I Ching was among "the five classics" edited by Confucius, and the philosopher is reputed to have wished for fifty more years of life to study it. The Book of Changes, as it is known in the Western world, dates back to before 1,000 B.C. and ranks among the most important works in the history of Chinese culture. The ancient text has provided inspiration to countless spiritual seekers of many persuasions. One of the few divination manuals to survive into modern times, I Ching is of enormous significance to the history of religions and philosophy. ### **SAT Prep 2020-2021 with Practice Tests**

From master storyteller Carlos Ruiz Zafon, author of the international phenomenon *The Shadow of the Wind*, comes *The Angel's Game* — a dazzling new page-turner about the perilous nature of obsession, in literature and in love. The whole of Barcelona stretched out at my feet and I wanted to believe that when I opened those windows — my new windows — each evening its streets would whisper stories to me, secrets in my ear, that I could catch on paper and narrate to whomever cared to listen... In an abandoned mansion at the heart of Barcelona, a young man, David Martin, makes his living by writing sensationalist novels under a pseudonym. The survivor of a troubled childhood, he has taken refuge in the world of books and spends his nights spinning baroque tales about the city's underworld. But perhaps his dark imaginings are not as strange as they seem, for in a locked room deep within the house lie photographs and letters hinting at the mysterious death of the previous owner. Like a slow poison, the history of the place seeps into his bones as he struggles with an impossible love. Close to despair, David receives a letter from a reclusive French editor, Andreas Corelli, who makes him the offer of a lifetime. He is to write a book unlike anything that has ever existed — a book with the power to change hearts and minds. In return, he will receive a fortune, and perhaps more. But as David begins the work, he realizes that there is a connection between his haunting book and the shadows that surround his home. Once again, Zafon takes us into a dark, gothic universe first seen in *The Shadow of the Wind* and creates a breathtaking adventure of intrigue, romance, and tragedy. Through a dizzyingly constructed labyrinth of secrets, the magic of books, passion, and friendship blend into a masterful story.
