### John Haynes

In 1974, Honda took the wraps off a 1000cc flat four with shaft drive and water cooling, and the Honda Gold Wing was born. Renowned photographer Malcolm Birkitt has included coverage of Honda's dynamic, new Valkyrie in this update of his best-selling Honda Gold Wing title, as well as examining all the changes in the Gold Wing since 1995. Included are intriguing early design sketches and portraits by Honda's designers and engineers.

### Instant AngularJS Starter

A powerful and gripping novel that sweeps the reader from modern-day Britain to the Punjab in the 1960s and back again in a ceaseless cycle of tragedy and conflict. 1950s Punjab - a secret affair goes terribly wrong and the bride commits suicide after her lover is attacked by her family. The two families part in violence and conflict. 2004 Leicester - Rani and Sukh fall in love, unaware of the terrible legacy of the past and the conflict between their two families-Can tragedy be averted or will the two young people be able to escape the cycle of violence and draw the families together for the future?

ABOUT THE BOOK: Younger pastors are looking for practical help in the language of their generation. Pastoral Ministry for the Next Generation integrates contemporary issues and biblical principles. Pastors of all ages will find details for the "how to's" of nearly every aspect of church ministry. Pastoral ministry is timeless. Certain aspects of this life and work endure through all generations until the Lord returns. Yet, the milieu of ministry constantly changes. People expect their ministers to baptize them, marry them, and bury them, but marriage in today's culture involves questions for next-generation ministers that their grandfathers never imagined. Next-Gen ministry requires thoughtful processing of biblical foundations and contemporary applications. Dr. Jere Phillips has incorporated thirty years as pastor and over sixteen years of teaching young pastors to provide a biblically based, future-focused approach. This book was written for young pastors but can help ministers of any generation, especially new pastors. \*\*\*\* ABOUT THE AUTHOR: Dr. Jere Phillips has served churches as pastor and church staff member in several states and has preached in over 300 churches. He also was State Missions Director for the Tennessee Baptist Convention and Executive Director at the West Virginia Convention of Southern Baptists. In addition, he has been involved for many years in international missions work, training pastors and denominational leaders in 13 countries. A prolific writer, he has published over 200 articles and lessons with a total circulation of over 20 million. He is also the author of The Missionary Family: Managing Stress Effectively. He and his wife, Glenda, have two married daughters and seven grandchildren.

### **Never Far Away**

By 250 AD, Christianity had spread throughout India and China. Known as the Shining Religion or the Luminous Teaching, it drew adherents from Buddhism and Hinduism who were seeking a faith that taught the possibility of achieving a society founded on love and compassion for their fellow man. The new doctrine reached the island nation of Japan where it was so well received that Christianity threatened to supplant Buddhism as the dominant religion. By the close of the 16th century Japanese Christians numbered in the millions. Fifty years later Christianity was officially proscribed and Christians faced execution for openly practicing their faith. Jesus and the Samurai tells their fascinating story with facts drawn from ancient and modern sources.

## **Jesus and the Samurai**

Laura Loss came of age in the hardcore punk scene of the early 1980s. The jailbait bass player in her brother Anthony's band, she grew up traveling the country, playing her heart out in a tight network of show venues to crowds soaked in blood and sweat. The band became notorious, the stars of a shadow music industry. But when Laura was 18, it all fell apart. Anthony's own fans destroyed him, something which Laura never forgot. Ten years later, Laura finds her true fame with the formation of The Mistakes, a gifted rock band that bursts out of '90s Seattle to god-like celebrity. When she discovered Nathan and Sean, the two flannel-clad misfits who, along with her, composed the band, she instantly understood that Sean's synesthesia—a blending of the senses that allows him to "see" the music—infused his playing with an edge that would take them to the top. And it did. But it, along with his love for Laura, would also be their downfall. At the moment of their greatest fame, the volatile bonds between the three explode in a mushroom cloud of betrayal, deceit, and untimely endings. The world blames Laura for destroying its rock heroes. Hated by the fans she's spent her life serving, she finally tells her side of the story, the "true" story, of the rise and fall of The Mistakes.
