Amazon.com: LeapFrog LeapReader Reading and Writing System

Children learn to read and write better when they learn to read and write together. LeapReader is the complete learn-to-read-and-write solution that combines three essential literacy skills: reading, writing and listening. By practicing them together, children can grow the skills they need help them become confident, independent readers.

Problem Solution Games For Reading

A digital library containing Java applets and activities for K-12 mathematics
