Unseen

Owen Dawson is one of Eastwood's most eligible bachelors. He could have any woman he wants, but when it comes to settling down, he only has eyes for Charlie Williams, and he blew his chance with her years ago. While Owen is busy trying to convince everyone--and himself--that the playboy life is for him, Charlie is trying to put her life back together. After discovering her fiancé was cheating on her, Charlie packs her bags, leaves her fancy New York job, and goes back to the one place she never thought she'd return to: home. Determined to start over and stay far, far away from men, the last thing Charlie needs in her life is her first love, Owen and the old feelings that come rushing back the moment she lays eyes on him. While Charlie swears to avoid romance of any kind, Owen is willing to do whatever it takes to prove he's a changed man and win Charlie back even if it means fighting dirty. ****FIGHT DIRTY** is a second chance romance and can be read as a standalone novel. ******

Tears of Pearl

The New York Times bestselling author of the “swoonworthy and addicting” (Kim Karr, New York Times bestselling author) Wind Dragons Motorcycle Club series is back with more bad boy bikers in this first novel in the Cursed Ravens Motorcycle Club series. Erin Dawson had the perfect life growing up in a perfect home with a perfect family. Her parents gave her and her sister everything a child could want. But after learning that the man she’s called “dad” her whole life isn’t actually her biological father, Erin is determined to find the man who is. Armed with her original birth certificate, she finds her father, but begins questioning if her mom had been right all along to keep this information buried. It turns out he is the president of a motorcycle club, which could not be further from the life Erin leads. But, she’s determined to get to know the man who she gets her striking blue eyes from. Despite getting what she wants and finding her biological father, it’s the slightly older,

much rougher but incredibly sexy biker Ace that catches Erin's eye. As the new "princess" of the Cursed Ravens, Erin is learning a whole new world, but her father has made it clear she is off limits. Will Ace follow his President's orders or will he put his heart ahead of his duty? A sizzling tale of family and passion, Ace of Hearts features Fernando's signature "snark and sass" (Booklist) and is perfect for fans of Kristin Ashley.

Sexy Filthy Boss

They say it's better to have loved and lost than to never have loved at all. I think that's total bullshit. No one wants to be a loser in the Game of Love. Trust me, I know. With a lying fiancée and a canceled wedding, I've lost big time. And that loss turned me bitter, so hell bent on vengeance that I almost let it destroy everything. Determined never to go down that dark path again, I've sworn off romance. Work became my priority, my safe place, the one constant in my life that wouldn't tempt me. Until I took on a project I normally wouldn't, and it introduced me to someone I never would have talked to before. No matter how hard I try, my professionalism slips away the more we work together, and I know it's a disaster in the making. Bad things happen when I open my guarded heart. But when I look at her, bad things are all I want to do.

Hot Mess

Barry Morgan is serving life for the most heinous of crimes, and as such, he is chosen as a guinea pig for some terrifying, government experiments. The experiments go horribly awry, and Barry manages to escape. He is, however, a changed man. The chemicals they injected him with have turned him invisible and have imbued him with superhuman strength. Barry likes the ladies, and now that he's free, he intends to have some fun. This is Barry's story, and no details will be spared in the diary he keeps of his exploits. You can't catch what you can't see. And you never know who's watching. This is an extreme horror novella with strong themes. Please proceed with caution.

Stolen Soulmate

There's a rule in Crowne Hall: never look a Crowne in the eyes. It protects us more than them. I broke it once, the night Grayson Crowne mistook me for his true love and stole my first kiss. I've regretted it every day since. He hates me. He torments me. He won't let me go, because that night he whispered a secret against my lips not meant for me. Grayson Crowne, heir to the Crowne empire and notorious playboy prince is a virgin. I signed a contract in my heart's blood as much as ink: help him get back his love, repair what I broke. Give him my body, my soul, my heart, let him use all of me, so when the time comes to marry her, he won't need me. I shouldn't need him. But he's my stolen soulmate, and I'm at his mercy. Stolen Soulmate is the second book in the Crowne Point universe. You do not need to have read Heartless Hero to read

Stolen Soulmate, though it is recommended. It will enhance your reading experience as you will catch easter eggs and the timelines overlap.

Contagious

"I felt like I was walking to the end of a plank precariously hanging over shark-infested water. When I jumped, sharp teeth would rip into me and the cold water would steal my breath away. The monsters would take everything from me, leaving me shivering and naked in the water. The only difference was that tonight I would be pulled from the icy darkness and forced to do it again. There would be no release from death, only pain." Home after her first year of college, Adeline Miller is looking forward to a stress free summer filled with reading, working on her blog, and spending time with friends. But all that changes in an instant when she is witness to something terrible, something she wasn't supposed to see. Beaten, drugged, kidnapped. Adeline Miller is ripped from her innocent and carefree life and thrust into darkness, into a world full of pain and horror. As a sex slave, she is forced to do horrible things, and have horrible things done to her. One of her captors has a past as dark as the world she is now living in. Will getting close to him mean freedom? Or will he pull her deeper into the shadows? Recommended for readers 18+

Contagious and Deathly Contagious

Her carefully constructed life thrown into turmoil by the appearance of an 18-year-old girl with ties to her past, New York City television producer Marian Caldwell is swept up in a maelstrom of personal discovery that changes both of their perceptions about family. By the best-selling author of Baby Proof. 1,000,000 first printing.

The Truth is Contagious

A small-town girl fresh out of an Ivy League college lands a job at a prestigious fashion magazine, but wonders if the glamorous perks are worth working for the editor from hell.

Contagious Chaos

I wasn't afraid of death. If I died, it would be over. My worst fear wasn't of dying, it was of living. Living, while everyone around me had their flesh savagely torn from their bodies to be shoved into the festering and ever-hungry mouths of zombies. It terrified me, right down to my very core, to be alive while the rest of the world was dead. During the Second Great Depression, twenty-four year old Orissa Penwell is forced to drop out of college when she is no longer able to pay for

classes. Unable to find a job, she moves in with her aunt in Indianapolis. Down on her luck, Orissa doesn't think she can go any lower. She couldn't be more wrong. A virus breaks out across the country, leaving the infected crazed, aggressive and very hungry. Orissa is used to only being responsible for herself. When she finds herself a reluctant leader of a group of survivors, she must make a choice: set aside her issues and help the others or go off alone in search of her own family and friends.

Stay

When Liv Dugan ducks out of work for lunch, it's just an ordinary day. When she returns, she stumbles onto a massacre. All her colleagues at Zuma Software have been shot. Only luck has left Liv unscathed, and that might be running out . . . Liv suspects the shootings are tied to her past-and to the package she recently received from her long-dead adoptive mother. Sensing she's being followed, Liv jumps into a stranger's car and orders him to drive. Her "hostage" complies, listening carefully as her story unwinds. Skeptical at first, he ultimately begins to believe all Liv's fears are justified . . . Together, Liv and her unlikely confidant try to uncover the truth about her adoptive family, her birth parents and her troubled childhood. Because somewhere in Liv's past is a secret worth killing for, and a nightmare she can never outrun . . .

One of Many

From bestselling author Emily Goodwin comes the epic start to a sexy and exciting paranormal romance series Never trust a vampire. I might have learned that lesson the hard way. But when I find myself in a vampire-owned bar, I don't have much of a choice. With vampires still trying to assimilate into mainstream society, I've done Lucas King a favor by stopping one of his patrons from draining a human dry in the basement of his bar. A favor he'd prefer to repay in bed than in kind. Vampires and witches have had more than a jaded history, and when witches start showing up dead in surrounding covens, all signs point to something old and powerful. Something that knows the ways of the witches. Something--or someone--like Lucas. What's worse than trusting a vampire? Falling in love with one.

One Call Away

Something Borrowed Emily Giffin The smash-hit debut novel for every woman who has ever had a complicated love-hate friendship. Rachel White is the consummate good girl. A hard-working attorney at a large Manhattan law firm and a diligent maid of honor to her charmed best friend Darcy, Rachel has always played by all the rules. Since grade school, she has watched Darcy shine, quietly accepting the sidekick role in their lopsided friendship. But that suddenly changes the night of her thirtieth birthday when Rachel finally confesses her feelings to Darcy's fiance, and is both horrified and thrilled to

discover that he feels the same way. As the wedding date draws near, events spiral out of control, and Rachel knows she must make a choice between her heart and conscience. In so doing, she discovers that the lines between right and wrong can be blurry, endings aren't always neat, and sometimes you have to risk everything to be true to yourself.

Dietary Reference Intakes for Vitamin C, Vitamin E, Selenium, and Carotenoids

Where We Belong

No one would have guessed a marriage could sprout from a one-night stand, but Holly Radcliffe and Austin Bailey appear to be written in the stars. From the backseat of Austin's Jeep to the altar they come. The town of Lake Starlight along with the Bailey's are prepping for the event of the year, but as usual things never go smoothly with these nine siblings and let's not forget Grandma Dori! This is a novella in the Bailey series!

End Game

This volume is the newest release in the authoritative series of quantitative estimates of nutrient intakes to be used for planning and assessing diets for healthy people. Dietary Reference Intakes (DRIs) is the newest framework for an expanded approach developed by U.S. and Canadian scientists. This book discusses in detail the role of vitamin C, vitamin E, selenium, and the carotenoids in human physiology and health. For each nutrient the committee presents what is known about how it functions in the human body, which factors may affect how it works, and how the nutrient may be related to chronic disease. Dietary Reference Intakes provides reference intakes, such as Recommended Dietary Allowances (RDAs), for use in planning nutritionally adequate diets for different groups based on age and gender, along with a new reference intake, the Tolerable Upper Intake Level (UL), designed to assist an individual in knowing how much is "too much" of a nutrient.

Tears of Tess

Archer has always wanted what he can't have-Quinn Dawson. Since the moment he saw her, he's been denying his feelings for her, ignoring the void in his heart he knows only she can fill. Everything about them was wrong, the kind of wrong that felt so right. But none of it mattered. Not the terrible timing. And definitely not the mess it would create if Archer made a move on his best friend's baby sister.It was supposed to be one night, but one night is all it takes to make everything more complicated, and they only have nine short months to sort it all out.No, none of it mattered. Until it did.

Surviving

Set amid the beauty and decadence of the Ottoman Empire, Lady Emily's latest adventure is full of intrigue, treachery, and romance. Looking forward to the joys of connubial bliss, newlyweds Lady Emily and Colin Hargreaves, diplomats of the British Empire, set out toward Turkey for an exotic honeymoon. But on their first night in the city, a harem girl is found murdered, strangled in the courtyard of the Sultan's lavish Topkapi Palace. Sir Richard St. Clare, an Englishman who works at the embassy in Constantinople, is present and recognizes the girl as his own daughter who was kidnapped twenty years earlier. Emily and Colin promise the heartbroken father that they'll find her killer, but as the investigation gains speed, they find that appearance can be deceiving—especially within the confines of the seraglio. As a woman, Emily is given access to the forbidden world of the harem and quickly discovers that its mysterious, sheltered walls offer no protection from a ruthless murderer. As the number of victims grows, Emily must rely on her own sharp wit in a heart-stopping finale if she is to stop a killer bent on exacting vengeance no matter how many innocent lives he leaves in his wake.

Free Fall

"A collection of work by Henry Green is introduced by John Updike and includes never-before-published short stories, pieces on London during the Blitz, journalism, book reviews, a play, and more"--

Bad Things

Contagious Chaos, the highly anticipated third book in the Contagium Series, winner of the Contagious Reads Horror Con's 2014 best horror series, follows Orissa and her friends as they struggle through a zombie filled world. When the compound starts to fill and food supplies dwindle, Fuller's soldiers and Marines have no choice but to venture out into the lawless

wastelands of America where they discover a new kind of enemy. What foe could be more frightening than zombies? A fortress for the criminally insane--unhinged survivors who will stop at nothing to take Orissa and her friends down for good. In order serve and protect their compound, will the gang have to abandon their own moral code and engage in a war against the uninfected? How far is Orissa willing to go?

Dead of Night

One of People's Top Ten Books of 2015 "[Larson] succeeds in providing a well-rounded portrait of a woman who, until now, has never been viewed in full."—Boston Globe "A biography that chronicles her life with fresh details . . . By making Rosemary the central character, [Larson] has produced a valuable account of a mental health tragedy and an influential family's belated efforts to make amends." — New York Times Book Review Joe and Rose Kennedy's strikingly beautiful daughter Rosemary attended exclusive schools, was presented as a debutante to the queen of England, and traveled the world with her high-spirited sisters. Yet Rosemary was intellectually disabled, a secret fiercely guarded by her powerful and glamorous family. In *Rosemary*, Kate Clifford Larson uses newly uncovered sources to bring Rosemary Kennedy's story to light. Young Rosemary comes alive as a sweet, lively girl adored by her siblings. But Larson also reveals the often desperate and duplicitous arrangements the Kennedys made to keep her away from home as she became increasingly difficult in her early twenties, culminating in Joe's decision to have Rosemary lobotomized at age twenty-three and the family's complicity in keeping the secret. Only years later did the Kennedy siblings begin to understand what had happened to Rosemary, which inspired them to direct government attention and resources to the plight of the developmentally and mentally disabled, transforming the lives of millions. "The forgotten Kennedy is forgotten no longer. Rosemary is a rare thing, a book about the Kennedys that has something new to say." — Laurence Leamer, author of *The Kennedy Women* "Heartbreaking." — Wall Street Journal

Hard Place

Pack Rule #1: Never reveal to a human. I broke that rule the day I met the beautiful doctor. I might be a rodeo champ, but one look at her, and I lost my concentration. The bull tossed and gored me, and now the sweet female is on to me. When I healed within hours, she knew something wasn't right. My alpha told me to watch her. Not a problem. I'll watch her all right. Real close. I'll stick to her like superglue. And those human men who want to date her? They'd better step back. Because the doctor is all mine. Whether she knows it yet or not.

Digital Darwinism

The Truth is Contagious...the epic conclusion to the award winning Contagium Series..." A mysterious virus has infected most of the world's population. This sickness transforms the living into violent "crazies" and eventually into the flesh-eating undead. Orissa and Hayden have survived in this new harrowing world. They have watched heroes fall, lost friends, and waged war—both against the living and the dead. Now a new revelation will shake everything they have built and everything they believe... After learning the shattering truth about the virus, Orissa and her friends discover a new enemy, more deceitful and more powerful than anyone or anything they have faced before. And this time it's up to Orissa and Hayden to destroy the evil at its source and keep the lie from spreading. The truth is their mission and the truth is contagious. The Bestselling Contagium series by Emily Goodwin won multiple awards at the 2014 Contagious Reads Horror Con, including best zombies, best gore, best main character, and overall best horror series. Emily Goodwin was named horror author of the year.

Personal Achievement

He's the sexy alpha male in the corner office who goes through assistants faster than free donuts in the breakroom. I'm the assistant who was chosen to cover for his last fire. The owner of the company is clear—hook the biggest client in our firm's history and there's a partnership for him and a promotion for me. Stipulation—we do it together. It doesn't take a tarot card-reading psychic to figure out where our story is headed... late nights, trips out of town, and more than a few awkward moments filled with sexual tension. No worries though. I pride myself on my willpower. I can totally ignore his sexy grin, his rock-hard body and his dreamy brown eyes. I will not become the woman other women hate. But it turns out that Enzo Mancini has a lot of layers and if I don't stop peeling, I'm going to lose everything, including my dignity. The title speaks for itself! Don't miss this sexy OFFICE ROMANCE romantic comedy coming June 11th! Cover coming soon!

The Devil Wears Prada

Digital Darwinism takes a closer look at disruptive thinking to inspire those who want to be the best at digital transformation. Change across business is accelerating, but the lifespan of companies is decreasing as leaders face a growing abundance of decisions to make, data to process and technology that threatens even the most established business models. These forces could destroy your company or, with the right strategy in place, help you transform it into a market leader. Digital Darwinism lends a guiding hand through the turbulence, offering practical strategies while sounding a call to action that lights a fire underneath complacency to inspire creative change. Digital Darwinism shines a light on the future by exploring technology, society and lessons from the past so you can understand how to adapt, what to embrace and what to ignore. Tom Goodwin proves that assumptions the business world has previously made about "digital" are wrong: incremental change isn't good enough, adding technology at the edges won't work and digital isn't a thing - it's

everything. If you want your organization to succeed in the post-digital age, you need to be enlightened by Digital Darwinism.

Then Comes Marriage

Side Hustle

I'll never forget the first time I saw Nora Fisher. The way my heart sped up in my chest and blood rushed through every part of me. I was drawn to her the moment our eyes met. She was beautiful. Guarded. Damaged. Just like me. I never meant to hurt the only woman I've ever loved. She was light, and I was dark, casting shadows on everything around me. Letting her go meant spiraling back into the darkness only Nora could pull me from. But I'd sacrifice myself a thousand times for her. Four years later, she's back, and the passion she ignites makes the fight for her stronger. But the more I try to make things right, the more I realize how complicated things have become. And now I'm starting to see that maybe her light was never meant to be mine.

Fight Dirty

Cold. Callous. Cocky. A total playboy with abs for days, a panty-melting smirk, and a face the gods themselves would be jealous of. And he's my new boss. None of that matters, because as a single mom, men like Alexander Harding are the last thing I need. What I do need is this job, so I'm going to keep my head down, work hard, and avoid that asshole as much as humanly possible. But then he gives me an offer I can't refuse, even though everything inside of me is warning me to run away and never look back. It's just one weekend. One weekend to convince a bunch of stuffy investors that Alexander has changed from the player who spent more time in the bedroom than the boardroom into a family man they'd be happy to go into business with. But the more time I spend with him, the more I realize that there might be a beating heart buried under his designer shirts and spectacular pecs after all, which is bad news for me. Because the only thing worse than hating your boss is falling in love with him.

First Comes Love

When Scarlet Cooper takes a new job as a nanny, she assumes she's going to work for the rich couple who hired her. But instead of pulling up to their million-dollar estate, she finds herself on the front porch of a humble farmhouse, looking into the eyes of dark and brooding single dad, Weston Dawson. It's bad enough that Weston doesn't have a fortune to charm out

of him, but he's also a cop. After marrying his high school sweetheart only to have her up and leave weeks after their baby was born, Weston has sworn off women for life. All that matters now is taking care of his son, Jackson. If anyone can break down the tough exterior of the former soldier, it's Scarlet. But just when she's close to getting exactly what she wants, she's faced with a whole new challenge, which just might be the biggest con she's ever pulled: pretending she doesn't love him.

Rosemary

Nat Goodwin's Book

Chase Henson doesn't play by the rules. He doesn't let himself get attached, doesn't stay in one place long enough to call anywhere home. So when he returns to the small town of Summer Hill for the first time in years, the last thing he expects to find is a reason to stay. Sierra Belmont is lost. Devastated after a sudden tragedy that left her heart broken in a million pieces, Sierra is just barely getting by. Burying herself in work at Summer Hill's only bookstore, all she wants to do is make it through another day. And then Chase walks through the doors of The Book Bag, claiming he's just there to buy a book. Rumors that he's dangerous fly through the town, but Sierra isn't afraid of him. He might be the last person she should be with, but he's the only one who understands the depth of her pain. For the first time, Chase stands still, fighting the desperation to mend Sierra's broken heart. Always running, the past has never had a chance to catch up to Chase. But there's a first time for everything.

Alpha's Sun

My life is a hot mess. Single, working, and raising two daughters, it's a miracle I get us up, dressed, and fed every morning. Forget about dating-nobody's got time for that. Even if love hadn't left me jaded, I'm not settling for anything less than perfect this time around. Lucky for me, the perfect man just happens to work in my office. But there's just one small problem: he's my boss, and is totally off limits. But hey, if it's meant to be, it'll find a way, right? Then a night out with friends turns into a night in with the walking-talking bad boy cliché of a bartender. It's just one night. No harm, no foul, right? Except when the hot bartender turns out to be my boss's trouble-making brother, who wants more than just one night with me. The more I resist the spark between us, the more I find myself wanting him too. Which puts me in the middle of what could be the biggest sibling rivalry of the century. Life is messy. And love? Well, love is even messier.

Ace of Hearts

FIRST COMES LOVE-an Amazon Top 20 Bestseller! First comes love. Then comes marriage. Then comes a- Hold up. You're joking right? As if life works off a neat little list like that, moving down, checking things off before jumping to the next task. We're not married. We're not lovers. Hell, we're hardly even friends. Noah Wilson isn't exactly "life partner" material, and he sure as hell isn't "father material". He's my older brother's best friend, and has been off limits, sworn off, locked in the highest tower and out of reach since we met over ten years ago. With his devilish good looks, tattoos, motorcycle, and trail of broken hearts and tears, I've had good reason to stay away from the bad boy my mother warned me about. Until one night. One stupid, regrettable night that changed both of our lives forever. And now I only have nine months to decide our fate, to see if Noah's rebel heart is capable of anything more than a one night stand. This isn't a love story. This is a life story. And life doesn't go according to plan.

Contagious and Deathly Contagious: The Contagium Series (Book One and Book Two)

Getting pregnant was the last thing Quinn thought would happen. But now Quinn's focus is to start the family Archer's always wanted. The hard part should be over, right? Wrong. Ghosts from the past begin to surface. No matter how hard they try, the universe seems to have other plans that threaten to tear Archer and Quinn apart. Archer will not let the one thing he always wanted slip through his fingers. As events unfold, Archer finds himself going to lengths he never thought possible. After all he's done to keep Quinn will he lose her anyway? END GAME is book two in The Dawson Family Series and concludes Quinn and Archer epic love story.

Rough

"My worst fear wasn't of dying, it was of living. Living, while everyone around me had their flesh savagely torn from their bodies, to be shoved into the festering and ever-hungry mouths of zombies." Contagious (The Contagium Series Book One)
"I wasn't afraid of death. If I died, it would be over. It terrified me, right down to my very core, to be alive while the rest of the world was dead." During the Second Great Depression, twenty-four year old Orissa Penwell is forced to drop out of college when she is no longer able to pay for classes. Unable to find a job, she moves in with her aunt in Indianapolis. Down on her luck, Orissa doesn't think she can sink any lower. She couldn't be more wrong. A virus breaks out across the country, leaving those that are infected crazed, aggressive and very hungry. Orissa is used to only being responsible for herself. When she finds herself a reluctant leader of a group of survivors, she must make a choice—set aside her issues and help the others--or go off alone in search of her own family and friends. Deathly Contagious (The Contagium Series Book Two)
Orissa Penwell will do anything in the zombie-plagued world to keep her friends safe. After the discovery of a zombie-proof safe house, she thinks things may actually work out and they can get through the apocalypse together. The compound offers more than just shelter. It gives her and her friends a sense of community and purpose. It gives them a reason to keep

living in the dead world. But her chance at happiness is shattered when someone she recently let into her life—and her heart—is killed. Hell-bent on revenge, Orissa will do whatever it takes to seek vengeance and get even...without caring what the risk is for herself. Things quickly go from bad to worse and she finds herself lost and abandoned—and forced to face the zombie-plagued world on her own. When lies, secrets, and desperation are added to the already harrowing world, Orissa discovers that zombies aren't the only things to worry about. What—or who—will justice cost her? And just how far will Orissa go to avenge someone she loves?

Nowhere To Run

DO NOT READ THIS BOOK: If you do not wish to read about hard topics, or you're under the age of 18. If you want a feel-good, sexy read, this is NOT the book for you. One of Many is part dark romance, part suspense thriller, and is a gritty, harrowing tale about finding love in the darkest of places. Read at your own risk. Might contain triggers. AUDREY When we had nothing, The Community gave us everything. When we were lost, Father Weston welcomed us home. For the last five years, we've been preparing for the world to end in flames. Then I was Chosen to join the other wives in the big house on the hill. And in that house, I would learn the truth. There is no damnation. I am no savior. And the only way out of this cult is to trust the one person I've been forbidden to talk to. Kiev, Father Weston's son. But Kiev only wants one thing from me, and I must prove to him I'm not one of many blindly following his father's lies. If I don't, I won't make it out of here alive. KIEV My father ruined my life. Took everything from me and never looked back. For years, I've been waiting to strike, to pull his false empire from under his feet and watch him burn. Then he chooses her as his newest Virgin Bride. She's special to him, held in higher regard, presented to the entire community as a symbol of hope, a symbol to make them keep buying his lies. My father took everything from me. Now it's time I take everything from him. And I'm starting with her

Operation Bailey Wedding (Bailey Series Novella)

Rory's life is a mess. After getting dumped by her boyfriend, let go from her job, and losing her apartment, she takes a chance on a new job in a new town. Things can't get any worse, right? Wrong. When the foundation of Dean Dawson's life crumbles to pieces at his feet, he swears off relationships of any kind and goes back to a life of bachelorhood, loving and leaving different women every night. After dodging what could possibly be the world's worst blind date, Rory finds herself face to face with Dean--a temptation she knows she should avoid. It's just one night, and there's no harm in having a little fun. Wrong again. They say when you hit rock bottom the only way to go is up, but nothing is ever that simple. Rock Bottom is a Dawson Family Novel and a complete standalone romance with no cliffhanger.

Unable to find a job, she moves in with her aunt in Indianapolis. Down on her luck, Orissa doesn't think she can sink any lower. She couldn't be more wrong. A virus breaks out across the country, leaving those that are infected crazed, aggressive and very hungry. Orissa is used to only being responsible for herself. When she finds herself a reluctant leader of a group of survivors, she must make a choice; set aside her issues and help the others--or go off alone in search of her own family and friends. Deathly Contagious (The Contagium Series Book Two) Orissa Penwell will do anything in the zombie-plagued world to keep her friends safe. After the discovery of a zombie-proof safe house, she thinks things may actually work out and they can get through the apocalypse together. The compound offers more than just shelter. It gives her and her friends a sense of community and purpose. It gives them a reason to keep living in the dead world. But her chance at happiness is shattered when someone she recently let into her life—and her heart—is killed. Hell-bent on revenge, Orissa will do whatever it takes to seek vengeance and get even...without caring what the risk is for herself. Things quickly go from bad to worse and she finds herself lost and abandoned—and forced to face the zombie-plagued world on her own. When lies, secrets, and desperation are added to the already harrowing world, Orissa discovers that zombies aren't the only things to worry about. What—or who—will justice cost her? And just how far will Orissa go to avenge someone she loves?

Something Borrowed

“My life was complete. Happy, content, everything neat and perfect. Then it all changed. I was sold.” Tess Snow has everything she ever wanted: one more semester before a career in property development, a loving boyfriend, and a future dazzling bright with possibility. For their two year anniversary, Brax surprises Tess with a romantic trip to Mexico. Sandy beaches, delicious cocktails, and soul-connecting sex set the mood for a wonderful holiday. With a full heart, and looking forward to a passion filled week, Tess is on top of the world. But lusty paradise is shattered. Kidnapped. Drugged. Stolen. Tess is forced into a world full of darkness and terror. Captive and alone with no savior, no lover, no faith, no future, Tess evolves from terrified girl to fierce fighter. But no matter her strength, it can't save her from the horror of being sold. Can Brax find Tess before she's broken and ruined, or will Tess's new owner change her life forever? A New Adult Dark Contemporary Romance, not suitable for people sensitive to grief, slavery, and hard to read subjects. A story about finding love in the strangest of places, a will of iron that grows from necessity, and forgiveness that may not be enough.
