Special price. We're all in this together. Find your #HEATHOME Brooke Chapman-Powell takes her position as the Earl of Englefield's personal secretary very seriously. This job is what keeps her sister in her university for the deaf and the town from completely shutting down. But the earl's dying, and they have only one hope. An American. From some place called Salvation, Virginia. Now she'll have to teach the in-all-likelihood-uncouth-and-lazy half American how to be a proper earl if they hope to save the village. God help them all. Nick Vane has about two gazillion things that land higher on his to-do list than becoming an English earl. Things like naps. Hosting poker nights. Oh, and raking in the profits from his latest invention. Accepting the title his grandfather has denied him since birth? Doesn't. Even. Register. But Miss Prim and Proper won't give up, and before he knows what's what, he's on a plane to London. He's got too much pride to go down easily, and she's got too much propriety to ever break the rules. They are as different as a cocktail fork and a bread knife and the clash between them lands these two in the most unexpected positions.

### British Bedmate

They say I'm evil. The police. The newspapers. The girls from school who sigh on the six o'clock news and say they always knew there was something not quite right about me. And everyone believes it. Including you. But you don't know. You don't know who I used to be. Who I could have been. Sometimes I wonder if I'll ever shake off my mistakes or if I'll just carry them around with me forever like a bunch of red balloons. Awaiting trial at Archway Young Offenders Institution, Emily Koll is going to tell her side of the story for the first time. Heart-Shaped Bruise is a compulsive and moving novel about infamy, identity and how far a person might go to seek revenge.

LAYLA For the last two years Lachlan has been my personal bodyguard. Although I don't feel in danger and don't need someone constantly watching me, because it's Lachlan, I can't help but feel safe. I love him. He is big and strong, with training that makes him deadly. Anyone who is stupid enough to cross him learns that swiftly. But I'm too afraid to tell him how much I want him. I'm too afraid to tell him that I crave him. LACHLAN I was hired to be her bodyguard, to make sure she was safe because her father is a senator. But even if her father hadn't hired me, I wouldn't have been able to leave her alone. I love her, want her as mine, and I need to show Layla that she was meant for me. I need to show her that if anyone looks at her, speaks to her, or thinks they have a right to touch her, I'll lay them out and not think twice. She is my world, and no one but me will have her. I'm done waiting. It's time I make Layla mine. Warning: Have a neck brace on hand because this story will give you whiplash. It's short and to the point, but that's how

## **Taint**

Dear Bridget, I'm writing this letter because it's highly doubtful I'll ever garner the courage to say this to your face. So, here goes. We're totally wrong for each other. You're the proper single mum with a good head on your shoulders. I'm just the carefree British doctor passing through town and temporarily living in your converted garage until I head back to England. But here's the thing for some bloody reason, I can't stop thinking about you in very inappropriate ways. I want you. The only reason I'm even admitting all of this to you right now is because I don't believe it's one-sided. I notice your eyes when you look at me, too. And as crass as I appear when we're joking around about sex, my attraction to you is not a joke. So, what's the purpose of this note? I guess it's a reminder that we're adults, that sex is healthy and natural, and that you can find me just through the door past the kitchen. More specifically, it's to let you know that I'm leaving said door cracked open from now on in case you'd fancy a British bedmate in the middle of the night sometime. No questions asked. Think about it. Or don't. Whatever you choose. It's doubtful I'll even end up sliding this letter under your door anyway.
