The questions asked in ESE Prelims papers are objective type. In ESE Prelims papers, there are four options for the answers to every question. For each question for which a wrong answer has been given by the candidate, one-third (1/3rd) of the marks assigned to that question will be deducted as penalty.

Types Of Soil - Sandy Soil, Clay Soil, Silt Soil, And

There is no stipulated pass mark for the civil engineering FE exam as NCEE doesn't publish the score civil engineering students need to pass. Though students may not necessarily answer 70% of the questions correctly, a scaled score of 70% is required to pass the exam. Basically, a portion of previous exam questions is given on subsequent exams.
