The Renaissance of Etching

From NYTs and USA Today Bestselling Author Kym Grossoa novel in the IMMORTALS OF NEW ORLEANS series now optioned for film. Hunter Livingston's

trip to Hell had been a calculated risk. Best case scenario, the Alpha would save a friend and come out unscathed; at worst, he'd burn in flames for eternity. But finding the high priestess had never been part of his plan, nor was rescuing the near-dead stranger he'd found lying by her side. Drawn to the mysterious woman, he'd sworn to protect her from the rogue pack who sold her into Hell and the demon who sought her soul. With royal blood flowing through her veins, Dr. Willa Jacobs had long hidden her Lycan heritage. Deep within the rainforest, she'd unearthed a discovery that drew the attention of both humans and the forces of evil. Rescued by the charismatic Alpha, she'd known her kidnappers would never give up looking for her or her research. As the dominant Alpha stirred her beast to rise, her emotions warred, and she was more determined than ever to see her adversaries burn in Hell. From Wyoming to Louisiana, Hunter and Willa spiral into an erotic and dangerous journey where they question who is foe or friend, and must fight to destroy their enemies. As Willa grows closer to the sexy Alpha, will she divulge her true nature, embracing the strength of her abilities? If they survive, will Hunter claim his mate, accepting the hellfire that runs through her veins? *Hunter is written to be read standalone but many readers prefer to read the series in order. The first in series, Kade's Dark Embrace, is free.

Blaze (the Protectors Series) Book #10

Steve, the self-proclaimed Invisible Warrior, has not had a typical life. Trained by

the VC Warriors, he still has to prove his worth, but with humor and sheer will, he refuses to give up. In one afternoon, his life changes, as do the lives of three others. Steve Richardson has a serious choice to make between two women and someone who holds his heart like no other.

Nicole (the Protectors)

From New York Times bestselling author of *The Husband Hunt*, *The Heiress*, and other beloved historical romances, comes Lynsay Sands's *An English Bride in Scotland*, the first book in a new series set in the wilds of the Highlands. Annabel had planned to become a nun. But when her mother arrives at the Abbey to bring her home to marry a Scottish laird—her runaway sister's intended husband—her life takes a decidedly different turn. And though Annabel isn't the wife he'd planned for, strong, sexy Ross McKay is taken with his shy, sweet bride. Annabel knows nothing about being a wife, running a castle—or the marriage bed. But her handsome new husband makes her want to learn. When Annabel's life is threatened, Ross vows to move the highlands itself to save her and preserve the passion that's only beginning to bloom.

Ronan

The VC Warriors are an elite group of vampire who protect innocents, whether human or those of their own race. Jared Kincaid, along with other Warriors, are shocked when a fiery red head with a gun and attitude, bring news of young teens being turned into an army of half-breed vampires capable of taking out all VC Warriors. Breaking into the famed VC Warriors compound was definitely not the smartest thing Tessa Pride has ever done, but she will do anything for her brother, Adam. The Warriors held the one person she knew was responsible for her brother being turned into a half-breed and nothing will stop her from getting what she needs to help her brother, not even a Warrior whose eyes could make her melt with one look. Jared and Tessa join forces in a desperate scramble to find who is responsible. With a war between Warriors and half-breeds brewing, suspicions of traitors in their midst put the lives of everyone involved on the line.

Forbidden Seduction (Lee County Wolves) Book #2

"The Book of Her Life" is the spiritual autobiography of a Counter Reformation mystic and monastic reformer of sixteenth century Spain. Introduction by Jodi Bilinkoff.

Forbidden Desire

Drowning in debt, the owner of Stone's Wolf Sanctuary, Gemma Stone, is as exhausted as she is determined. Not only does she have to win over frightened, injured wolves daily, but she's tired of those threatening to close her sanctuary down. It's not until Eric Jackson walked into her life that she sees a light at the end of the lonely tunnel she's been traveling. To the surprise of both, they have more in common than either could have ever imagined.

Karma's Revenge

Keeping her alive and out of his heart is more difficult than he expected. Then he makes a decision that could cost Kate her life.

A Woman's Way

Renowned for his playboy lifestyle and wisecrack remarks, Sid Sinclair knows he is the last pick for the lead investigator of human/half-breed trafficking. Never one to play by the rules, Sid takes his new position seriously, but not without driving the leader of the VC Council and fellow Warrior's crazy. A human with a special gift,

Lana Fitzpatrick's life is complicated. When Sid Sinclair charges into her life, her complicated life becomes torturous; his charm and wit draws her in like no other. Having dealt with alpha men most of her life, she is a match made in heaven for the VC Warrior who thinks he is God's gift to women. As the world of vampires and humans try to coexist, Sid and Lana's lives intertwine. It doesn't take long before the sparks between the two fly and for them to realize they have both finally met their match.

Simisola

Taking on new recruits has always been tricky business for Dell Farris, head protector of the Lee County Wolves. Add in the knowledge that his mate is one of them makes things even more complicated. He knows she has demons to fight, but he's determined to take charge of that battle. Nothing and no one will ever hurt her again. Roslyn "Ross" Starr has secrets that she plans to take to the grave. But fearing putting innocents in danger, she makes a decision that could end everything. In a split second, Ross's life changes, and all because of a handsome shifter who makes her want to try for the life she deserves. As Dell unlocks the secrets of Roslyn's past it is clear to all but him that she is a forbidden temptation.

Sanctuary

From the moment Marcus Foster saw Roxy Patel, he knew she was his mate. Remaining patient because of her troubled past, he was determined to build her trust. She was his and nothing would change that, not even time. Leaving her past behind, Roxy refused to remain a broken shell of a woman. Determined to start afresh, moving to a new town was just what she needed. With the help of her new friends, and a wolf shifter wanting to make her his own, all Roxy needed was the chance to thrive again.

Sloan

Jake McCabe had one rule. Never date a client. Trisha Summers had a new rule. Never date a man again. Rules were meant to be broken.

Quintus

Damon DeMasters is a vampire warrior who has taken an oath to not only protect his own kind, but humans as well. Crimson Rush is the new drug and it's their duty to find who is behind the selling of vampire blood and stop it. As a social worker, Nicole Callahan fights for the right of every child placed in her care. There's a war now as vampires have stepped out into the spotlight taking their place in society and the children are at the heart of it all. Damon and his fellow warriors have been

ordered by the Vampire Council to train Nicole and her colleagues against the dangers they now face in their new world. Even as sparks fly and tensions mount, Nicole and Damon depend on each other to protect the children of both races.

Deep in the heart of New Orleans, Dimitri and Gillian seek a cure to the parasite maligning his mighty beast. Still on the run from a malevolent force, they lure their enemy into the bayou. Will Gillian sacrifice her gifts to save the man she loves, destroying her own immortality? And will Dimitri eradicate the evil that has invaded his soul while protecting his mate from an

adversary who threatens to kill them both?

Ambiguous Realities

When an earthquake disrupts a float trip, Patrick's daughter finds men burying a body and she is kidnapped by human traffickers, Patrick MacKenna faces the challenge of his life. When Erin MacKenna's high school canoe trip is disrupted by an earthquake separating her group from the main party, she stumbles on two men burying a murder victim. She and a younger teen are kidnapped and held prisoner by known sexual predators, drug dealers and human traffickers. Patrick must drop everything and neglect his earthquake-stricken clients to rescue her. In this drama of psychological suspense, widowed architect Patrick MacKenna, while dealing with his own lingering trauma over the death of his beloved wife, fears Erin will bond with her captors in a self-imposed prison. Erin must choose between cooperation with the murderers, which she feels is her only chance for survival, and attempting to alert law enforcement, which could result in a showdown, her death and that of the younger camper kidnapped with her, whom she has sworn to protect. But because of her secret and her mistrust of Patrick and the authorities, she must decide this for herself and willfully seeks her own risky road to self-preservation. Only when father and daughter have reconciled can they put their heads together to catch these criminals and restore order both to their own lives and to their tremor-ravaged city.

Blind Faith

From New York Times & USA Today Bestseller, Vi Keeland, comes a steamy new romance novel. The rules: No dating. No sex outside of the game. No disclosing the terms of the contract. Rules were made to be broken, right? Eight weeks ago I signed a contract. One that seemed like a good idea at the time. A handsome bachelor, luxury accommodations, and a chance to win a prize my family desperately needed. There were some rules though. Lots of them actually. Follow the script, no dating, sex, or disclosing the terms of the deal. After my self-imposed moratorium on men the last year, it wouldn't be hard to live up to my end of the bargain so I thought. Until I realized the deal I'd made was with the devil and I was in love with his dirty-talking brother. Author's note - Throb is a full-length standalone novel. Due to strong language and sexual content, this book is not intended for readers under the age of 18.

Attachment Issues in Psychopathology and Intervention

In the quiet Sussex country town of Kingsmarkham, the daughter of Nigerian physician Raymond Akande is missing. "It's probably nothing, " says Dr. Akande to his friend and client Chief Inspector Wexford, whose help he enlists. But the days that follow prove the doctor dreadfully wrong. A young woman is found murdered not Melanie, but the last person to have seen and spoken to her. A second woman's body is discovered, again not Melanie's, but like her, young and black. A third woman turns up beaten and unconscious; like the others, she is of Nigerian origin. As Inspector Wexford's investigation stretches from days into weeks, it becomes his unhappy obligation to counter the hopes of the doctor and his wife. In Wexford's professional opinion, Melanie, like the other young women, has become the victim of a serial killer with a horrifyingly singular objective.

In these powerful and stylishly written essays, Maria Manuel Lisboa dissects the work of Paula Rego, the Portuguese-born artist considered one of the greatest artists of modern times. Focusing primarily on Rego's work since the 1980s, Lisboa explores the complex relationships between violence and nurturing, power and impotence, politics and the family that run through Rego's art. Taking a historicist approach to the evolution of the artist's work, Lisboa embeds the works within Rego's personal history as well as Portugal's (and indeed other nations') stories, and reveals the interrelationship between political significance and the raw

emotion that lies at the heart of Rego's uncompromising iconographic style. Fundamental to Lisboa's analysis is an understanding that apparent opposites – male and female, sacred and profane, aggression and submissiveness – often co-exist in Rego's work in a way that is both disturbing and destabilising. This collection of essays brings together both unpublished and previously published work to make a significant contribution to scholarship about Paula Rego. It will also be of interest to scholars and students of contemporary painting, Portuguese and British feminist art, and the political and ideological aspects of the visual arts.

Opening Wednesday at a Theater Or Drive-In Near You

Not only does VC leader, Sloan Murphy, have to keep the peace between the human and vampire race, but he also wrangles VC Warriors in his spare time. It's a job that could drive a saint insane, and Sloan is no saint, but insane he may be. While his Warriors find mates, he swears he will not follow in their footsteps. Becky Spencer, his new secretary who he reluctantly employs, is set to threaten every stoic promise he's made. With an instant attraction that is hard to deny, she fits into his world with confident ease. Even though Becky has sworn off men after her nasty divorce, she can't help the desire the sexy and serious Sloan Murphy stirs in her. It isn't until she sees how devoted he is to his job and the Warriors under his command, that her lusty feelings turn into more. Working in close quarters, they both fight the pull that grows with each passing minute. Who will win, the

secretary, the Warrior, or an attraction that just won't go away?

His Desire

Leader of the VC Warriors Cincinnati branch, Duncan Roark, has devoted his long life to the Warriors he calls brothers and the Vampire Council, protecting innocents of both the vampire and human race. Things change suddenly when it is ordered that he and his fellow Warriors train human Social Workers to protect themselves in their new world of vampires. Falling in love with a human was something Duncan never thought possible, but love her he did. Now instead of being the ruthless leader he was trained to be, his focus has turned to finding the woman he loved and let go. Pam Braxton is outgoing and loves her job working with children, but when she realizes her live in boyfriend, Kenny Lawrence, has been using her and her job for his illegal activities, she becomes withdrawn, and her world is turned upside down. Deciding to take matters into her own hands, she stays, trying to learn more of his betrayal so she could see him punished. That decision sucks her deeper into a relationship that has turned dangerous and abusive. Overhearing a plot that would put everyone she cares about at risk, she finds the courage to try to stop the monster who has threatened her friends and the man she truly loves. Now Pam is on the run, alone and with a secret that could change the already unbalanced world of vampires and humans. As Duncan searches for Pam, the threat of losing his leadership role has the other Warriors worried, but their loyalty

for Duncan is strong and they stand behind him. Duncan's search is relentless; he knows he is not the only one looking for Pam. Even with his responsibilities slipping, he puts it all on the line to find the only woman he has ever loved. In a race against time, Duncan fights to find Pam before her past catches up to her. The Warrior's path is clear: Find the woman he loves before the past finds her first.

Throb

Jax Wheeler has been fighting his own demons for as long as he can remember. One of those demons is from his past, a brother who wants nothing more to see Jax suffer. Working closely with the Cincinnati Branch of the VC Warriors Jax never thought he would find someone who could help him ease his pain, but he was wrong. Having a past of her own, Caroline Fitzpatrick has survived being put into a trance by a madman who wanted to control her sister, a abusive relationship, communicating with the dead, but nothing has prepared her for Jax Wheeler. From the moment she saw him the attraction was immediate, but the attraction was not mutual or was it? The more Jax tries to stay away from Caroline, the more he finds himself at her door, in her life. All he knows is that every minute he spends with the beautiful school teacher, the more danger he puts her in. His brother's vengeance of wanting him to suffer has put Caroline in the line of fire and only Jax can protect her.

Handbook of Parenting and Child Development Across the Lifespan

Highly trained VC Warrior, Dr. Slade Buchanan's, role between lifesaver and lifetaker has been a constant battle, but nothing prepared him for half-breed VC Warrior trainee, Jill Nichols. Slade realizes his struggles from the past were nothing compared to the difficulty of resisting the woman who could never belong to a man like him. Being the only female VC Warrior recruit, Jill Nichols, has an uphill battle. Falling for the sexy doctor, Slade Buchanan, has not made the battle any easier, especially when he constantly reminds her and others there will never be anything between them. Working harder than any male recruit, obstacles are thrown in her path, and with each challenge, it becomes clear that the two things she wants most may never be.

To be a human being (or indeed to be a primate) is to be attached to other fellow beings in relationships, from infancy on. This book examines what happens when the mechanisms of early attachment go awry, when caregiver and child do not form a relationship in which the child finds security in times of uncertainty and stress. Although John Bowlby, a psychiatrist and psychoanalyst, originally

formulated attachment theory for the express purpose of understanding psychopathology across the life span, the concept of attachment was first adopted by psychologists studying typical development. In recent years, clinicians have rediscovered the potential of attachment theory to help them understand psychological/psychiatric disturbance, a potential that has now been amplified by decades of research on typical development. Attachment Issues in Psychopathology and Intervention is the first book to offer a comprehensive overview of the implications of current attachment research and theory for conceptualizing psychopathology and planning effective intervention efforts. It usefully integrates attachment considerations into other frameworks within which psychopathology has been described and points new directions for investigation. The contributors, who include some of the major architects of attachment theory, link what we have learned about attachment to difficulties across the life span, such as failure to thrive, social withdrawal, aggression, anxiety, depression, bipolar disorder, dissociation, trauma, schizo-affective disorder, narcissistic personality disorder, eating disorders, and comorbid disorders. While all chapters are illuminated by rich case examples and discuss intervention at length, half focus solely on interventions informed by attachment theory, such as toddler-parent psychotherapy and emotionally focused couples therapy. Mental health professionals and researchers alike will find much in this book to stimulate and facilitate effective new approaches to their work.

Dimitri

Hunter Foster single-handedly exposed the shifter community after shifting in front of humans to protect a Vampire Council Warrior. With no regrets, he heads home to answer for his crime of breaking an outdated law. Back in his town, he is faced with rogue packs challenging their alpha, his brother, as well as the woman he has spent years avoiding. Finally, he has to come to terms with what his wolf has been telling him and what he as a man has been fighting against.

Damon (the Protectors Series)

Nicole Callahan, mate to fierce and brooding VC Warrior Damon DeMasters, has been trying to find her place in his world. Without a doubt, it's been interesting, but she believes there's a lot more she can offer the children she spent so much of her human life fighting for. The Mate series delves into the kickass world of the Warriors' mates and how united, they can make a difference-just like their badass Protectors. Follow along to see how these exceptional women's newfound freedom affect those around them and which Warrior may or may not support their feisty independent mate's new and exciting path.

Sherman Genealogy Including Families of Essex, Suffolk and

Norfolk, England

When we think of '70s cinema, we think of classics like *The Godfather*, *Taxi Driver*, and *The Wild Bunch* . . . but the riches found in the overlooked B movies of the time, rolled out wherever they might find an audience, unexpectedly tell an eye-opening story about post-Watergate, post-Vietnam America. Revisiting the films that don't make the Academy Award montages, Charles Taylor finds a treasury many of us have forgotten, movies that in fact "unlock the secrets of the times." Celebrated film critic Taylor pays homage to the trucker vigilantes, meat magnate pimps, blaxploitation "angel avengers," and taciturn factory workers of grungy, unartful B films such as *Prime Cut*, *Foxy Brown*, and *Eyes of Laura Mars*. He creates a compelling argument for what matters in moviemaking and brings a pivotal American era vividly to life in all its gritty, melancholy complexity.

Disabled Bodies in Early Modern Spanish Literature

From NYTs & USA Today Bestselling Author Kym Grosso *The Immortals* of New Orleans Leopold's *Wicked Embrace* (Book 5) Seductive and lethal vampire, Leopold Devereoux, returns to the Big Easy to find a killer. Essays on Paula Rego: Smile When You Think about Hell

Most think that newest VC Warrior, Ronan McDonald, is just a laid-back cowboy. What they don't see is the inner turmoil that only his small ranch and horses can tame. At least that is until a witch with a beauty none could deny walks into his life. Running has been Kira Grail's life for as long as she can remember. It isn't until she meets a VC Warrior that she realizes she's grown weary, but the forces chasing her will never bend. Ronan doesn't believe in magic or curses. What he does believe is that only he can keep Kira safe. Together, they fight to bring the once powerful warlock, Orjyll, to his knees, releasing the women of the Dragonfly Coven. During their perilous journey, Kira vows to keep her distance, but the vampire cowboy has other plans.

Examining specific literary, historical, and theological texts, the essays in *Ambiguous Realities* illuminate a number of important issues about women in the Middle Ages and the Renaissance: the changes in attitude toward women, the role and status of women, the dichotomy between public and private spheres, the prescriptions for women's behavior and the image of the ideal woman, and the difference between the perceived and the actual audience of medieval and Renaissance writers.--Back cover.

Duncan (the Protectors Series) Book #3

Given the significance of spiritual direction in modern Christianity, surprisingly little attention has been given to the tradition upon which today's spiritual direction is built. This book delineates the history of spiritual direction for women and by women

within the larger context of the history of Christian spirituality and its understanding of human perfectibility. By examining the ways in which women practiced spiritual direction, this study reveals the degree to which women influenced society by using an avenue of influence previously overlooked by scholars.

Forbidden Temptation

This handbook presents the latest theories and findings on parenting, from the evolving roles and tasks of childrearing to insights from neuroscience, prevention science, and genetics. Chapters explore the various processes through which parents influence the lives of their children, as well as the effects of parenting on specific areas of child development, such as language, communication, cognition, emotion, sibling and peer relationships, schooling, and health. Chapters also explore the determinants of parenting, including consideration of biological factors, parental self-regulation and mental health, cultural and religious factors, and stressful and complex social conditions such as poverty, work-related separation, and divorce. In addition, the handbook provides evidence supporting the implementation of parenting programs such as prevention/early intervention and treatments for established issues. The handbook addresses the complementary role of universal and targeted parenting programs, the economic benefits of investment in parenting programs, and concludes with future directions for

research and practice. Topics featured in the Handbook include: · The role of fathers in supporting children's development. · Developmental disabilities and their effect on parenting and child development. · Child characteristics and their reciprocal effects on parenting. · Long-distance parenting and its impact on families. · The shifting dynamic of parenting and adult-child relationships. · The effects of trauma, such as natural disasters, war exposure, and forced displacement on parenting. The Handbook of Parenting and Child Development Across the Lifespan is an essential reference for researchers, graduate students, clinicians, and therapists and professionals in clinical child and school psychology, social work, pediatrics, developmental psychology, family studies, child and adolescent psychiatry, and special education.

The Renaissance of Etching is a groundbreaking study of the origins of the etched print. Initially used as a method for decorating armor, etching was reimagined as a printmaking technique at the end of the fifteenth century in Germany and spread rapidly across Europe. Unlike engraving and woodcut, which required great skill and years of training, the comparative ease of etching allowed a wide variety of artists to exploit the expanding market for prints. The early pioneers of the medium include some of the greatest artists of the Renaissance, such as Albrecht Dürer, Parmigianino, and Pieter Bruegel the Elder, who paved the way for future printmakers like Rembrandt, Goya, and many others in their wake. Remarkably, contemporary artists still use etching in much the same way as their predecessors did five hundred years ago. Richly illustrated and including a wealth of new information, The Renaissance of Etching explores how artists in Germany, the Netherlands, Italy, and France developed the new medium of etching, and how it became one of the most versatile and enduring forms of printmaking. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 14.0px Verdana}

Dark Need

Disabled Bodies in Early Modern Spanish Literature: Prostitutes, Aging Women and Saints examines the concepts and role of women in selected Spanish discourses and literary texts from the late fifteenth to seventeenth centuries from the perspective of feminist disability theories. This study explores a wide range of Spanish medical, regulatory and moral discourses, illustrating how such texts inherit, reproduce and propagate an amalgam of Western traditional concepts of female embodiment. It goes on to examine concrete representations of deviant female characters, focusing on the figures of syphilitic prostitutes and physically decayed aged women in literary texts such as *Celestina*, *Lozana andaluza* and selected works by Cervantes and Quevedo. Finally, an analysis of the personal testimony of Teresa de Avila, a nun suffering neurological disorders, complements the discussion of early modern women's disability. By expanding the meanings of contemporary theories of materiality and the social construction of disability, the book concludes that paradoxically, femininity, bodily afflictions, and mental instability characterized the new literary heroes at the very time Spain was at the apex of its imperial power. Ultimately, as this study shows, the broken female bodies of pre-industrial Spanish literature reveal the cracks in the foundational principles of power and established truths.

Haunted by a past he's struggling to forget, Blaze once again finds himself a VC Warrior-something he swore would never happen. Confident he could easily walk away again, his connection to a certain redhead makes that decision harder than he imagined. Trying to fit into the Warrior world, Katrina holds a secret that could ruin the new life she is fighting to fit into. And having feelings for a certain Warrior does not make things any easier. As Blaze's past catches up to him and Katrina's secret is exposed, they discover a deep bond that neither can fight. It soon becomes clear that a past can be put to rest, but secrets can be deadly.
