last hours of this present age without conflict, trouble, and persistent peril. The Bible has prophesied of the Seven Vials of God's Wrath, the final judgments which will utterly destroy what's left of a decimated planet. These calamities will bring a plague of festering boils upon the followers of the Antichrist, rivers and seas will turn to blood, and a global earthquake will raze the cities of the earth to the ground. All of this in the midst of the war to end all wars. Everett and Courtney must leave their sanctuary of relative safety, but there is nowhere left to turn. And getting anywhere in these last days means traversing wastelands patrolled by Global Republic drones or crossing hostile deserts infested by the violent jihadi armies of Caliph Marwan Bakr. in the Redemption of our race is the least understood topic in the Bible today. Most believers have even dismissed its relevance to todays Christianity. However, the truth is that the Sabbath is at the heart of Christs work to save human beings in accordance with Gods plan. The Sabbath is so central to the work of atonement that Christ is referred to in the Bible as the Lord of the Sabbath. The issue of the Sabbath will become pertinent as we near the End, and every human being will be required to take a stand in the confl ict involving the Sabbath question. This book will plant your feet on a solid foundation.

come up with different answers? Why, when a sermon speaks strongly to someone, do others find it incomprehensible? In recent years, both inside and outside the Christian community, the Myers-Briggs Type Indicator (MBTI) has been extensively used as an aid to spiritual growth, self-knowledge and community building. Type theory has become an invaluable resource in the spheres of education, management and pastoral care. Here, Leslie J. Frances suggests that in learning to understand our own preferred pattern of spirituality we do not only deepen our understanding of the gospels but also increase our sensitivity to the approaches of others. Personality Type and Scripture brings together the texts from St Mark's gospel which are included in Year B of the Revised Common Lectionary, and uses the insights of MBTI theory to explore the range of possible responses to them. Accessible enough for use in personal Bible reading, its disciplined and professional approach makes it an invaluable companion for Bible study leaders and preachers.
