Peuples Du Triangle D'or

Handbook for finding government jobs with 1,400 sources of vacancies in local, state, federal government, and overseas.

Knock 'em Dead Cover Letters

A lyrical memoir that identifies the pressure to conform as a hidden threat to our civil rights, drawing on the author's life as a gay Asian American man and his career as an acclaimed legal scholar. "[Kenji] Yoshino offers his personal search for authenticity as an encouragement for everyone to think deeply about the ways in which all of us have covered our true selves. . . . We really do feel newly inspired."—The New York Times Book Review Everyone covers. To cover is to downplay a disfavored trait so as to blend into the mainstream. Because all of us possess stigmatized attributes, we all encounter pressure to cover in our daily lives. Racial minorities are pressed to "act white" by changing their names, languages, or cultural practices. Women are told to "play like men" at work. Gays are asked not to engage in public displays of same-sex affection. The devout are instructed to minimize expressions of faith, and individuals with disabilities are urged to conceal the paraphernalia that permit them to function. Given its pervasiveness, we may experience this pressure to be a simple fact of social life. Against conventional understanding, Kenji Yoshino argues that the work of American civil rights law will not be complete until it attends to the harms of coerced conformity. Though we have come to some consensus against penalizing people for differences based on race, sex, sexual orientation, religion, and disability, we still routinely deny equal treatment to people who refuse to downplay differences along these lines. At the same time, Yoshino is responsive to the American exasperation with identity politics, which often seems like an endless parade of groups asking for state and social solicitude. He observes that the ubiquity of covering provides an opportunity to lift civil rights into a higher, more universal register. Since we all experience the covering demand, we can all make common cause around a new civil rights paradigm based on our desire for authenticity—a desire that brings us together rather than driving us apart. Praise for *Covering* "Yoshino argues convincingly in this book, part luminous, moving memoir, part cogent, level-headed treatise, that covering is going to become more and more a civil rights issue as the nation (and the nation's courts) struggle with an increasingly multiethnic America."—San Francisco Chronicle "[A] remarkable debut . . . [Yoshino's] sense of justice is pragmatic and infectious."—Time Out New York

The Economist

Your career as a top-notch paralegal starts here. The demand for paralegal professionals is exploding, and *Paralegal Career For Dummies, 2nd Edition* explains the skills and requirements needed to pursue this rewarding career. Develop strategies to manage time and advance your career. Complete with a companion website containing a wealth of valuable information, this book covers everything you need to become a top-notch paralegal.

A Nationwide Survey of Civil Engineering-related R&D.

The author argues that the roles of human resource professionals must be redefined to meet the competitive challenges organizations face today and into the future. He provides a framework that identifies four distinct roles of human resource professionals: strategic player, administrative expert, employee champion, and change agent. He includes many examples to demonstrate that human resource professionals must operate in all four areas simultaneously in order to contribute fully. He urges a shift of these professionals' mentality from "what I do" to "what I deliver" and makes specific recommendations for how individuals in human resources can partner with line managers to make organizations more competitive.

Civil Practice and Litigation Techniques in the Federal and State Courts

Professional resume and cover letter writers reveal their inside secrets for creating phenomenal cover letters that get attention and land interviews. Features more than 150 sample cover letters written for all types of job seekers, including the Before-and-After transformations that can make boring letters fabulous.

Public Interest Job Search Guide

Human Resource Champions

Cover letters that get noticed, get read, and get the interview! In the newest edition of his classic cover letter guide, job search expert Martin Yate shows you how to dramatically increase your chance of landing an interview. The key, as Yate explains, is to use language drawn from the job posting itself, words that will send your application to the top of database searches. In this completely updated guide, you'll find numerous sample cover letters, along with Yate's tried and proven methods to: Determine relevant keywords to get attention--and use them effectively Clearly display your personal brand and the transferable skills you bring to the job Find the right contact information that gets your material in front of decision-making managers and recruiters Use social media sites such as LinkedIn to create an effective online profile and build professional and personal networks With Martin Yate's expert advice, you'll create unique and compelling cover letters that will grab employers' attention and get you in the door!

Master the Civil Service Exams

BIG BOOK OF JOBS, 2009-2010

Handbook of Architectural and Civil Drafting

Title IV of the Civil Rights Act of 1964, a Review of Program Operations

Those who seek legal and paralegal jobs will find this book to be a rich resource. No matter what type of legal or paralegal work is sought, the reader will find outstanding samples of resumes and covers used by real people to obtain legal and paralegal jobs. Resumes and covers letters are included which will help newly minted lawyers or paralegals find their first jobs in their field. There are also sample resumes and cover letters which will be useful to the most experienced lawyers and paralegals in the profession. A bonus of this book is that it includes samples of paperwork involved in getting federal government jobs: specialized resumes and the federal resumix as well as the write-ups for the Knowledge, Skills and Abilities (KSAs) which are often required for government positions. This book will show legal-industry professionals how to maximize their career potential, get federal positions, and change fields if they want to.
