stupidly accepts. How did retribution turn into seduction? Martin refuses to let himself fall in love, so there must be rules to this game. And perhaps a bit of romance. Desperate to save her father from ruin, Livvy Hartwell agrees to accompany Martin as his paramour. She long ago accepted that a penniless bluestocking like herself had no chance for a well-suited marriage. If a few passionate months with a man like Martin is all she'll ever have as far as romance, it's an opportunity she will take. But she must guard her heart. He might be handsome as the devil and tempting as sin, but she can't be a typical mistress and doesn't want Martin to call her such. In fact, she has a list of rules. Livvy's Rules: ~ Adventures outdoors such as horseback riding would be appreciated. ~ Evening meals should be eaten together to converse about the day's events. ~ Allotted time alone to read gothic novels. ~ Kissing should be kept at a minimum. Martin's Rules: ~ Adventures are required—particularly indoors—and will be greatly appreciated. ~ Evening meals will sometimes be eaten in the bedroom, naked. ~ Allotted time together to act out the sensual gothic novels. ~ Kissing—a lot of it and in some very pleasurable spots — is required.
