Roberto Arlt, celebrated in Argentina for his tragicomic, punch-in-the-jaw writing during the 1920s and 1930s, was a forerunner of Latin American “boom” and “postboom” novelists such as Gabriel García Márquez and Isabel Allende. *Mad Toy*, acclaimed by many as Arlt’s best novel, is set against the chaotic background of Buenos Aires in the early twentieth century. Set in the badlands of adolescence, where acts of theft and betrayal become metaphors for creativity, *Mad Toy* is equal parts pulp fiction, realism, detective story, expressionist drama, and creative memoir. An immigrant son of a German father and an Italian mother, Arlt as a youth was a school dropout, poor and often hungry. In *Mad Toy*, he incorporates his personal experience into the lives of his characters. Published in 1926 as *El juguete rabioso*, the novel follows the adventures of Silvio Astier, a poverty-stricken and frustrated youth who is drawn to gangs and a life of petty crime. As Silvio struggles to bridge the gap between exuberant imagination and the sordid reality around him, he becomes fascinated with weapons, explosives, vandalism, and thievery, despite a desperate desire to rise above his origins. Flavored with a dash of romance, a hint of allegory, and a healthy dose of

irony, the novel's language varies from the cultured idiom of the narrator to the dialects and street slang of the novel's many colorful characters. *Mad Toy* has appeared in numerous Spanish editions and has been adapted for the stage and for film. It is the second of Arlt's novels to be translated into English.

### **Impossible Choices**

### **The Book of Chilam Balam of Chumayel**

In this New York Times bestselling memoir, Rita Moreno shares her remarkable journey from a young girl with simple beginnings in Puerto Rico to Hollywood legend—and one of the few performers, and the only Hispanic, to win an Oscar, Grammy, Tony and two Emmys. Born Rosita Dolores Alverio in the idyll of Puerto Rico, Moreno, at age five, embarked on a harrowing sea voyage with her mother and wound up in the harsh barrios of the Bronx, where she discovered dancing, singing, and acting as ways to escape a tumultuous childhood. Making her Broadway debut by age thirteen—and moving on to Hollywood in its Golden Age just a few years later—she worked alongside such stars as Gary Cooper, Yul Brynner, and Ann Miller. When discovered by Louis B. Mayer of MGM, the wizard himself declared: “She looks like a Spanish Elizabeth Taylor.” Cast by Gene Kelly as Zelda Zanders in *Singin’ in the Rain* and then on to her Oscar-winning performance in *West Side Story*, she catapulted to fame—yet found herself repeatedly typecast as the “utility ethnic,” a role she found

almost impossible to elude. Here, for the first time, Rita reflects on her struggles to break through Hollywood's racial and sexual barriers. She explores the wounded little girl behind the glamorous façade—and what it took to find her place in the world. She talks candidly about her relationship with Elvis Presley, her encounters with Howard Hughes, and the passionate romance with Marlon Brando that nearly killed her. And she shares the illusiveness of a “perfect” marriage and the incomparable joys of motherhood. Infused with Rita Moreno's quick wit and deep insight, this memoir is the dazzling portrait of a stage and screen star who longed to become who she really is—and triumphed.

### **Colección legislativa de España**

DIV Los demonios han venido a matar, robar y destruir. Ellos toman posesión de las vidas, oprimen a los creyentes y causan estragos en los planes de Dios para su pueblo. ¿Podrían ser la fuente de sus luchas? Jesús no dijo que aconsejemos o mediquemos demonios, dijo: “¡Échenlos fuera!”. Cada día, les damos demasiado poder a los demonios cuando, de hecho, Jesús nos ha dado autoridad para atarlos y ordenarles que se vayan. En Cuando los cerdos se mudan a casa, Don Dickerman presenta los principios de liberación a través de historias de hombres y mujeres cuyas vidas han sido transformadas porque alguien miró a los ojos del diablo y le ordenó: “¡En el nombre de Jesús sal FUERA!”. Dickerman incluye entrevistas a personas como David Berkowitz (hijo de Sam) y Ed Ferncombe (uno de los peores criminales

de Irlanda) y muchos otros que también han sido liberados. /div

### **Inventing the Art Collection**

The pace and scale of the exchange of cultural goods of all sorts&—paintings, furniture, even ladies' fans&—increased sharply in nineteenth-century Spain, and new institutions and practices for exhibiting as well as valorizing &"art&" were soon formed. Oscar V&ázquez maps this cultural landscape, tracing the connections between the growth of art markets and changing patterns of collecting. Unlike many earlier students of collecting, he focuses not upon questions of taste but rather upon the discursive and institutional frameworks that came to regulate art's economic and symbolic worth at all levels of Spanish society. Drawing upon sources that range from newspaper reviews to notarial documents, V&ázquez shows how collecting acquired the power to mediate debates over individual, regional, and national identity. His book also looks at the emergence of a new state apparatus for arts administration and situates these social and political changes in the broader European context. Inventing the Art Collection will be of interest to historians and sociologists of Spain and Europe, as well as art historians and cultural theorists.

## **Catalogue of the Spanish library and of the Portuguese books bequeathed by George Tiknor to the Boston Public Library**

Working at the local processing plant, Marcos is in the business of slaughtering humans—though no one calls them that anymore. His wife has left him, his father is sinking into dementia, and Marcos tries not to think too hard about how he makes a living. After all, it happened so quickly. First, it was reported that an infectious virus has made all animal meat poisonous to humans. Then governments initiated the “Transition.” Now, eating human meat—“special meat”—is legal. Marcos tries to stick to numbers, consignments, processing. Then one day he’s given a gift: a live specimen of the finest quality. Though he’s aware that any form of personal contact is forbidden on pain of death, little by little he starts to treat her like a human being. And soon, he becomes tortured by what has been lost—and what might still be saved.
