting to show their family how adorable their pet looks now that they've added their own loving touch to the picture. It's almost impossible to go through this coloring book and not smile. The pets are not posing they're just being themselves wonderful and adorable. And now you can relive that moment with them as you add color to the border and image itself. Enjoy this creative way to connect with your pet and the others in this coloring book.
